Well! It's my turn to **Scribe**. My girlfriend was eating with the other cracks and didn't know I was the **Scribe**. When we went home I told her the **Hash made her the Scribe**. She asked if I would help her. Being the nice guy I am I said maybe?

She asked if I would tell her about the run and do the typing. "**Why should I tell you about the run?**" "**Well I didn't do the whole thing.**" "**Why?**" "**I was picking veggies.**" I asked, "**Did you get any good ones?**". "**Well sort of**" "**Sort of**" We found this spot with all these nice looking weeds and I asked if we can eat them. **No one knew so they told me it was my turn.** That meant taking them home and cooking them and let me eat them. **If I got sick they were no good to eat.** I said, "**That's crazy! Are you trying to kill me?**". No, **BELL END** does it all the time. Look at **BALL RINGER** he still lives. "**Are you sure about that?**"

Now about the run!

Getting on the baht buses everyone was looking at the sky. I think we are going to get wet on this run. So what, we are **Hashers!** Someone asked where the **A-Site** is. On 3240 by the Wat, many knew the place. We arrived at the **A-Site** which we have used many times but a great place as long as it isn't overused and it hasn't been used for a while. **We find out the hares did the papering that morning and a big storm came through. I figured excuses already.** After we started the run we found out the storm did do a lot of damage. Many of the paths were blocked with fallen trees. The hanging paper was torn off, wet and sometimes hard to see. This made for a very different type of a run. **Everyone worked together and some how we all made it back to the A-Site.** That is unless someone is still out

A-Site Mis-Directions:

From Thep Prasit drive South on Sukhumvit Road for 6.0 km and turn left into Huay Yai Road. Continue along for 7.1 km then turn left into Soi Polo 1 (HHH). After 2.1 km turn right into a dirt track (HHH). Follow this track for 500m veering left off the main track. The A-Site is a further 200m on the right side around the edge of a pit.

there. We had the usual **FRBs DEL BOY, MARATHON MAN**, and a few others that I could not see because I was so far behind. **I would rate the run with an A+.**

Circle time

Just before the circle, we had some of the usual things going on. A **Black Sheep** meeting, **BALL RINGER taking a shower in the circle** and everyone catching up on what has happened since the last time they saw each other.

To be the Scribe is a great honor but I'm not a writer. Plus the best light is next to the beer truck. **That's too close to the beer.** When I'm in the circle I do have to walk a little. One of the **Beer Police** seemed to be

watching and my empty beer was soon replaced. Damn you **ANFI**. Anyway I think I missed much of the going ons in the circle.

Here are parts I do remember. **GM** calls the circle and ices late comers. The late ones were **SCARLET**, **LONE WOLF**, **SHEIK ME ME**, **BOTTOMLESS PIT** and **REAR GUNNER** got the bucket. Next for the ice was **HULK** and **G.I. JOE**. *The reason was because we were laughing. I thought that was what the circle is about.* **GANGREEN** got iced with **E.T.**. **E.T.** is iced for being close to a blond.

SHEIK ME ME takes the circle and ices **BOTTOMLESS PIT**, **SCARLET** and **GANGREEN** for talking. The **Hares** hit the ice and **ME ME** tells his adventures on the trail. *He felt like Gollum crawling under the trees.* **ME ME** loved the run and it was deemed a good run.

ROBBING BASTARD iced for hogging the trail. Many others got iced but I can't read my notes and I also killed a few brain cells. The rest is from what little memory I have left.

FESTERING STREAKER takes the circle. Puts **FREE WILLY** in the bucket and ices **CRAZY GERMAN** for looking like a major hamburger (Gay). That must be English humor. **ME ME** was iced for riding with no helmet but needing one on the run to protect his head from thorns. **CABBAGE PATCH** iced for *Lying Leaver*. *I can't remember any more.* So we did the **Hash Hymn** and got on the buses and off to the **ON-ON Bar**.
