Next Run 1595 – September 29<sup>th</sup> 2014

**63 Hashers this week!**

**Hares: V.V. and Tampax**

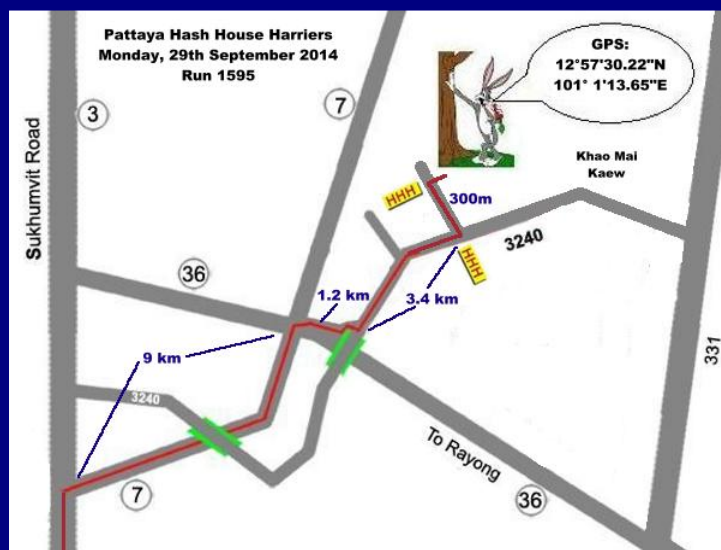

**Scribe by: Sir Spaghetti Head**

Today's run – listed in the weekly hash sheet "*as being hared by V.V. and his friends*" is a gross misnomer! When **JACKAL** hares a run he is *accompanied by many invisible friends*, who are speaking to him in one of seven different languages which he understands, while he is papering the trail. We know that "friends" means more than one! *But, V.V. only does his trail alone or with only one other person! Yes, TAMPAX!* We all know the reason why! Could you "*as the sole hare*" carry the paper, paint, hash signs, after run sandwiches, folding chair, "after laying trail beer" and the lighting system on that rickety old motorbike that **V.V.** uses? *No way in hell that I would!*

A question that I always ponder when **V.V.** does a run: is how he can *walk and paper "an 8K trail" when he cannot stand and serve beer for "30 minutes"* to his fellow **Hashers** who have run his trail. Damn, how soon I forget **V.V.**'s "*many friends*" – **TAMPAX** will serve it! *Today's run is, "an auto replay" of the 5th run that V.V. hared in September of 1999!* When you have hared over 128 runs, which **V.V.** has, "every run is an auto replay" believe me! Now that I've taken "the piss out of" *two great hashers and friends* – It's time to get on with today's **Scribe Report!**

First, I feel that the **PH3** is getting back on track and heading into the next three months, and the New Year, with renewed vim, vigor, and insight! How can I make that outlandish statement? Take a good look at this week's returners: The **APPLE'S FAMILY**, **MISSING LINK**, **F\*\*K THE TRUTH**, and **HELLBOY!** Just take a look at the upcoming hare line up: **SIR DOG**, **SIR ARSE-A-HOLIC**, and **STINKY SLOPPY**; **B.B.** and **REAR GUNNER**; **SHIT MY PANTS** and friends; **SIR BOTTOMLESS PIT** and **V.V.** Couple all of that with the return of **SCAR w/2 TT's** and we should be off and running towards the **New Year!**

**GKW and RSB on the ice! Hares on the ice! E.T. on the ice!** What a way to start tonight's circle! We all know about

### A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 3.4 km and turn left (HHH) at the entrance to Wat Trong Saeng. 300m down this road you will see the A-Site (HHH) on your right.

the Scottish vote for Independence! But, do you know that it only failed by two votes? **GKW** and **RSB** *never sent their ballots in* so they could be counted! *They were always too drunk to sign them!* **E.T.** iced because of his talking while the **GM** is trying to speak to the circle! The only way that you can possible get **E.T.** to stop talking **GM** is to *put his head in the bucket!*

Runners in Pattaya are spoiled simply because of the many great running areas available and their close access to town. Add a couple of great hares and what do you have? A good run, good run, good run according to **BALL RINGER!** **G.I. JOE** will quickly tell you that "he has never been on a bad run"! Some of them were better than others but, I have never been on a bad run. *Without question, today's run was great! Thanks Hares!me!!!*

**Hash Names – 1 Event**

Darren Graham was given the Hash Name EXCESS BAGGAGE

raffle and the lucky winners were: **E.T., LINEAR ACCELERATOR, GKW, KEE MAH, LIBERACE, EXCESS BAGGAGE, and SIR FREE WILLY.** Congratulations to all of the winners! **SHEIK MEME** takes the circle and ices: **E.T., SCARLET, G.I. JOE** in the bucket, **SCRUMPY**, and others for being at the **CARE FOR KIDS** party this past weekend. *Nice job guys!* **MEME** continues by icing **SPERM POLLUTER, REAR GUNNER, RASPUTIN, HELLBOY** and others as returners on to days hash! **HELLBOY** takes the circle and quickly fills the ice and bucket with: **MEME, LIBERACE, SFW, WANK-KING'S WANKER, LINEAR ACCELERATOR, BALL RINGER** and tries to find *“just who” screwed up the hash by taping off the beer coolers!* You can't imagine the amount of finger pointing went on. Remember that when you point your finger at another person – you always have 3 fingers back at you! **HELLBOY** that *he would get the situation “unscrewed” quickly!* Good Luck HB! **HELLBOY** then proceeded to rain *“HELL”* on the Scandi's, Norwegians, cats, dogs, rats, and mice and *“anyone else who would listen”* about his inability to get any sleep until the wee hours of the morning because of the noise in his area! **Welcome back HELLBOY!**

The large (no pun intended) fun part of the evening was trying to select a befitting hash name for Darren Graham! The names went from “the mild to the wild” before the two top choices were settled upon. **EXCESS BAGGAGE** won

over **WIDE LOAD** after at least five re-votes were cast! **Congratulations, EXCESS BAGGAGE! BELL END** and **SWEETIE** were congratulated for *achieving their 300th run!* **FREE WILLY**'s Birthday, this week, was announced.

Next week's **Scribe** was selected by a “name being drawn” out of a hat by **SQUEEZE MY TUBE**. The winner *“or was it the loser”* – was **G.I. JOE**. **STEPTOE** sang a hash song while today's **Hares** sat on the ice! **B.B.** then helped by selecting a group to consume the remaining Down Down and leading everyone in the **Hash Hymn**. Another great **Pattaya** hashing day ended when the Beer Truck turned the corner and drove over the hill towards **Pattaya**. *See everyone again next Monday.*

**On-On! Sir Spaghetti Head**
