62 Hashers this week!

Hares: *Try-A-Fuck and Stool Mover*

Scribe by: *Robbing Bastard*

The Hash can always produce an unexpected surprise and this day was no exception. I have always been keen to promote a thirst for knowledge among hashers (see for example my scribe for the *2013 Oktoberfest*) and only last week had welcomed the opportunity to enlighten KAMOY KATOY about the significance of *my home town of Hastings and the date 1066* in the history of England. On this occasion on mounting the baht bus I was greeted by an unshaven KAMOY KATOY (he had obviously been up all night doing the research) who was delighted to inform me that he had since discovered that the literary character *Little Lord Fauntleroy* had been educated in Hastings! I found it most touching to discover how the small pebble I tossed into *this man's cultural lake can send out such significant ripples* and will await his return to Pattaya next year to see further evidence of his intellectual growth.

I had my Scribe's paper and pen at the ready the next installment of *DEL BOY's* sexual development (recounted on Sunday in another place) but unfortunately *DEL BOY* unlike your humble servant was unwilling to add to the breadth of human understanding. *STEPTOE* (grateful pupil and recipient of this man's special gloves) was, I think, most disappointed. Anyone not understanding this reference should enquire of *DEL BOY* – old beyond his years.

BEETROOT HEAD has made a very welcome return to the Hash. Reading between the lines he has been in Pattaya for a not inconsiderable time but has not graced us with his presence as he has been consolidating his relationship with a very lovely girlfriend, *Dah*, by *consuming vast quantities of vodka at various pool sides*. As he generously passed the care of said girlfriend (when on the run) to *FLYING FINN* and your self-effacing Scribe I mention *BH's* absence only in passing as I am hoping he will continue to make such amends to us all (and me in particular) by bringing *Dah* on forthcoming hashes.

That brings me to the opening circle when we all drank to *Dah's forthcoming loss of virginity GM SCAR WI 2T'S* for reason's entirely unconnected with his own footwear *overlooked the celebration of her new shoes*. Our diligent Hares *TRY-A-FUCK* and *STOOL MOVER* (whose name is yet another reminder that a significant number of our crowd need to progress beyond *Freud's anal stage of development* – other mature hashers and potential

A-Site Mis-Directions:

From Soi Thep Prasit, proceed South on Sukhumvit Road for 1.6km. Turn left at Soi Paradise Villa (Soi 87). Drive for 5 km to the end – HHH sign. Turn right and cross the bridge, about 200 meters and turn left by the Wat Sammakhi Prachara (HHH). Continue on this track for 300m and along the side of a lake, turn left to the A-Site (HHH).

spreaders of culture please note) then sent us on our way with the threat of checks and back checks but no water (*liars!!*) as well as a shortened route for the walkers.

Knowing T-A-F well I was able to assure *FLYING FINN* that it would be *safe to do the full run*. It might well be demanding but *we should be able to finish in the light (which we did)*. That was the sort of thing to which our experienced Hare paid attention.

FF and I set off with our charge most anxious to impress on her *that men of a certain age (or more)* still had something to offer. *Alas this was not to be*. After around 800m we saw *three different trails but no sign of a check*. We stumbled on with well over a dozen other lost hashers hitting at least *two well-marked false trails but no checks* before reaching the walker/runner split. I have no hesitation in accepting the hares' explanation that *front runners (names unknown) had failed to do the back checks properly*. *G I JOE* was apparently a witness to this *dastardly failure in hash etiquette*. That *later*

checks were broken very professionally adds credence to this explanation. By now the damage had been done. The main runners were out of both sight and earshot and *Dah clearly unimpressed by her two mentors elected to leave us* and join the main group of tail-enders on the *short route to the A-Site*.

This left FLYING FINN, NECROPHILIA NIGHT RIDER, ABSOLUTELY NO FUCKING IDEA and your conscientious Scribe to *continue with the run which we did in good spirit*. You may wish to note that during this time NNR explained he was not a front runner as he was *saving himself for encounters with various young ladies (one at time)* and ANFI promised to *invite all hashers to a flat warming* in his newly acquired condo.

We returned in good time for the raffle. First winner SIR FREE WILLY generously elected not to take the star prize of DVDs and other winners were, I think, the EMPEROR, SQUEEZE MY TUBE, STEPTOE, WANK-KING'S WANKER, POLE FUCKER, LONE WOLF, IM LAO and MASTER CHEF.

Our Hares were iced but *unanimously accorded for a good run*, and DEL BOY followed them for yet more revelations about his past. Again in my desire to *raise the tone of this hash I choose not to recount the details* except to say that this time the need for gloves was not mentioned and that according to DEL BOY the charges against him were not true, or if they were true happened to some other person who was both *very young and very drunk (obviously not DEL BOY then)* and in any case what was said should not be repeated in print.

The awards included ANFI for 150 runs and SIR FREE WILLY for a massive 600 runs (or sign-ups one over pedantic member observed). NO MORE CUM (*claiming to be a sober*

teetotaler) iced SCAR for his contribution to last week's enjoyable evening drinking at the *MISS LANGSOM On-On bar* when *everyone got drunk followed by a trip to a karaoke* when DEL BOY (also iced) *sang and talked only in Thai*. PAPRIKA SMILEY was subsequently recognised for representing us in many international hashes.

BEETROOT HEAD, a *Cheap Charlie by any count*, was iced by SCAR for lending his diminutive virgin a shirt that fitted her well. To everyone's disbelief *he claimed that this shirt was in fact on old one that had been worn by him* and was not recycled from a previous encounter. ANFI and CAPTAIN JACK SPARROW LEGS (aka W-KW) were iced for being the Laurel and Hardy of the engineering profession (*"That's another fine mess you got me into Wanker."*)

Now comes a very special mention. HONEY BEAR sang an original Hare song very melodiously which was beautifully supplemented by a lady dancer bearing a close resemblance to MY GIRLFRIEND KNOWS I'M GAY. Egged on by an appreciative audience, more than a little mud got splashed on a less appreciative T-A-F while sitting on the ice, for not singing the song himself. I fear I have been removed from T-A-F's Christmas card list for standing up for this talented dancer.

The evening closed with the Hash Hymn and excellent food at *Jameson's* our On On Bar for the night.

.On-On! Robbing Bastard
