48 Hashers this week!

Hares: Mrs Head

Scribe by: *Absolutely No Fucking Idea*

It was a long trip south for all of the Hashing crew today to meet up at **Soi Spag** some way off of the 332. With the beer truck parked outside **SPAG**'s pad, sign ups were taken and a quick chat before the **GM** called the circle.

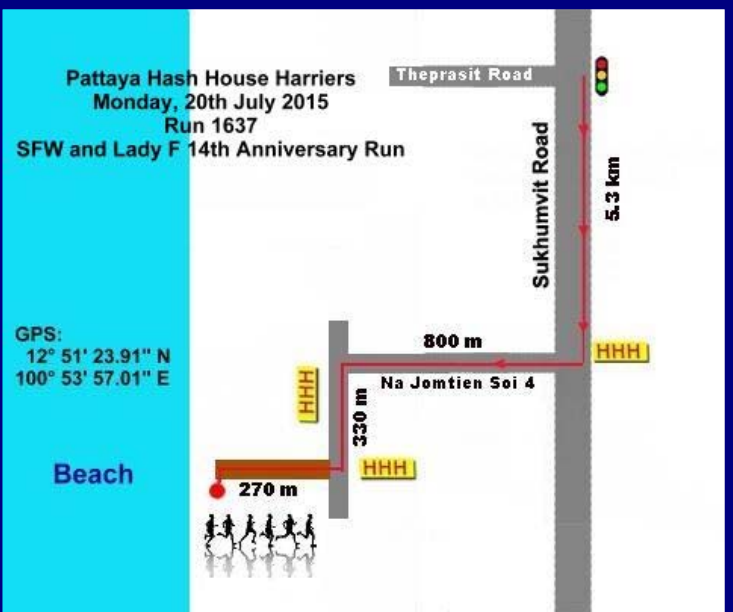

Today lone hare **MRS HEAD** told us about *the run with no FT's* and off we went, across fields, along tracks and across some more fields.

Back at the **A Site** we all sat around drinking beers and telling tales until the second circle was called by **WANK-KING'S WANKER** for the rest of the day's proceedings. First to be iced was **BALL RINGER** and **NECROPHILIA NIGHT RIDER** for being late to the circle and making the **GM** wait.

The lone hare **MRS HEAD** was iced and the **GM** took a first survey about today's run *as he did his usual Beer Hunter's trail today*, with **WILD WOLF** declaring the run *great apart from all the flat bits and a general feeling of another fine trail set*.

The **Raffle** was called and winners included **LIBERACE**, **ANAL BREADFRUIT**, **JIM BEAM**, **LINEAR ACCELERATOR** and **WEE MOANING WEASEL** bagging himself a perfect *low level drinks table for when he is passed out on the floor*.

Next **EMPEROR AIRHEAD** takes the circle to ice **SIR SPAGHETTI HEAD** on his birthday with tales of *his early days of hashing back in 1897 when the Beer Truck was still horse drawn* and, presented **SIR SPAG** with a *3 foot high award for services to the PH3*.

**A-Site Mis-Directions:**  
From Soi Thep Prasit proceed South on Sukhumvit Road for 5.3 km to Soi Na Jomtien 4. Turn right (HHH) and continue 800m to the T-junction at the end. Turn left (HHH) and drive about 300m to a dirt track on your right (HHH). Take this track 250m to the beach and the A-Site.

*A birthday cake which had only 1 candle* due to the tight budget was presented to the birthday boy, the fire risk was considered to be too great in such a build up area if the correct amount of candles were lit anyway.

**MRS HEAD** was iced for again as **Hare** for her many years hashing dating back to **Run 769 in 1998** including **663 Runs** and **23 Hares**. *She is the senior female hasher* with most runs and the **9th highest run total overall**.

Anniversaries for today were **100 Runs** in 19 years for **SCOOBY DOO**.

**SHEIK MEME** took the circle to ice **ANAL BREADFRUIT** along with **MRS HEAD** blaming

SCOOBIE DOO was congratulated on completing her 100th Run

her as he ended up on a *false false trail* and only got back to the **A-Site** by jumping over garden walls, with **SEAL SUCKER** thrown in the bucket for good measure.

**SIR FREE WILLY** was iced for nearly killing **SIR SPAGHETTI HEAD** in the past and, **DIZZY** ended up on the ice because he only turned up due to the run being so close to his home.

Next the circle was handed over to a visiting **GM** from **Subic Bay WILD WOLF** who put **DEL BOY** in the bucket for *buying new shoes and then dirtying them up to avoid a free down down*, this crime was dealt with by a *beer from each shoe* which **DEL BOY** decided to wear over his head instead of drink.

**SIR FREE WILLY** was again put on ice as an **EMPEROR AIRHEAD** lookie likey for a rule 6 offense that was never denied.

Next came a load of icing for *various crimes against hashing* that included **ANAL BREADFRUIT**, **SHEIK MEME**, **LINEAR ACCELERATOR**, **CRIMSON PENIS** and **WANK-KING'S WANKER**, then **LADY SNAKE** and **RABBIT SHOOTER**.
