78 Hashers this week!

Hares: G. I. Joe and Squeeze My Tube

Scribe by: Pole Fucker

This report is from the perspective of the BCBs (Back Crawling Bastards) because that is where I usually am together with a select few other hashers.

The usual pre run circle took place in which 2 unsuspecting virgins (from Belgium and Australia) were introduced and the new shoes owner SHIT ON MY FACE being rewarded with a beer (which for the first time in weeks *was correctly drunk from his shoe and NOT from a can within a new shoe*).

This was followed by LIBERACE in his recent Lord Kitchener role indicating 'Your Hash Needs You' (and new hash 'blood') – 'recruitment' flyers available to anyone who is able to display on a suitable notice board.

The run itself was described by fellow hashers as 'excellent' 'wonderful' 'exciting' and 'tricky' It had something to cater for everyone's likes and dislikes. The trail was 7-8 kms and in the main was through tapioca fields and few local homesteads.

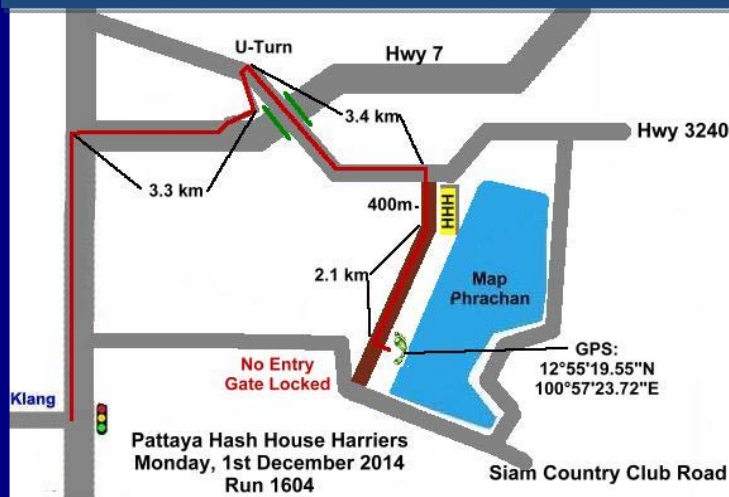

The tricky bits of the run came towards the end when most hashers thought that they were 'home and dry' and *some steep ravines and river crossing were encountered* forcing the infirm and those with short legs to get their feet wet.

The trail was in the main really well marked with most checks being clearly kicked through for the BCBs. Having said that *a search party was sent out* to round up the BCBs who got back in the dark and only just in time for the circle (*good way to avoid buying raffle tickets!!*)

The run was the same from runners and walkers and from a personal view point I would give it 9.2/10.

The GM managed the circle really well with it lasting just over an hour and with EMPEROR AIRHEAD again excelling with his wit (admitting he once lived with a woman *wished he was heterosexual* and hoped the other guy liked it more than he did).

SIR BOTTOMLESS PIT managed the raffle, the star win being a bottle of whisky (sponsored by G.I JOE). LADY FLIPPER opened the raffle draw.

A-Site Mis-Directions:

From Pattaya Klang head North on Sukhumvit Road to Hwy 7 (1.5 km) and continue for 3.3 km to the Ban Siri exit to Hwy 3240 West. After about 400m make a u-turn and head East taking the 3240 flyover over Hwy 7. 3.4 km from the u-turn turn right onto a road (HHH) along the West-edge of Map Phrachan. After about 400m, the road forks, take the lower road. Follow this road 2.1 km where you will see the A-Site on your left near the lake's edge. **Note:** Do not try to reach the A-Site via Siam Country Club Road as there is a locked gate at that end of the road.

The most novel win was by EMPEROR AIRHEAD who very carefully chose a 'made in China' folding chair definitely built for those with a slightly smaller stature (*I really hope someone has a camera at hand when it collapses*). Buddha knows who won the DVDs *and who cares??*

The GM thanked the hares GI JOE and SQUEEZE MY TUBE.

Enter EMPEROR AIRHEAD – Hares were once again thanked again in the customary icing ritual.

NO MORE CUM and COO COO COP (clad in a very sexy thong) were then iced.

This was followed by a 'naming ceremony – Enter the circle Paul Skinner, exit the circle STOOL MOVER. We all learned STOOL MOVER once dreamt of being a football player or submarine driver but eventually found *his true vocation of being an interior decorator*.

STOOL MOVER recommends hanging out in hospital emergency wards to pick up girls. EMPEROR AIRHEAD
