96 Hashers this week!
Hares: Hulk and Suzy Wong
Scribe by: Burl Ives

I was asked to fill in and scribe tonight's run, but how do you make something which is good fun live, interesting in black and white. I thought for a while and then took inspiration from the late **William Archibald Spooner**, a professor at **Oxford** who was famous for his *plays on words by reversing the letters of words*, for example:

"You have hissed all my mystery lectures, and were caught fighting a liar in the quad. Having tasted two worms, you will leave by the next town drain"

(You have missed all my history lectures, and were caught lighting a fire in the quad. Having wasted two terms, you will leave by the next down train)

Spoonerisms were immortalised by the late **Ronnie Barker** a famous British Comedian, so here goes, I've taken the liberty with some of your hash names, *but it doesn't always work, as you can see!*

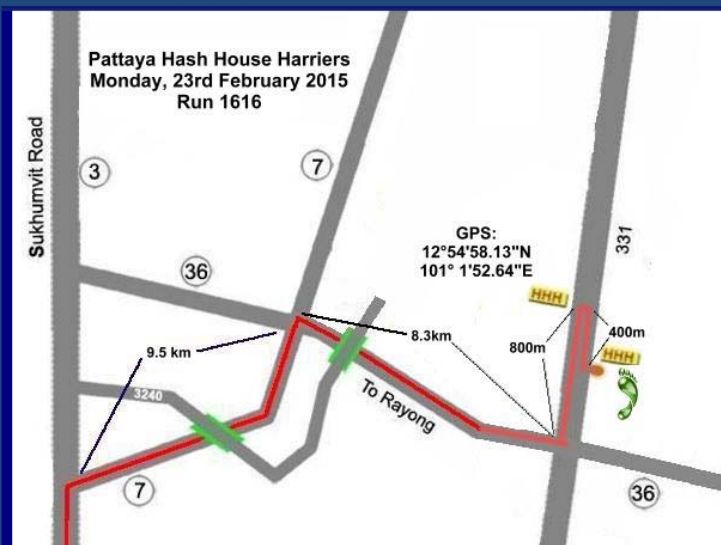

"Rosenmontag, (Rose Monday) is the highlight of the **German** "Karneval" (carnival), and is on the **Shrove Monday** before **Ash Wednesday**, the beginning of Lent. Celebrations usually include *dressing up in fancy costumes, dancing, parades, heavy drinking and general public displays with floats*, perfect concept for a hash!

So the two smart hares **HULK** and **WUSY SONG** choose a perfect A-Site and set a run down and around **Huai Chak Nok Lake**. Cleverly they were able to send the pack off through the lake due to dry season low water level, so *the pack charged off through numerous causeways*, eventually finding their way back to dry land and *German finger food, most of which had been devoured by the time the walkers got back!*

Circle up called by **GM CUM NO MORE** (or Don't Call Me Bogbrush, **DCMB** for short), then **HULK** explained the meaning of Rosenmontag, icing **ANFI** and the **Flippas** in the process. The Hares had sequestered a prezzie out on the run, but **FRB's KARAMBA** and **ANAL ROTATE HER LATER** failed to retrieve it, so were iced.

DCMB then iced the Hares for being hares. **SIR WEE FRILLY** then "entertained" us with the **Raffle**, (funny how of all the Hashes I've been to in Asia this is the only one with a regular raffle!).

A-Site Mis-Directions:

From Pattaya Klang head North on Sukhumvit 1.5 km to Hwy 7. Continue on Hwy 7 for 9.5 km to Hwy 36 and exit towards Rayong. Follow Hwy 36 for 8.3 km to the Junction with Hwy 331. Exit Northbound onto Hwy 331. 750m from the end of the entry ramp make a U-turn (HHH). Follow the Southbound carriageway for 400m (HHH) to the A-Site on your left.

DCMB then iced the Hares for being hares. **SIR WEE FRILLY** then "entertained" us with the **Raffle**, (funny how of all the Hashes I've been to in Asia this is the only one with a regular raffle!).

Talented circle master **AIRPEROR EMHEAD** then did his usual entertaining stunts praising the Hares for their efforts especially for the food. **ESTONIAN F@CKER** and **KARAMBA** then compared physiques for meat versus veggie diets! **LINEAR ACCELERATOR** was iced for Hash crashing into the back of **NECROPHILIA NIGHT RIDER**. Virgins **RASPUTIN's** latest love, **Yupa Sommagattarin**, and **Dani Steinhoff** from Norway were then treated to a dose of frozen posterior.

Hash Bean Counter **WANK-KING'S WANKER** then gave awards to **WUSY SONG** for 5 hares and **BOBBIN RASTARD** for 10 hared runs, followed by **CHEAP NORGY C@NT** for 200 runs and **KARAMBA** (again) for 300 runs.

DCMB returned and iced 4 Thai girls for being Thai girls and bucketed **T WITH 2 SCARS** for looking like a gatoy. **ESTONIAN F@CKER** was bucketed for *having a suntan* and **BARNACLE BOLLOX** for designing a Kayak with belt and braces.

Then, the star of the party, **MAKE ME A SHEIK** took the stage and
