Hares: V.V. & Pig Pusher Swine Stabber

Scribe by: *Shit My Pants*

Well, another Monday and another fine day for a hash, the day started with my usual game of 'Angry Turds' to hopefully make sure I don't shit myself or need to do a brown steamer on the trail. Then a spot of lunch and a trip to the Cabbage Family home before the run, CABBAGE HEAD was have having a healthy looking fruit shake, I discovered later it was half fruit and half Vodka to bring himself 'reet roond' after the previous days shenanigans. *Nice and 'Healthy'!*

Upon arrival at the A-Site it's time to do a bit of sun bathing, its fookin' hot and not a bit of shade to be found anywhere, time to circle up and let e Hares VV and PIG PUSHER SWINE STABBER explain the run, all straight forward stuff so ON-ON we go.

It was a fantastic run, pretty flat for the most part and the Hares took us through some nice trails in between the trees and over some great countryside for about 9 km. As we're running along there's a gang of quad bikers coming the opposite way all with 'go pro' cameras stuck on their heads. It's time for a check so GI JOE takes one path, MARATHON MAN goes another and I take another route, after a few minutes I can hear the call of ON ON so I've obviously gone the wrong way, suddenly the *turtle starts to rear its ugly head*, nobody's around so no need to disappear into the bush, shorts down, crouching by the side of the muddy trail when *all of a sudden the noise of the quad bikes surrounds me* and as I've already committed to the dump there's not much I can do. *About 10 quad bikers go past me one by one having a look*, now, I'm guessing that there 'go pros' will have an interesting bit of *film of me doing a shit* to make there Thailand quad biking experience all the more memorable.

Back to the A site and E.T. is having a few issues and looking a bit panicked as he has lost his keys, as it turns out he hadn't lost them at all *they were hanging around his wrist* in his stubby holder. As it turns out, he wanted to find his keys to unlock his bag to get his stubby holder out – which was already hanging around his wrist. TAMPAX is having a great time strumming away on his guitar and SIR BOTTOMLESS PIT gets on the mic and starts *making a noise that I guess is something like singing*.

A-Site Mis-Directions:

Drive South from Soi Thep Prasit for 3.1 km to the traffic lights and turn left into Soi Chaiyapreuk 2. Continue for 3.6 km to the junction (HHH) and turn left. Follow this road for 2.3 km to Soi Charnok 19 (HHH). Turn left and drive 350m doglegging left to the A-Site.

Circle time, WANK-KING'S WANKER takes the circle and immediately puts Tampax on the ice and PIG PUSHER SWINE STABBER gets a nice comfy seat in the bucket which he seems to be enjoying as instead of sculling his down down, *he's happily doing a bit of wine tasting and taking his sweet time over it*. Then as is tradition the Hares get an icing and everyone is in agreement that they had prepared a great run for us.

SIR BOTTOMLESS PIT's Raffle begins; as always there are some amazing prizes and the winners include SIR FREE WILLY, GANGREEN, CABBAGE QUEEN and LINEAR ACCELERATOR. BOB SNOT HERE had a winning ticket but was *so overwhelmed by the great quality of the prizes he declined taking one* and just settled for a down down.

No EMPEROR AIRHEAD this week, so instead we get SHEIK MEME in his place, VV gets another icing and SIR FREE WILLY gets the bucket for talking in the circle. SIR SPAGHETTI HEAD and SIR REALLY SADISTIC BASTARD are looking nice and relaxed sat in there camping chairs and our RA is not overly impressed with that, so he gives them *another chair to sit on – the ice chair*. Some more people get an icing and other stuff is going on but at around this point CABBAGE HEAD has just

done a massive meaty guff about 1" from my face and him and GI JOE think this is the funniest thing in the world. **BB** thinks *that I've just SHIT MY PANTS again* cos of the dirty stink that floating around one half of the circle. **SIR BOTTOMLESS PIT** is none too impressed with **CABBAGE HEAD's** bottom burp so he fucks off to the other side of the circle where it is safe to breath.

SIR FREE WILLY takes the circle and puts a few none English hashers on the ice who like to take to take the piss out of the English nations sporting prowess of late. However for those that didn't know, England has just won the *Rugby World Cup*, all be it *the 'Women's' Rugby World Cup* and 3 members of the Women's team made an entrance to the circle in the form of **BALL RINGER**, **CABBAGE HEAD** and myself complete with *plastic tits and wigs* to give a demonstration of our Rugby expertise. **CABBAGE HEAD** basically pummels me to the ground and in the process my flip flop has a blow out.

Our **GM WANK-KING'S WANKER** announces the enforcement of the *no beer until the first F.R.B. is back* and *cuts the tape on the Beer coolers*. **CABBAGE QUEEN** is awarded her *300 runs/sign ups* and **PIG PUSHER SWINE STABBER** is awarded his *5 Hared runs*.

As your **Scribe** it's my turn to take the circle and of course I'm going to put **CABBAGE HEAD** on ice. I've got a fair few stories I could tell about him, but after *farting in my face and fucking up my flip flops* this evening he gets a *good bucketing*. **G.I. JOE** gets to join him and the *'chuckle brothers'* enjoy there down downs. I'm well and truly boozed by now and it's time to pick the **Scribe** for next week – **CABBAGE HEAD** gets another bucketing and **SHEIK MEME** joins him, **B.B.**, **LINEAR ACCELERATOR**, **GANGREEN**, and **BOB SNOT HERE** get a seat on the ice. Now I

probably should have put a bit more effort into my decision making of next week's **Scribe** – basically we need a 'nice guy' to do it as its **LADY FLIPPER'S Birthday Run**. *There are no 'nice guys' on the Hash*, we're all horrible bastards, so **GANGREEN** is the best of a bad bunch so he'll have to do.

That's me done my little bit and the **GM** hands the circle over to **CABBAGE HEAD**. *I don't even bother to sit down 'cos I know that fucker's gonna put me straight in the Bucket – and he does – twice*. As usual he ices everyone and anyone; no one is safe when **CABBAGE HEAD** is **RA**

WANK-KING'S WANKER comes back to the circle to close things out, **MENTAL DISORDER** is leaving us for a year, not sure where he's going, does anyone know?? He gets a final down down and the 'nice' leaving song is sung by all. (Good luck and happy travels Mental) The Hares *don't want to sing so they show us there rings*, but **HONEY BEAR** does and she's got a full rig up with amp and mic at the ready. **HONEY BEAR** does a great version of *'Living Next Door to Alice'* the lyrics are changed and it's all about *'Living Next Door to Wankers'* Everybody enthusiastically joins in with the chorus of *'VV who the fuck is VV'*. So now a final down down song for the Hares 'who have been on the ice for a while now' lead by **BB** and helped along by **NA HE MAN**, it turns out to be the *longest down down song ever*, funny as fuck for all except maybe the Hares who were getting quite thirsty toward the end. And so ends another great day of hashing here in **Pattaya – Swing Low, Sweet Chariot**.

On-On! Shit My Pants
