Hares: Arse-Holeo and Kiss Me Down Under

Scribe by: G.I.Joe

It's always a good start when we have to get *four Baht Buses*. It must be high season. After a short drive out of town we come to a new A-Site. I thought the hares (ARSE-HOLEO and KISS ME DOWN UNDER) would have a hard time getting a run out of there. There were a lot of houses in the area. But I looked across the road and saw opened spaces. *That made for a good run.*

The checks kept the FRBs and the walkers close together. The first two checks I went the right way but *someone called on-on in the other direction*. I came all the way back to the check *to hear FT*. On the third check I heard on-on and I was off on another trail. *Well they're not going to fool me three times*. I continued on the trail I was on and *found out the other way was true trail*.

The Hares did a very good job of keeping everybody together. I passed VELCRO DICK three times. We finally made it back to the A-Site. I had a little over 7K on my GPS and I talked to some others that didn't do the checks and they had 6K.

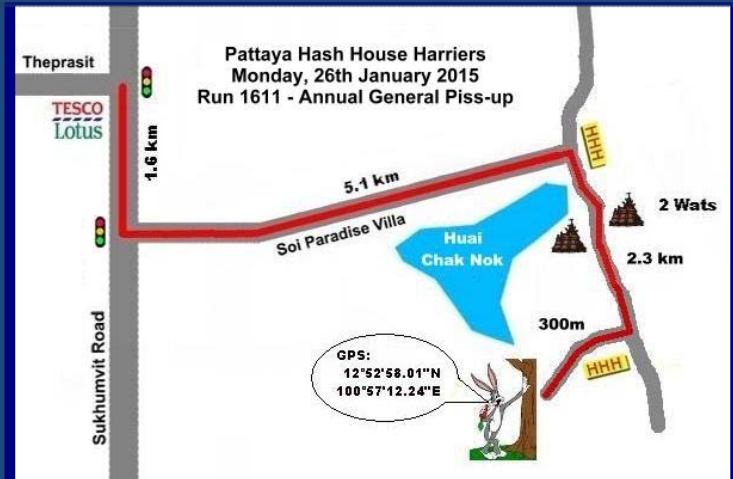

At the A-Site I was kind of lost without my girlfriend. She is off to the village to get a new passport and take care of her sick mother. Somehow she is still keeping an eye on me. She called Friday and the first thing she said was you didn't come home on Thursday night. I spent the rest of Friday hunting for cameras.

### Circle time

First off, I probably missed a lot. You know bladder problems, night time can't see what I'm writing and the circle was moving faster than I could write. *This is my version!* The GM (SCAR WITH 2TS) calls for the circle to start. First off he puts the Hares on the ice. Tells them he enjoyed the run but we'll find out later what other people thought of it.

Next we have the Raffle starring SIR BOTTOMLESS PIT. He puts a little fun into the Raffle to keep everyone entertained. *That's even the cheapies that don't buy the tickets to support the Hash*. With that finished the GM passes the circle over to EMPEROR AIRHEAD.

The first thing he does is put the Hares on the ice. *He praises them on the A-Site, the location and the all important HHH signs*. He asks the people in the circle what they thought of the run. It was decided a good run. Next he ices NECROPHILIA NIGHT RIDER and SUGAR DADDY. NNR is everywhere *trying to*

### A-Site Mis-Directions:

From Soi Thep Prasit, proceed South on Sukhumvit Road for 1.6 km and turn left into Soi Paradise Villa. Follow for 5.1 km until you reach the T-Junction at the end (HHH). Turn right and follow the road past the Wat for 2.3 km (HHH) and turn right into the road leading to Monastery Hill. Continue for 300 m to the A-Site.

*service all the ladies and support Thailand's economy*. But now he is starting to look old from all the sex.

SUGAR DADDY says he will step forward and try to help NNR out with the ladies. Next he puts Harald Malthé. It's time for a Hash Name. He tells the EMPEROR he would like the name *His Majesty*. *Fat chance for that to happen*. The EMPEROR does some research and finds out a few facts about him. He was a high school teacher who left town under suspicious conditions. *It was something about a knocked up teenager*.

He worked on a ship and *he had a job as a worm picker*. KEE MAH also got on the ice because at *one time he was a worm picker*. Mr. Malthé was close to getting the name he wanted. His new name is PRINCESS BUM BOY. After that CRAPPER and his girlfriend Laddawan Sappaso were called in. She was given the Hash Name of POCKET SOCKET.

WANK-KING'S WANKER is next in the circle and has ARSE-HOLEO in because he *completed 20 hares*, SUSIE WONG in and gets *her 50 run mug*. LONE WOLF is called in and *gets a plastic cup of beer for his 350 run*.

SHEIK MEME gets the circle. *He ices so many its impossible to keep track*. On the ice were SIR
