## RUN

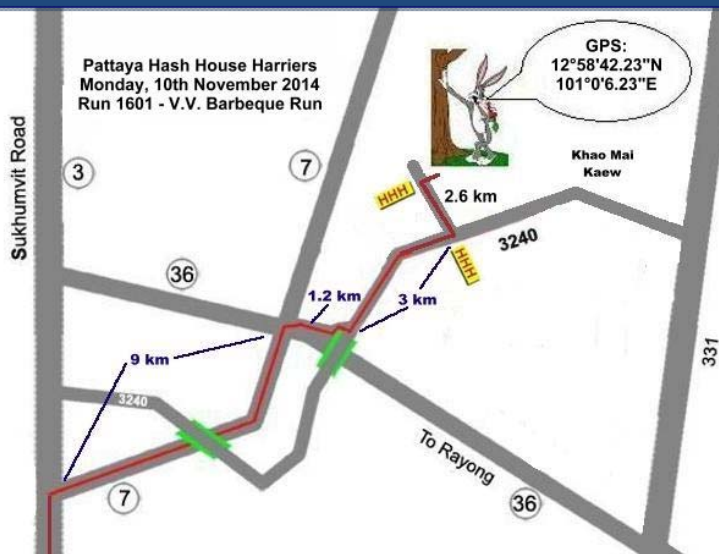

North out of **A-Site** to right of lake and single file over klong. First check straight on and into tapioca. Second check holds the pack and everybody catches up **HONEY BEAR** takes group photo of **BALL RINGER**, **DOESN'T TOUCH THE SIDES** and **JINGLE BALLS** all holding hands and pouting *like a group of Thai whores Lookame! Lookame!*

Trail does a 360 and a clockwise circuit of another lake to the other side where it cuts through waste ground to the third check which is straight on via good tracks then right and over klong. Forth check is straight on. **Fifth check broken but mispositioned Scribe goes wrong way, VELCRO DICK** on correct trail doesn't respond to repeated calls by pack, back on track and trail goes right through tapioca then left onto good track.

Pack follows gossiping **HONEY BEAR** and **VELCRO DICK** missing the broken sixth check. **PAPRIKA SMILEY** suggests left and **STEPTOE** listens (silly boy) and does large left hand loop through tapioca back to sixth check, *rest of pack short cut ahead and find paper.*

From sixth check trail goes through tapioca and **STEPTOE** discovers he was *inches from paper on previous route through tapioca in opposite direction.*

Check seven goes right, **STEPTOE** and small group behind now well out of it. Check 8 left and then right along bed of klong, very **VV**, then right up hill through trees. Ninth check is left along small track past lake and small waterfall, very scenic. Left at tenth check and **two bemused Thais on motorbike**, right onto main track some meandering about and over a klong into the **A-Site**.

## A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 3.0 km and turn left (HHH). Continue down this road for 2.6 km and turn right (HHH) onto a track to the A-Site.

particular reason, and **NAPPY HEAD** for being a **Houston Hasher**.

- **SCAR WITH 2T'S** ices **SEAL SUCKER** for competitive running. Ices **NO MORE CUM** and **crack** for cumming in late on the run, seems NMC is *being very attentive to crack more so than previously with daughter* on run, but then *he didn't want to sleep with daughter...* Ices **GANGREEN** for confusing **GENERAL KIDNEY WIPER** (easily done). Subsequently ices **SPAG HEAD** and **G.I.JOE** for *using technology on the hash (GPS)*. Also ices **WANK-KING'S WANKER** for doing recce instead of run and for using GPS.
- **SHEIK MEME** usual twaddle, ices hares **VV** and **TAMPAX** for something they might have done years ago and *potential gay marriage*. Plus **VV** gets additional abuse for being **Belgian** and allowing *all those cunts from the UN and EU into Brussels*. *"Lurking in shadows" criminals* get iced **Paul Skinner**, **BLACK JUSTICE** and **DOESN'T TOUCH THE SIDES**.
- **SCAR WITH 2T'S** ices **ABSOLUTELY NO FUCKING IDEA** for being a *fat bastard who's fallen victim to Pattaya fleshpots* (who drank all the beers?). **LADY FLIPPER** iced for touching up **NO FUCKING IDEA** presumably mistaking for

younger, thinner **FREE WILLY**. **HONEY BEAR** punished for *lusting after MASTER BATES* and **LORD CHICKEN FUCKER** also for *having tits that have grown to more than a mouthful, is silicon involved? Denials, all must be revealed*.

- **STEPTOE** ices **Scribe** for next week **DOESN'T TOUCH THE SIDES** and sings **Hare Song**

.On-On! Steptoe
