Scribe Report by *Bimbo* (filling in for *Sheik Meme*)

Rain coated **hashmen** resembled colorful condoms on arrival at the **Buffalo Bar** on a stormy Monday afternoon. Some undoubtedly hoped that the downpour would not let up, *providing an excuse to stay high and dry in the bar for the remainder of the day.*

Several baht buses eventually filled up with hesitant hashers heading out to see if the **hash gods** would bless the day with clearer skies, or send them home in a torrential downpour. The **Hares, B.B. and REAR GUNNER** would have *no shortage of excuses* about how the terrific trail marks they had painstakingly planned for the day were all washed away.

So off we went at the appointed time, walkers and runners *sloshing through puddles and mud.* The usual suspects *commandeered a baht bus to take them to a nearby bar* to spend the afternoon imbibing and philosophizing before returning to the **A-Site** slightly sloshed.

The **Hares** proved much too clever for most of the pack, which wandered around lost much of the time searching for *elusive strands of rain soaked shreddy.*

A-Site Mis-Directions:

From Pattaya Klang drive South along Sukhumvit Road approx 15.5 km to Soi Wat Yansangwararam (Wat Yan). Turn left and continue 4.5 km to the second roundabout just before the entrance to the Wat. Turn left (HHH) and continue 700 m to a track on your right (HHH). Turn into the track and continue 100m to the A-Site.

Some long running fools clocked nearly 14 Km, and returned long after dark, while the slightly more intelligent wimpy walkers found their way back to the beer in just over an hour.

In the circle, **SWEETIE** and **STINKY SLOPPY SECONDS** were honored for 300 runs, while **SIR REALLY SADISTIC BASTARD** marked his 600th visit to a nearby pub. The Drunken Kraut (**STUPID KRAUT KUNT**) was *unable to bribe his way off the ice*, and was last seen wallowing in the mud on his way to the baht bus home. All in all it was
