**50 Hashers this week!**

**Hares: General Kidney Wiper and  
Sir Really Sadistic Bastard**

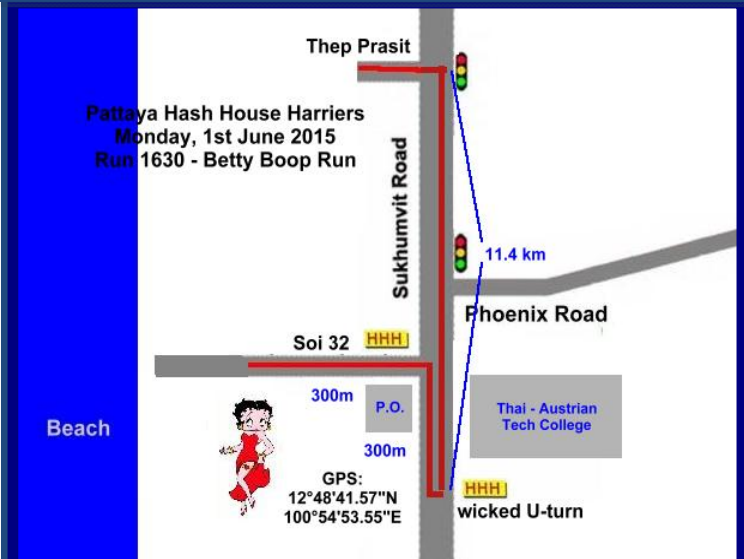

**Scribe by: Golden Rivet**

Well, this week's run saw 50 Hashers partake in a 4 km walk or 6+ km run with much of the walk/run being over fairly simple terrain. *A good run nevertheless.* With the run out of the way, the Scottish Hares, **GENERAL KIDNEY WIPER** and **REALLY SADISTIC BASTARD** began dishing out the "*Scotch on the Rocks*" ...usually without the rocks. This went down pretty smooth and along with a few beers made my scribbled notes illegible toward the end of the night.

It was noticed a *case of Pepsi* that was on the **Raffle** table *suddenly disappeared once all the tickets were sold.* After numerous complaints, miraculously **SIR FREE WILLY** pulled the case of Pepsi out of his ass and the **Raffle** was on including the Pepsi. **SIR FREE WILLY** *also did his best to break the bathroom scale won by a fellow hasher in the Raffle.*

The **GM** took over with the Raffle behind us icing **SIR FREE WILLY** and **G.I. JOE**, though I'm not sure why. Whatever the reason, they probably deserved it. Certainly **SIR FREE WILLY** *deserved a couple hours in the bucket* for both the Pepsi and bathroom scale involvements. The Hares and **ABSOLUTELY NO F\*CKING IDEA** were iced next. Mel Gibson would have been proud of the Hares as *their makeup was as good if not better than the "Braveheart" war paint.*

**EMPEROR AIRHEAD** failed in his attempt to make the nipper **MINOR DISORDER** a bartender, and took the circle also icing the Hares. **EMPEROR AIRHEAD** gave credit to the **Scots** for being the first on the moon amongst other things, to the dismay of the **Americans** on the outskirts. *Who knows, there may be a "moon" bar in Aberdeen somewhere?* The **EMPEROR** is a stickler about the directional signs to find the sights and once again scolded the Hares for using dark blue and black letters... fair enough. **BANANA BENDER** and **BURL IVES** then offered some sort of ancient Scottish folk song to the

A-Site Mis-Directions:

From Soi Thep Prasit head South on Sukhumvit for 11.4 km to the U-turn after the Thai Austrian College (HHH). This is hard see so be in the right lane as you drive past the College. Travel back up North for about 300m and turn left at the Na Jomtien Post Office, Soi 32 (HHH). Travel about 300m and you will see the A-Site on your left.

**Hares.** This was followed by the **EMPEROR** giving an explanation of the history of the Scottish Kilt. Something about Haggis, fake sheep's stomach got involved in this history but damned if I can remember why.

A new guy "**Hans**" next took the ice to be named. Apparently this guy has yet to say 2 words to anyone at these events, but *although there were several names suggested relating to this sickness,* the group chose **SLACK VAGINA** as his Hash Name. Go figure. **BAHT BUS GESTAPO** was next to take the ice and his Tee Luk who also needed a Hash Name. There was no voting allowed here with **EMPEROR AIRHEAD** dubbing her **LADY SNAKE**.

The **GM** now took over the circle icing **LIBERACE**
