67 Hashers this week!

Hares: Robbing Bastard and Flying Finn

Scribe by: 1/4 Pounder with Cheese

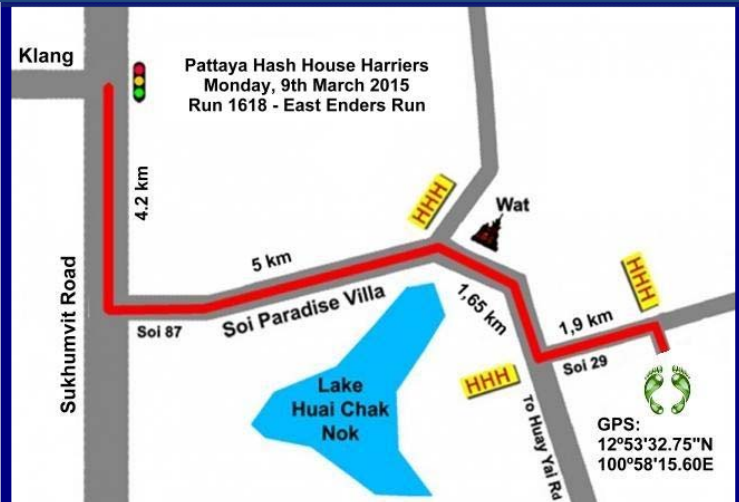

Monday morning I was sat in **Jameson's Irish Pub** drinking coffee and checking emails when the heavens opened up and it pissed down with rain. *That's the fair weather hashers going into hibernation thinks I.* And so it was, with 67 runners it was the *lowest turnout for quite some time.*

The rain wasn't the only reason to keep people away; **EMPEROR AIRHEAD** was on route to Thailand after competing the Oscars ceremony in L.A. *the only man for the job I reckon.*

Monday was also the Birthday of a venerable hasher **FIDO DILDO** who decided to start the celebrations the night before and *carry on until 0800 the following morning* rendering some hashers incapable, with the exception of **SCAR W/2T'S** and **STUPID KRAUT K** who made it to the run but had to join us beer hunters as walking; even in *a straight line was very difficult for them.* But like the true hashers they are, they made the run.

The Run:

The "A" site was situated off Highway 3240 on a well-used location. After the usual business of **New Shoes** and **Virgins**, the run was explained in great detail by our venerable **Hares** who produced *an idiots guide on how to make it through the run*, this went on for some time and I was concerned that it was going to get dark before the run set off. Maybe I'm old school or maybe I'm an unsympathetic old soldier who believes that the **Hares** should say *"the trail starts over there so fuck off and work it out for yourselves"*. The **Hares** had laid

A-Site Mis-Directions:

From Pattaya Klang, follow Sukhumvit Road South for 4.2 km to Soi Paradise Villa. Turn left and proceed 5.1 km to the T-Junction at the end (HHH), turn right and pass between the two Wats. Continue for 1.7 km to Soi Joe Otter and turn left (HHH). Follow the road for 1.9 km to the dirt track on your right (HHH). The A-Site is located 70m down the track.

three runs, long, short and beer hunters trail to an excellent *elephant trekking resort complete with bar and a seating area with a view.* The **Hares** had even arranged for a Katoye barmaid to keep **SCAR W/2T'S** happy.

Back at the "A" site after some excellent V.V. food everyone agreed that it was a good run.

The Social Bit:

After the run it was good to catch up with people and have a chat, which is my favorite part of the hash. I had a chat with **RAMBO WW2** who having had a new knee is fully fit and has been back for a few weeks now. Jack is *the only PH3 hasher who can actually be carbon dated.*

The Circle:

This never changes. **Hares** on ice, the run was voted a huge success, which it was. The **Hares** put a lot of effort into this run and it's very much appreciated by all.

After the raffle I noticed that **GENERAL KIDNEY WIPER** hasn't won a prize for two straight weeks now, very unusual and I'm sure that he will be back to his lucky self in the near future.

In the absence of **EMPEROR AIRHEAD**, **LONE WOLF** took the role as the *Good RA and acquitted himself most admirably.*

One **Virgin** this week, none other than the young sister of **HONEY BEAR**, who had flown in from the Philippines that morning, and taken straight to the run. It's her first time in Thailand and *I'm sure that some of you would like to make her very, very welcome.*

There was one run anniversary this week, congratulations to **SPANKENSTEIN** for *completing*

50 runs and also to **KEE MAH** and **SCAR W/2T'S** for receiving their *200 run tee shirts.*

Another successful run completed. I look forward to seeing you all next week plus a few returners.
