Hares: Colonel Cornhole and Same Same

Scribe by: *Fowl Fucker*

I have heard that if you do a nice scribe without swearing it may be published in the **Pattaya Mail**. *We will see how it goes.*

Fucking hot day again, fuck me, it's as hot as a bastard, when will the rains come.

As soon as I got to the **Buffalo Bar** to get the bus **TURD** was at me about drinking too much beer and hating Pattaya and he is going back to London in the morning so he can vote UKIP because Pakis are scaring his cat and he doesn't like kebab shops, *What a long ride in the baht bus that was.*

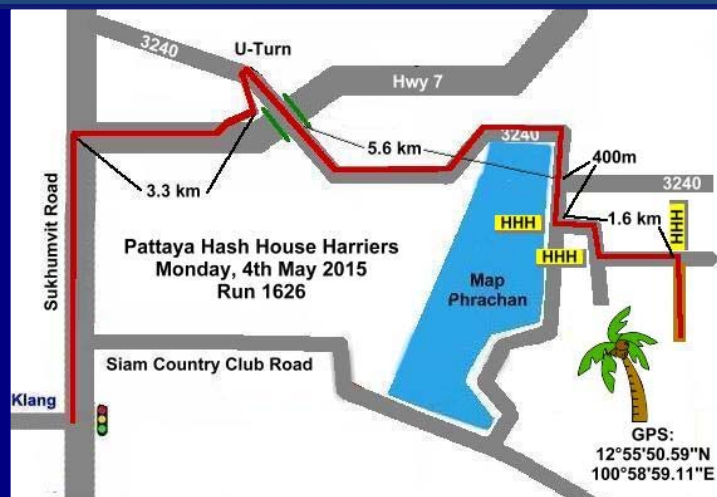

CORNHOLE and family laid the run, the **A-Site** was in a fly infested forest, in fact lots of forests were seen that day. Barely 5 minutes had passed and I was being eaten alive as **FREE WILLY** asked ME to be scribe.

I said I could not as I would not be here next week. *'No problem'* said **WILLY** and walked up to the paying table and said loudly *"FF is a free runner"*. **LIBERACE** was disgusted with this proposition as **SPAG HEAD** signed me up as a free run, I did not know **WILLY** had so much clout, more on this later.

Brief hare instructions and off we go. My ongoing problem with Rhigomortis meant a slow start and eventually the old bones managed a jog and *a very nice run became evident*, one of those that goes on and on until WHAM– the **A-Site** is in view.

Crisps and Chang was immediately engaged as **TURD BURGLAR** *stuffed bananas in his north and south explaining that in London he can buy 12 of the bastards for only 1 pound.* He then complained *he could not drink beer as his belly was full.* I backed away slowly to talk to **KIDNEY WIPER**, a far better conversation I thought until he went fucking ballistic when I mentioned **Jomtien Immigration** (who doesn't). Circle in 5 fucking minutes shouted **NO MORE CUM**.

Strangely, no new shoes this day and even more strangely no Virgins. I can not recall ever not having Virgins — *what is going on, are they scared of the Hash?* I decided to continue with the scribe with (8) Frequently Asked

A-Site Mis-Directions:

From Pattaya Klang head North on Sukhumvit 1.5 km to Hwy 7. Continue on Hwy 7 for 3.3 km to Hwy 3240 and exit North. Make U-turn as soon as possible and head back over Hwy 7. Continue past the North end of Map Prachan and follow around along the East side of the lake. Continue along the East side of the lake for another 400m past where the 3240 branches off to the left and then turn left (HHH). Follow bearing right for 350 m then turn left (HHH). Follow for 1.3 km to dirt track on the right (HHH) and the A-Site will be found about 200m along.

Questions as a reference to potential virgins.

1 – ARE HASHERS INTELEAGENT AND MATURE?

A bra was on the raffle prize table, grown men were touching it and giggling at it. One male prize winner chose a second hand toilet seat over a box of cookies and bottles of booze and t-shirts, then came back and asked to change the seat for the bra.

2 – ARE THERE AUSTRALIANS? Unfortunately yes, they occupy the bucket and ice constantly. *Loud brash bastards singing songs to each other about taking it up the arse* and yet would take a bullet but would not help fallen comrades out of the bucket. True ANZAC comradery here and *evidence of the Aussies true fear of the bucket.*

3 – WHAT IS THE BUCKET? *A large tub containing water and ice designed to take 2 grown men, mainly for Australians* who feel once away from home shores they can misbehave badly. If the Indonesians have their way there will be 2 less by the end of the week. Australians

LADY FLIPPER was congratulated for her 600th Run

sphincter muscles are connected to their mouths so *freezing the sphincter stops them talking, — seems to work well.*

4 – WHAT IS A SHEIK ME ME? It's a thing for shouting and saying "cunt" a lot and has a terrible reputation for being a cheap bastard. Don't give him a pencil and paper or he will start scribing — *likes to bucket SPAG HEAD's wrinkled old arse* (refer to photo's) for no other reason than he has nothing to do and wants to sit in SPAG HEAD's folding chair. *A more evil bastard one could not imagine — stay well clear.*

5 – WHAT IS A GM? *Nothing to worry about here*, a small inconsequential person that walks around the ice until you feel nauseous. He has gone now for 6 months and so has SCAR. You only need to worry about **WANK-KING'S WANKER**, — *an evil vicious bastard from America that loves to bucket people* but does not have as much power as **FREE WILLY**.

5 – WILL I HAVE TO BE SCRIBE? At sometime yes, but take no notice of **WANK-KING'S WANKER** *who does not know what the fuck FREE WILLY is doing who is really in charge.* Beware of scribes trying to take your job away to get a free run. Refer to FAQ 4

6 – HOW MUCH IS IT? It's 350 baht but *if you drink Heineken you can drink your money back in no time.* However, if you drink Chang you will need to hit the beer

ASAP. WARNING– Do not stuff yourself with bananas first. You will need to drink approx 12.5 Changs to get your money back. Chang can also be used as mosquito repellent and glue.

7 – WILL I GET ICED?

Just keep the fuck away from SHEIK MEME,—refer to FAQ 4

8 – IS HASHING FUN?

—Same as FAQ 7
