Hares: Del Boy and Sir Free Willy

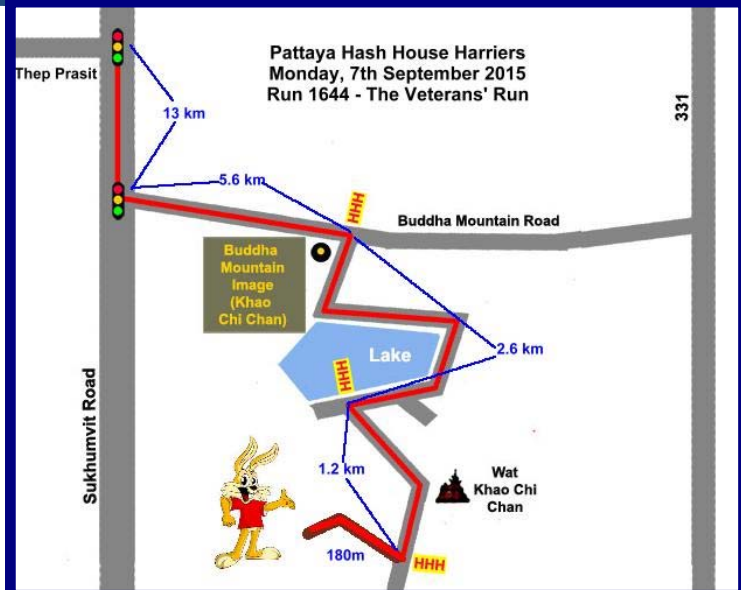

Scribe by: Sauce for the Goose

A good crowd gathered at the Buffalo Bar and as word had got out the night before that **DEL BOY** was now the hare and not **FREE WILLY**, three baht buses were needed to transport the enthusiastic participants to the **A-Site**. Unfortunately the last two buses overshot the turn-off and got lost. **WANK-KING'S WANKER** had to pull the **Hash Sheet** out of his bag to check where we were meant to be and our fate was in **ANFI**'s hands as he was put in the front with his GPS.

All this meant the run was off to a late start. Fortunately there were no new shoes or virgins so **DEL BOY** hurriedly explained the checks were marked in black and it was a long run so we'd better get going. He wasn't kidding – 13.5km according to **RUNNING BEAR**. Luckily I decided I had done enough running the day before and decided to stick with **MRS HEAD**. Wise move. First we came across a false trail and another check marked in black that was hard to see and then took a left turn through some tapioca fields and past a lake then back on the road. Got back after 40 minutes and hardly anyone there. Even the **Beer Hunters** weren't to be seen and when they turned up there wasn't a **Front Runner** in sight. They managed to get in two large beers instead of their usual one. 6.15pm and still the first runners weren't back. Word was out that everyone was lost and a decision was made to open the bar.

Finally, at 6.30 the first runners, including **SEAL SUCKER** and **RUNNING BEAR**, arrived back. *"What happened, were you lost?" "No, just a long f...g run"*

WANK-KING'S WANKER finally got the circle underway, not before **SIR SPAGHETTI HEAD** had

A-Site Mis-Directions:

From Soi Thep Prasit drive South on Sukhumvit for 13 km to Buddha Mtn Road. Turn left and continue for 5.6 km to the Silver Lake turnoff (HHH). This is the first road after the Big Buddha image. Turn right and follow the road left around the lake for 2.6 km. Take a left hand turning (HHH) and drive another 1.2 km to a dirt track (HHH). The A-Site will be found 180m down the track.

arranged the ice to his satisfaction. Hares were put on the ice- **DEL BOY** and **FREE WILLY** joined him. The consensus was the run was too long.

FREE WILLY took the circle to do his usual job with the **Raffle** and there were ten winners with **ODD JOB** taking the helicopter.

SHEIK MEME, funny as a flea in a fit as usual, took the circle and the visitor from Okinawa, **FINGER ME MR FRODO**, gave him an introduction song. **SHEIK MEME** promptly puts the two American visitors on the ice and jokes that they have a president who has a camel as a pet. As he was leaving the ice, **FINGER ME MR FRODO** whacked his bum in front of the Filipinas so was put in the bucket.

LIBERACE - 31 Aug

Hares were back on the ice as as it was **LADY FLIPPER**'s birthday **SHEIK MEME** thought about buying her a present but didn't know what to get a lady who has nothing. Someone suggested a new husband. It was suggested **FREE WILLY** bullied **DEL BOY** into doing a long run and **DEL BOY** could have put the blame on **FREE WILLY** but being the gentleman that he is said the run was long because he had to go round the solar panels and the checks were black because that's the only colour the shop had.

LIBERACE was on ice because it was his birthday. **WANK-KING'S WANKER** was born in the same year and month but who would guess it. Just shows you what a life of debauchery can do to you.

MENTAL DISORDER took the circle and put **TRY-A-FUCK** on the ice. Poor man. The day before he lost his wallet with lots of money in it as he had just returned from the hash in Malacca. He was in a bad mood and thinking some Thai bastard had stolen all his worldly goods when **SAUCE FOR THE GOOSE** turns up at the **Hash** and hands him a beer cooler and says, *"Is this yours? I found it in my pack last night"* Lucky for him she didn't throw it out as she thought it was just a beer cooler. **SIR SPAGHETTI HEAD** tried to insinuate, unsuccessfully, that **TAF** had left it at **SAUCE**'s place the night before. Moral of the story, check whose bag it is especially if you've got one of

the 3000 from the **Pan Asia Hash Run**.

WW takes the circle again and puts the leavers on the ice, **ARSE-HOLEO**, **MR POTATO HEAD** and **GASMAN** with the **Filipinas** on their laps. The **Hammersley Wankers** led us in their **Hash Song** and then in the **Hash Hymn** to end a good evening.

Some of us adjourned back to the **Boomerang Bar** for more beers and fun.
