So the **Mismanagement Team** has asked me to **Scribe** for a second time. Obviously I did upset enough people on my first scribe *“I think to myself”*. But seriously I’m always willing to help out if I can, *I think you get back what you put in, and that’s more so with Hashing.*

Heard a funny story the other day about **JELLO BUTT** turns out he had *a cockroach up his ass for a couple of hours giving him sexual satisfaction*. Only in Pattaya, times must be getting hard now the boys in brown are routinely rounding up and arresting the street meat on **Beach Road**. Maybe he’ll be renamed **INSECT BUTT** or maybe not.

So today’s run number 1628 was a special **Norwegian Run** hared by **LIBERACE, ODD JOB, SIR DOG, STINKY SLOPPY SECONDS, TIGER BUM** and an absent **KARAMBA**. Now every year the *Norwegians always go above and beyond the call of duty and this year was no exception*. A **free T-shirt** on sign up and not forgetting the *fantastic free food, smoked salmon, scrambled egg, fried chicken pork.*

Today I didn’t take part in the run itself as I was still recovering from a *mixture of heat stroke, too much beer and raw chicken the day before*, so while *wearing my adult nappy and with sick bag to hand* I waited for the first runner to get back. In came *two short cutting bastards* **MARATHON MAN** and **TRY-A-FUCK** just before the first runners made it in. *Everyone said it was a great run and enjoyed it*, with that many Hares its no surprise.

After everyone had stuffed their faces with food **WANK-KING’S WANKER** starts the circle. First he announces the On On bar is *TQ’s which he forgot to take a count on before the run, maybe someone will ice you next week* for that, then we hear about the next two runs, firstly the **Scotch on the Rocks Run** and the week after is the **Betty Boop Run** (remember to dress up). *There’s some guys that wait all year for this run*, gives them a chance to wear women’s clothes, *let that cross dresser inside you come out*. Then the

A-Site Mis-Directions:

From Soi Thep Prasit, drive 6.0 km South on Sukhumvit Road. At the lights turn left onto Wat Huay Yai Road. Follow for 13.4 km to the T-junction at Hwy 331. Turn right and continue for 1.6 km along the 331 and turn left across from the water tower (HHH) and into a dirt road. Continue 1.9 km and find the A-Site on the right hand side.

Hares are iced and thanked for all the free stuff.

Next is **SIR FREE WILLY** with the **Raffle** and I manage to win a bottle of whiskey **EMPEROR AIRHEAD** got the slimming tea, **ROTATE HER LATER** got a bottle of something and *there was a thong and fishnet tights*, piggy bank with money inside donated by **LONE WOLF** and a nice pair of headphones.

After the winners down downs **EMPEROR AIRHEAD** takes the circle and ices the Hares, they are commended for being great hashers, good fun and real men. And awarded a **AIRHEAD** trophy. Next on the ice is **WANK-KING’S WANKER** and we hear about how his descendants were from Norway and *liked to fuck each other and interbred until 1850* they settled in Minnesota and *started having sex with Americans.*

SHEIK MEME is iced and he too has descendants from Norway. *Seriously guys you’ve been hanging around with NO MORE CUM too much*, so you going to learn to speak Norwegian now? I did my family tree and turns out *one of my ancestors was raped by Attila The Hun so*

Chris Matthews was given the New Hash Name LICK MY BALLS

I guess that makes me Mongolian.

Next are two **Marine** friends are iced, turns out they've been grabbing each other's cocks in TQ's after a few beers, **steers and queers come to mind.**

And so to a hash naming, enter to the ice **Chris Matthews**, leave the ice **LICK MY BALLS.**

SHEIK MEME takes the circle next and ices his **new found Norwegian brothers the Hares and begins to tell us the long story of the first of his ancestors who came to Australia in 1832.** i fell asleep at this point until a beetle the size of my fist flew into my face and woke me up.

After what seemed a lifetime **WANK-KING'S WANKER** takes the circle and gives out some awards, **SIR DOG** was congratulated on completing his **50th Hared Run.** **LIBERACE** was congratulated on completing his **10th Hared Run.** **SIR ARSE HOPPER** was congratulated on completing his **650th Run.**

SHEIK MEME takes the circle again and ices are visitor **CLASSIC** from the Kakadoo Hash, Darwin, Australia for **drinking beer before the first runner came in, naughty naughty.** After that **MEME goes on an ice frenzy, icing half the circle with SIR FREE WILLY in the bucket.** I do remember him telling us the advise he gave he's recently divorced son, **“Wank wank wank, money in the bank!”.**

Brilliant, love those father son moments.

And so that only leaves the **Hares Song** to finish the circle with a chorus that went drinking, drinking, drinking. **Very fitting, as that's what's most of us have been doing all night.**

Returners take us into the **Hymn** and then its back to the on on bar **TQ's** for some **cheap beer, free hotdogs and even hotter girls. Another great hash...**
