“Go forth and multiply” was WANK-KING’S WANKER’s edict.....and most, but not all of the faithful serfs responded as ordered, *nearly doubling the previous week’s ‘intimate’ total of 38 hashers.*

A notable exception was JELLO-BUTT, who dared not show his face at the PH3 this week, after every person he’d approached about coming to the hash had turned him down. What is it about JELLO-BUTT *that makes girls want to say no?* Rumor has it that JB is somewhat numerically challenged, and can barley add and subtract, but not multiply.

BIMBO shwed up at the Buffalo Bar resembling a traveling medicine man with a suitcase full of snake oil. The baht bus journey to the start *lacked the excitement of the driver going on strike mid-journey* as he had done but a few weeks earlier.

The highlight of the bus ride, and the rest of the day for that matter, was not MENTAL DISORDER, or the bus driver, but *some rosy clad lassies from the Pearl of the Orient Seas.* With smiles that could disarm a storm trooper, and personalities to match, we knew right then and there, that *whatever would happen that day would turn out just great.*

On arriving at the run sight the lead Hare, HONEY BEAR was no where to be found. She must have been putting the *Philippine spices on the evening’s feast,* so we were all releaved when she finally showed up and blessed us with her magnanimous presence.

A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 2.4 km (HHH) and turn right into a track to the A-Site.

The walkers and runners started off at 5:30 sharp, more or less, *and wasted no time in losing the trail.* Hounds spread out in search of paper, but none was to be found for quite some time; *such a clever hare utilizing this tactic to keep the pack together.* The clueless hounds walked around aimlessly before some spotted some shready that appeared to be heading home, even though we’d only covered slightly less than 3 km. *When A-site came into view that was enough for 80% of the pack* to head for the barn for some cold beer, great food and some butt chilling entertainment, as is the custom with the Pattaya H3.

Several hard-core hashers, including KARAMBA actually carried on until they found paper and *clocked some 10.5 km on their official Garmin HHH Trail Tracking devices.*

Hash Name Events - 1

I LEAN OVER was renamed RED LIPS

EMPEROR AIRHEAD voiced his approval with his sage-like words...*“These girls have done a great job tonight”*, which brought a proud smile to the *beautify bevy of Filipinas*.

TEENY WEENY was iced *for eating all the pies, and for outweighing all 6 Filippina hares put together*. This icon of the **Pattaya HHH** scene has been around since the stone age, running the **PH3 #95** when he was a mere child in diapers. The circle of life continues as **TEENY WEENY** is *about to return to the diaper stage again in his endless ourney to that great HHH Trail in the Sky*.

The crafty few who carried on to the **Boomerang Guest House**, were treated to a *Surf & Turf feast of filet mignon and east coast lobster, washed down with seveal bottles of vintage Don Periognon* that the host was hiding in his wine cellar for this occasion.

And what would Filipina Night at the hash be without our favorite songbirds, the **HONEY BEAR SEXTET** singing *“Besa Me Mucho”* and other classics? That was a tough hard act to follow when **LORD NELSON** and **SUGAR DADDY** were called forward to finish the night with the **Hash Hymn**.

WARNING: Metal detectors will sound an alarm if any PH3 hasher attempts to board the baht bus home with more than one open and one unopened can of orange soda.

The next **PH3 Phillipines Independence Day Run** will *have to reach for the stars to top this one*. Rumor has it that **Manny Pacquiao** may fly in to take on **WANK-KING'S WANKER** in the circle.

On-On ! Bimbo
