Hares: Arse-Holeo and Kiss Me Down Under

Scribe by: Sheik Meme

ARSE-HOLEO and KISS ME DOWN UNDER our international guest hares eight kilometers out along Phoenix and off to the left. *Some good running country and plenty of room to get em lost.* And that is just what happened to TEENY WEENY, who incidentally could not be iced or bucketed due to a recent rectum realignment operation. And why? Because he was saying stupid shit when KARAMBA was explaining the benefits of shoving coffee enemas up your arse, and he has paid the ultimate sacrifice. For getting lost, Nevile won that round in the longstanding battle of the bogans!

Missing in the A-Site at the start of the run was our long-suffering Grand Master in WANK-KING'S WANKER and his duties were carried out by GI JOE who took the helm like Marlin Brando in that film that I have never seen!

The Run itself was a lazy 4.2 K's, and as you would expect that *the guilt driven fat bastards that set out to complete the run were very pleased with themselves having completed the entire run.*

Around the beer truck was very sociable when your scribe arrived on a benzine propelled chariot *way before the beer hunters and way after the front runners*, get that! You could tell that things were happening when we see the likes of SUPERVIRGIN, PISS POORER, FINI and KATOY MAGNET staring over to the GENERAL KIDNEY WIPER faction and see him in deep jovial dialog with TOMMY TWO LIPS and FLAKEY with LONE WOLF hovering just outside the inner circle awaiting the opportunity to pass on the intel of *another hilarious story that will propel him to the upper echelons of the Mr. Funnies.*

So at 1136 hours GMT (1836 local) on 24 August 2015, the real Grand Master WANK-KING'S WANKER gets the circle underway and what happens next is so predictable that the Germans would have lost the war years before had the allied forces been fully aware like we are at, at the PH3!..... "Hares On In" and so it begins. *If the Germans were not so on time, the Poms would never have discovered the VOR (VHF Omni-Directional Radio Range)* and the airline industry would be in a shambles with planes getting lost all over the world just like TEENY WEENY today.

That fkn GM, he has never missed his commitment to be the chaperone for the visitors and locals alike at the Baht Bus, and regularly arrives at 1500 hours and motivates the troops into paying zero attention to any propaganda that FREE WILLY tries to peddle, which is purely designed to unhorse the weak and to feed the really sadistic (sorry Jimmy) devil that

A-Site Mis-Directions:

From Soi Thep Prasit travel South on Sukhumvit for 1.6 km to Soi Paradise Villa and turn left. Continue 5.1 km to the T-junction (HHH) at the end near the two Wats. Turn right and follow this road 1.6 km to Soi Joe Otter (Soi 29 - HHH) and turn left. After about 1.3 km you will see a dirt track on your right (HHH). The A-Site will be found about 200m down this track

dwells deep within the FREE WILLY fabric!

Nonetheless, on this occasion, when telephoned from the circle, *the GM was shocked to find out that it was actually Monday! .....(and August and 2015 for that matter).* Without any concern for his own safety he took on the Shukhimvit on his scooter to prevent FREE WILLY from destroying his dream of a united happy PH3.

The Grand Master's cave is so covered in PH3 stuff! *I visited the PH3 cave where the Grand Master lives just last week.* As with Thai custom I went to remove my shoes upon entering and was apprehended by the GM who said *"leave your shoes on!"*. I inquired as to why and he said, *"I don't want you to get your feet dirty"*. This place is insane, database calculations everywhere, computer stations humming and PH3 shit everywhere!

He has artist renditions of NO MORE CUM on the wall running through shiggy (my favorite) and even one in a German battle uniform, *another of NMC flying with the Red Baron.* LONE WOLF on stage to a crowd of hundreds of thousands with his pecks, that only an artist impression could emulate, with the masses laughing at LW's brilliant humor. **This place is a must see!**

One artist impression with SCAR W/2T'S *as a young man surrounded by these hot woman, go figure!* The GM? One painting

19 SUGAR DADDY – Eket Hash, Nigeria  
5 GORILLA – Pattaya Full Moon H3, Thailand  
1 MANGO MUNCHER – Subic Bay Hash, Philippines

FOWL FUCKER was presented his 400th Run T-Shirt.

that the GM has commissioned, is of **LIBERACE** *on a ski jump, fully airborne, with a cigarette hanging out his lips, having an epileptic fit!.....* I roomed with a guy in college that had epileptic fits, I loved it, whenever he had one in the bath, I would throw my dirty washing in.

Predictable..... that's right, the **Raffle**. Was so unpredictable when that **MENTAL DISORDER** guy done it, that it was really enjoyable. Nonetheless, the highlights of this session was **FLAKEY** on ice for the wrong number. **LOST CAUSE** for a similar offense and **ZENERGY** for being **VV's** brother.

**SHEIK MEME** *takes the circle and pisses everybody off!*

The big Ha Raa was **FOWL FUCKER** coming in to *collect his 400 run shirt, what a guy!* And how about this guy, **GENERAL KIDNEY WIPER** *with 700 runs!* This guy has his own fan club that follow him around! *Congratulations Billy!*

**FINI** takes the circle and deals with all the returners where there were so many! Done a great job in unique **FINI** style icing **LONE WOLF** because *"I can and never get the chance"*. **TOMMY TWO LIPS** was iced because **FINI** could and **CABBAGE PATCH** was in the bucket as that was the avenue of least resistance for **FINI's** evil plan of one day being like **EMPEROR AIRHEAD** in Brussels or Chang Mai. *The rest of the returners are listed somewhere, I never read that sht.*

**VV** and **ZENERGY** are off to the UN, where we have **MENTAL DISORDER** and **DEL BOY** taking over the Beer Truck and possibly baguettes until **VV's** return.

**PISS POORER** takes the circle and punishes **CRAPPER**, **GANGREEN**, **DEL BOY** and **BIGGUS DICKUS**. The crime entailed some details to do with **NO KNICKERS**, **PISS POORER's** bride, *who incidentally is with child*. Now, **KARAMBA** *who has recently had a child that looks nothing like him*, passed on *a gift of breast milk and coffee with a*

*bag and a hose*, or an extractor for something..... anyway, it was to do with breast milk. These horrible Juvenal sinners had filled **NO KNICKERS** baby bag with empty beer cans to the point that **PISS POORER's** life *was made miserable and he understandably wanted revenge*.

**PISS POORER's** wonderful story about to first registered Siamese twins, played by **LINEAR ACCELERATOR** and **LONE WOLF** that come out of a village north of **BKK** and ended up in the **USA** where the were in the circus (side show Joe), however *they went on to have 21 children!* We established that **LINEAR ACCELERATOR** was masturbating when he was bouncing (still connected for the Scandi's) while **GI JOE** was sexing his American nightmare!.... Google it!

The rest my friends is history.
