76 Hashers this week!

Hares: Steptoe and Del Boy

Scribe by: Doesn't Touch the Sides

During my time as a Hasher I have noticed that very few of us actually reads all the stuff that goes into a Scribe report. *So this time I have decided to make two versions:* a short version covering the main issues and satisfying all you *lazy readers*, and a longer full version for those of you *calling yourself intellectuals*.

The Short Version

Oh, it's hot out there... Form a circle.... Checks are red... mumble, mumble...Thorns... *Ice the Hares*... Fucking idiots (SHEIK MEME, he was not actually here, but still he was present in our minds)... **NECROPHILIA NIGHT RIDER**, **PORNSTAR** from the Phillipines....**WANK-KING'S WANKER**: I am too drunk, the stats don't add up, ... Ice the bastard...Bucket uhhmf...The **GM** is pissed....And here it goes, down, down, down.

And everybody agreed it had been a marvellous afternoon.

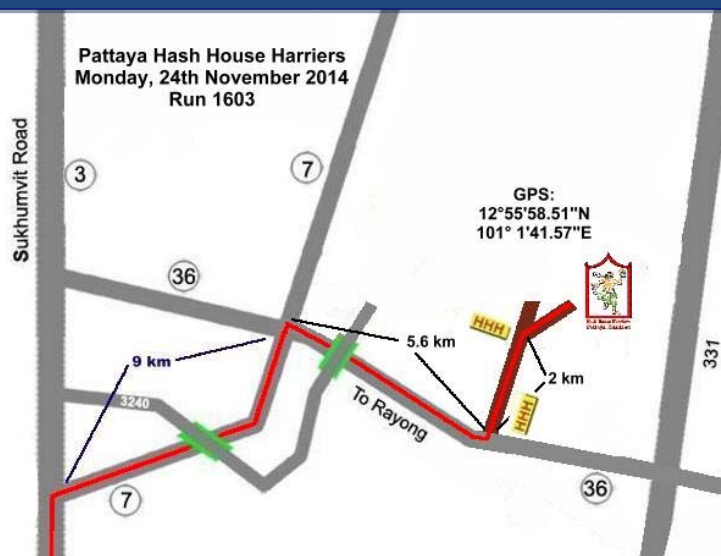

The Long Version

Oh, it's hot out there, another hot afternoon although we should be getting into the cold season, but *we are hashers and built to endure the endless suffering from the heat*.

After the *usual fuss with the sign up procedures* the first circle got underway, with the traditional greetings and celebration of **virgins** and **new shoes**. The Hares informed us about the run, but the only piece of information I could hear was that the *checks were red*. *What a surprise!* The rest was lost in the general noise level from the circle.

Off we went, the run was great, obviously, the *Hares had put a lot of effort into making this run to what it was*. Even going up and down the steep hills and slops gave us a lot of fun and some good laughs due to all *the thorns we unsuccessfully tried to avoid*. And luckily, we had **HONEY BEAR** to shine a light as we were going down the last dark and muddy gorge.

Coming back to the **A-Site** I immediately noticed **LIBERACE** studying the sign up money in a huge magnifying glass to check if there was *counterfeit money amongst the hashers*. That explains

A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit Road and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Continue on Hwy 36 for 5.5 km and turn left (HHH). Continue on this road for 2 km (HHH) and turn right into a dirt track to the A-Site..

us why we did not see him walking against the pack not far from the A-Site.

SQUEEZE MY TUBE *squooze her tubes* until everybody had bought raffle tickets, and during this, **SIR REALLY SADISTIC BASTARD** and **FLYING FINN** had an heated argument regarding distribution of raffle tickets and their individual numbering. **SIR FREE WILLY** had to intervene, settle the dispute and explain how raffle procedures are executed.

The GM called for the circle but immediately regretted this whispering *"fuck maybe I don't get enough time for drinking"*, so the circle was postponed for 15 minutes.

In the circle the Hashers, as usual, were asked about their opinion of the run, the most prominent answer being *"not enough doughnuts"*. So, I guess the next hares have to make a note of this.

Raffle time, **SIR BOTTOMLESS PIT** gave an in-depth explanation of the T-shirt raffle prize, and I think the conclusion was that the person with *the size matching the size of the T-shirt would be the winner*. The most disappointed hasher was **FLYING FINN**, he did not fit the t-shirt and, also *he did not win*

the much sought after "Schnell Cock".

EMPEROR AIRHEAD iced the Hares and finally the truth was out in the open. STEPTOE had been out in the jungle laying trails for the hash *when he stumbled upon DEL BOY*. DEL BOY being a virgin, STEPTOE realized that *meeting a virgin out in the jungle while laying trails does not happen every day*, so taking advantage of his good fortune *he immediately made DEL BOY his co-hare*.

NECROPHILIA NIGHT RIDER was iced together with his friend Ken. NECROPHILIA NIGHT RIDER *woke up in a bar and went directly out to join the hash*. His friend Ken had *always wanted to do a porn movie* in the Philippines. They both *smelled like porn stars* so they were in fact *Brothers in Arms*.

WANK-KING'S WANKER was trying to do the statistics but at this stage he admitted *he was too intoxicated to add up the numbers*, explaining that he had *"a small problem with the database"*

Hearing this GM took over the circle and made sure everybody was treated *according to their actions and beliefs*.

Before the final countdown of the circle, LONE WOLF made sure that LINEAR ACCELERATOR and the HULK got properly *awarded for their contribution* to Jesters Care for Kids.

A final word from the Beer Police Constable BLACK JUSTICE.
"We are fucking running out of Leo beer" This was duly noted.

See you all next Monday
