Hares: ANFI and Wank-King's Wanker

Scribe by: *Piss Poorer*

Welcome to Run #1640. It was a relatively short bus ride from the pick up site on Third Road to the A-Site heading out Phoenix Golf Club way. When we arrived at the A-Site *it highly resembled a field that had been ploughed up the day before.* Amongst the ploughed up soil in the distance there was the beer truck which was nestled on the only bit of square grass in site. This latter would result in the *Hash having a square instead of a circle which to my surprise didn't confuse anyone on the day.*

Once all the sign ups were completed and the usual greetings had taken place **LOAN WOLF** (sic) called the circle, there were no new shoes or virgins today so he introduced the Hares. **WANK-KING'S WANKER** and **ABSOLUTELY NO FUCKING IDEA**, which then gave us the relative information and sent us on our way.

It wasn't long before we were running past a herd of cattle which had been enclosed. *Not until a Bull kicked down the wooden fence and decided to charge at LOAN WOLF and myself.* Thankfully a farmer was quick at hand a pulled back the bull long enough for us to pass. That was the end of the cattle but many other primary resources still ahead on the trail. This included coconut trees, bananas, pineapples, tapioca, latex (not condoms), and charcoal.

On the in trail **SQUEEZE MY TUBE**, **NO KNICKERS** and a few other *girls were caught shopping on the natural foliage.* When I asked them what they were gathering thinking I was going to learn something new I was informed vegetables. *It looked like no vegetable I had seen before.*

With the run completed, beer in hand and standing on the door mat of grass that was available it seems everyone enjoyed the run. **REAR GUNNER** informed me it was 3.75km. The Hares provided some extra refreshments in the way of *vodka, gin and whisky along with watermelon.* Very kind I thought until **ZEAL ZUCKER** pointed out *they were only 700ml bottles not 1 litre. Cheap bastards he said.*

30 minutes after the last walker makes it in **SHIEK MEME** rides into the A-Site. He was all smiles and waving to everyone. *All that was missing was his long curls waving in the wind.* **LIBERACE** and **BALL RINGER** had *already packed up their table for two so did they get his sign up fee? Stay tuned.*

There were many hashers meddling around the beer truck and in around the site. **VIVI** the **Brew Master** with his brother **ZENERGY** and **KARAMBA** with his daughter **Khawndee**, both who I met for the first time, what a moment.

LOAN WOLF calls the circle and ices the Hares with **NECROPHILIA**

A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 3.0 km and turn left (HHH). Continue down this road for 2.6 km and turn right (HHH) onto a track to the A-Site.

NIGHT RIDER, **GI JOE** joins **LOAN WOLF** giving the Hares a double down down and then sends them on their way. Front runners **KARAMBA**, **ZENERGY** with **WANK-KING'S WANKER** take a seat. It was agreed that it was a *good run with minimal checks that could have been laid with one piece of paper.*

MENTAL DISORDER steps in and takes control of the Raffle. **REAR GUNNER** who had been away for a few weeks comments on how well **FREE WILLY** is doing with his diet?

WANK-KING'S WANKER takes a seat for muddling up his ticket numbers then *placed in the bucket for confirming he was disincsick.* There were several Raffle Winners none that will be named that picked a prize and had a down down.

SHIEK MEME takes the circle and comments on how good the Raffle was this week. Take a seat **MENTAL DISORDER**. **DEL BOY** then joins him for being a *"horrible yellow piece of snot."*

VIVI was the next to join them because in his past *he was a lawyer in The Hague for human rights* and now it's his fault all those *Arabs/Muslims are flooding to Europe but he is in Thailand.*

SPAGHETTI HEAD was noticed to be AWOL from his chair so **DOG**

LICKS ITS DICK pays the price and takes the bucket. SPAGHETTI HEAD appears a short time latter with a smile on his face. SHEIK MEME then thanks the two *for a great circle and run last week.*

It was revealed that SAUCE FOR THE GOOSE, Beer Police for the day was *performing cavity checks on suspect beer pilfering.* Going beyond the call of her duty. *Please do note that SPAGHETTI HEAD was getting drinks for everyone all night.*

KARAMBA was the next to grace us with his presence on the ice. We all know how he is the multi task expert but he has gone to a whole new level now. SHEIK MEME explains how every day KARAMBA operates his *breastfeeding milk extractor whilst growing mango trees and still squeezing in a coffee enema every morning* plus making it to the Hash! That's time management for you.

BOB SNOT HERE joins them on the ice for talking. Give them all a note and a down down. Hares take a seat. It is noted that the Hare's birthdays were on either side of the run date. They also revealed that the GPS they planned to use failed thus it was a short run. *Well short for some but perfect for most.*

SHEIK MEME then ices LIBERACE for being the new major sponsor of the Hash and where would the Hash be without him today. Sounds like SAUCE FOR THE GOOSE *wasn't the only one performing cavity checks. Personally I would have payed the sign up fee.*

BEVERLY HILLS PINK COCK and AXEL GREASE take a seat. *It is announced that they have both got married* and commiserations and congratulations were in order all round. *Married to each other that is.*

WANK-KING'S WANKER takes back the circle and presents SPAGHETTI HEAD with his 800th Run T-shirt. It goes well with the *800 beer bars, 800 beers and 800 wrinkles that go along with it.*

BEVERLY HILL PINK COCK takes the circle and rightly so ices SHEIK MEME. *Who does he think it is. Comes in late on a motor bike, and*

then takes the circle. Little did we know until this moment that SHEIK MEME has set up a muslim terrorist cell in Thailand. *Zee, on the Hash we have wayz of making zoo talk.*

Front Runners iced again. ZEAL ZUCKER, REAR GUNNER, GI JOE and GANGREEN. DOG LICKS ITS DICK thinks *one of them was a smoking sinner. Which one?* Front Runners off the ice.

Female runners on the ice. If only you could have seen BEVERLY HILLS PINK COCK with all the girls at his feet on the ice. *It was like watching a fox in a chicken coup* as all the girls huddled together for protection. They're all right, all right, off the ice.

Before we new it, it was that time of the night and it was time to go home. A special thanks to VIVI for bringing along the home made rolls and BAHT BUS GESTAPO for taking the best ever photo of me.

A hand few of us went back to the **On on bar at Jameson's** for a drink. *Kim the food was great and thanks for you hospitality.*

It was noted that the *two Hares and myself were found in some beer bar a the back of The Avenue after 2.30am* still living the dream in high spirits.

On-On ! Piss Poorer
