**38 Hashers this week!**

**Hares: VV and Two Time**

**Scribe by: Linear Accelerator**

After an overnight rainstorm and scattered showers during the day, I for one appreciated the cloud cover provided for our Monday PH3 trek. It was a *welcome break from the heat wave* that has enveloped the area for the past few days. With the stormy skies there were obviously a few Monday Hashers taking a rain check, so BAHT BUS GESTAPO's single rot song taew, packing a brave lot of Hashers like sardines-in-a-can, was all that was required from the Buffalo Bar to the A-Site. GM WANK-KING'S WANKER called the Hashers to circle up and proceeded with announcements as follows:

- 1) *No ON-ON Bar at Jameson's tonight due to he low turnout.*
- 2) *Next week is the Philippines Independence Run and the Philippine Harriettes will provide theme based and always-tasty food and beer.* Please do not miss this yearly event, as it is highly forgettable.

REALLY SADISTIC BASTARD iced for commenting on the GM's comments. Hares on in where VIETNAMESE VIOLATOR provides run instructions, and with TWO TIME in agreement, the Hashers were off and running, walking, *or on the way to the nearest bar.*

In the meantime V.V. ignited the BBQ in preparation for the *grilled chicken and pork burgers* for the returning Hashers with the able assistance of co-Hare T.T. *Bon Appétit!*

After all of the Hashers returned to the A-Site and fortified themselves with an assortment of Hash Chef V.V.'s BBQ burgers, etc. and Brew Master V.V.'s refreshments everyone was in a jovial mood.

GM WANK-KING'S WANKER calls for a circle and immediately ices the Hares. The GM asked for the circle's opinion of the run. CRACK MY COCCYX replied "*spectacular!*" With all in agreement, it was noted that some of the *runners of another unmentionable Hash solved a check from a run ten days prior.* I believe someone exclaimed, "*Holy S\*H\*I\*T!*"

SIR FREE WILLY called in for the Raffle proceedings. With what's on the table, clearly SFW is running a profitable business here, not a charity. ABSOLUTLY NO FUCKING IDEA gets the lucky draw and the rice cooker. PISSED AS A RAT takes the non-descript white liquor. IRREGULAR PERIOD chooses the white wine,

A-Site Mis-Directions:

Fom Soi Thep Prasit travel South on Sukhumvit for 1.6 km to Soi Paradise Villa and turn left. Continue 5.1 km to the T-junction (HHH) at the end near the two Wats. Turn right and follow this road 1.6 km to Soi Joe Otter (Soi 29 - HHH) and turn left. After about 1.3 km you will see a dirt track on your right (HHH). The A-Site is about 200m down this track.

spiked with sugar and fruit juice. WANK-KING'S WANKER pulls the biscuits. The briefs went to a young and upcoming hasher. Unfortunately I can't recall who ended up with the secondhand teddy bear, which presumably, was *retrieved from one of SFW's dumpster dives.*

In a giving mood, WANK-KING'S WANKER kindly donates his lucky biscuits to the *starving girls of the TQ*, which is gladly accepted by RA EMPEROR AIRHEAD and appreciated by the circle as well. The RA proceeds in calling SLACK VAGINA to the ice along with his girlfriend. At her earlier interview with the RA she learned her Hash Name would be selected this evening. In response, she exclaimed, "*Oh, EMPEROR AIRHEAD, please don't give me a name like my boyfriend's!*" The RA, being the good-natured man that he is, asked the lovely lass, "*well then, what should we name you?*" And so, the EMPEROR duly christened SLACK VAGINA's girlfriend FUNNY BUNNY. *Welcome to the Monday PH3 family FUNNY BUNNY.*

Next, RA EMPEROR AIRHEAD calls Hares VIETNAMESE VIOLATOR & TWO TIME to the ice, where it is noted by the RA, they've *been married now for 15 years*, a duration of which is

rarely duplicated in this sometimes notorious city of Pattaya. The **EMPEROR** recalls the days long ago when **VIETNAMESE VIOLATOR** was a wild daredevil of a man, often *admired by the local beauties as he sat back combing his chest hair* when time allowed between entertaining the cheering crowds like a Pattaya-based Evel Knievel.

It's history lessons like these that prompt the feasibility study and development of a *functioning Time Machine*. Until then, our **EMPEROR AIRHEAD**, and *time-travel tour-guide*, offers us glimpses of the past. On the subject of tour-guides, where is that dang **NIGHT RIDER**? The Hares were congratulated for *a great run and their long and successful marriage* then given a note.

The RA then calls **TESTICLES** and **SUGAR DADDY** to take a seat and proceeds to give the circle another history lesson on the iced duo. **TESTICLES**, having a *40-year history of Hashing*, 'round the world, was once the GM of a Viet Nam Hash Kennel. **SUGAR DADDY**, on the other hand, has been *Hashing for 30-years*, based out of Lagos; *he's now organized a Hash in India*. Doing the math, the seated duo have 70-years of Hashing between them. **EMPEROR AIRHEAD** congratulates them on *their contributions to the World Hashing Community* and they're given a note.

The GM retakes the circle and asks **LIBERACE** to bring 2 down-downs into the circle where they toast the PH3 Hash Bookie's 250th Run followed by a note. Next, **SIR REALLY SADISTIC BASTARD** is called into the circle with 2 down-downs for acknowledgment of his 10th Hared Run and is given a note.

**WANK-KING'S WANKER** ices **LIBERACE** and V.V. then buckets **SIR FREE WILLY** to introduce the Mis-Management Committee to the circle in *honor of their contributions to the Monday PH3*. Please see <http://pattayah3.com/home/mis-management-2015/> for the many hats worn by these three. A note is given for the *"Pillars of the Hash"*. The GM also *thanks all the volunteers who contribute to the Monday PH3 as Hares*,

*Scribes, Troubadours*, etc. followed by a note.

Next **SIR KIDNEY WIPER** in for a song, *"Sex is Boring"* where the circle is separated into three groups to sing in a staggered 3-part harmony similar to *"Row, Row, Row, your Boat"* followed by a laugh and a note.

**REALLY SADISTIC BASTARD** is again iced along with **SPAGHETTI HEAD** for withholding information in reference to *a drunken night at Oscars*. I missed the story line, however it may have been due to the withholding of information. **RSB** did divulge that all of **WANK-KING'S WANKER** *ex-wives hate his craggy-ass*. And with that, a note is given.

**LONE WOLF** takes the circle for a bit of fun, and puts **TESTICLES** and **SUGAR DADDY** on the ice where he proceeds to tell a joke regarding the *upside of paying a little more for medical insurance* by comparing the regular and premium policy treatments side-by-side for the *relief of an overactive prostrate gland and the resulting overabundance of semen*. Lesson learned: **Pay the higher premium**.

GM calls on the Hares to sing us a song and **SIR FREE WILLY** fills in with Snotland: *"I'm a Wanker"*.

**WANK-KING'S WANKER** calls for six volunteers to grab the remaining down downs and lead the circle in the Hash Hymn. *Contrary to the earlier announcement regarding on-on bar, Jameson's has already laid out a buffet for PH3 Monday Hash*. Off we go then....

**\*\*Please note: One beer open and one unopened for the ride back. The empty in the bin doesn't count!**
