Hares: Sir Free Willy and Lady Flipper

Scribe by: *Mental Disorder*

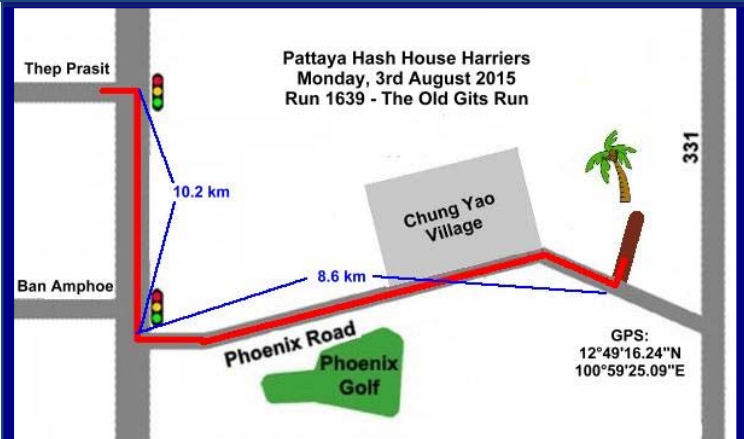

We all turned up at **Aussie A-site** expecting another great day and as we expected the **Australians** did not let us down. It was a great day which started with all of us heading out on the run and for me *I enjoyed the walk with lots of shades and very scenic*, as a walker I caught up to the front runners a few times as the Hares had set some very challenging and difficult checks. *All and all a very enjoyable run.*

We arrived back at the **A-site** to the smell of barbecued sausages that **VV** was cooking to perfection. *They tasted as good as a smelled and of course I went back for seconds.* **CAPTAIN KANGAROO** also entertain the circle with some history lessons on **Burke and Wills** and there great trek through central **Australia** from bottom to the top, and also the tragedy that struck those two famous explorers, very interesting.

**SIR FREE WILLY** commenced the raffle draw which had some great prizes all donated by the Australian hares, the winners were **WANK-KING'S WANKER**, **RUBBER DICK**, **MISUSE ME**, **GANGREEN**, **SCOOBY DOO**, **PRINCE OF SPIN**, and one **VIRGIN**.

**EMPEROR AIRHEAD** iced the **Hares** and thanked them for a great day, great food and also for doing **The Aussie Run** for sixteen consecutive years. The **BEER HUNTERS** were then iced and they told us of their horrifying experience when *they found a shop and all the beer was frozen*, better luck next time boys.

**GANGREEN** and his nephew were iced and his nephew explained how his favourite uncle (**GANGREEN**) had been leading him astray by

A-Site Mis-Directions:

From Soi Thep Prasit, proceed South on Sukhumvit Road for 10.2 km and turn left into Phoenix Country Club Road. Follow for 8.6 km past the village, down the hill and back up the next. Just before the Garbage Dump turn left into a dirt track (HHH). Follow the track a short distance to the A-site.

*introducing him to beer and debauchery, he will be back many times.*

Awards: **HULK** was congratulated for his **10th Hared Run**,

**CAPTAIN KANGAROO** then proceeded to start the auction, it was a *proof minted one dollar coin and stamp celebrating the legend of Burke and Wills*. The bidding was fierce and in the end it was a showdown between **G.I JOE** and **SUZY WONG**, **SUZY WONG** came up as a winner with a great bid of six thousand five hundred baht. *The money from the auction goes to Jester;s Care for Kids every year.*

**WANK-KING'S WANKER** iced the two visiting English hashers for wearing hats in the circle, but **WANK-KING'S WANKER** being a considerate and motherly person noticed that *their hats were dirty and washed them in the bucket for them*, which they both appreciated very much.

**Hares Song**

*It's lonesome away, from your kindred and all  
By the campfire at night, where the wild dingoes call  
But there's nothing so lonesome, so morbid or drear  
Than to stand in a bar, of a pub with no beer*

*Now the publicans anxious, for the quota to come  
There's a faraway look, on the face of the bum  
The maids gone all cranky, and the cooks acting queer  
What a terrible place, is a pub with no beer*

*Then the stockman rides up, with his dry dusty throat  
He breasts up to the bar, pulls a wad from his coat  
But the smile on his face, quickly turns to a sneer  
When the barman said sadly, the pubs got no beer*

*There's a dog on the v'randah, for his master he waits  
But the boss is inside, drinking wine with his mates  
He hurries for cover, and cringes with fear  
Its no place for a dog, round a pub with no beer*

*Old Billy the blacksmith, first time in his life  
Has gone home cold sober, to his darling wife  
He walks in the kitchen, she says your early my dear  
But he breaks down and tells her, the pubs got no beer*
