Hares: VV, Rudi Voeller, and I Can't Read My Writing

I arrived back on Friday and Monday couldn't come too quickly for me to catch up with the familiar faces on the **PH3**. With the kudos of being **GM** comes the responsibility to get things right and make sure people have a good time and go home feeling happy.

Despite rumours of minor unrest at times, everything seems pretty much as I left it. The buses are there at the **Buffalo Bar** even before me and I am early; my trusty **RA SCAR W/2TS** is there raring to get back into the swing of things and **WANK-KING'S WANKER** assures me that the handing over will be a smooth one.

At the A-site, I am glad to see old hands like **SIR SPAGHETTI HEAD** and **GENERAL KIDNEY WIPER**, who were there back in 1998 when I first started hashing. **VV**, back from scary times in Belgium, is haring and we have a special run. *What more could you ask for?*

I know the **EMPEROR** is about somewhere – I might not see him, but I can hear his unmistakable voice in the background. Even **SIR FROG** has honoured us with his presence. He is one of my favourite ex-GMs, doing the job for about 3 years and mastering not only the English language, but also getting the English humour off to a fine art.

It's the **Oktoberfest Run** and **VV**, joined by **RUDI VOELLER** and **I CAN'T READ MY WRITING** to present this year's Bavarian extravaganza. We are promised special food from Europe and 3 kegs of a mysterious dark beer from the land of **San Miguel**, pulled by charming promo dolly birds. It just gets better. The place is decked out in traditional Bavarian

### A-Site Mis-Directions:

Drive South from Soi Thep Prasit for 3.1 km to the traffic lights and turn left into Soi Chaiyapreuk 2. Continue for 3.6 km to the junction (HHH) and turn left. Follow this road for 1.7 km to Soi Chak Nok 19 (HHH). Turn left and drive 800m dog-legging left to the A-Site.

blue/white bunting; the hares have ridiculous themed hats and Bavarian police headgear is waiting for the beer police.

The run is typical **VV**, with varying types of terrain and plenty of water, just to remind me that I've missed some awfully rainy days recently. I come in just behind **SCAR**, **RUNNING BARE** and of course **KARAMBA**, who is combining extra hormones with the lifestyle of a farmer these days and is unstoppable. It's been an interesting run, punctuated by a swarm of bees, **RUNNING BARE** mistaking an R for an FT and **DEL BOY** landing on his arse.

The hares are busy preparing the food and everything seems in order, yet, alas the eagerly-awaited beer is not here yet and the anxiety is starting to show on **VV**'s face. Eventually, with the arrival of the beer and birds, we are able to enjoy the sliced meat,

cheeses, pickles, crackers and bread. The second circle is late, but who cares – the hashers seem content with what is on offer.

The notable part of **SIR FREE WILLY**'s Raffle is the keg of Warsteiner, which is won by **Yves**, **STUPID KRAUT KUNT**'s dubious virgin. This is much to the disgust of the **EMPEROR**, who understandably thinks it might find a better home with someone not returning to Europe so soon.

I make a point of icing my Mismangement, who had so ably kept things going in my absence, with special mention being made of **LIBERACE**'s John Lennon tribute. **VV** tastes the bucket for failing to put his request for leave in writing. Germans are sat on ice, while the circle is made aware of the subtle variations in culture between say Berlin and Bavaria and the fact that since 1871 we are united. **JACKAL** and **SIMONE EBOLA** slide casually from ice to bucket on account of rumour-mongering and snitching respectively.

**SCAR** takes the circle and decides that I have been over-dong the selfies on Facebook and that my dress sense has deserted me. He also brings in **Christina** and **Erik**, virgin hashers from **Bergen**, on account of the former not wearing a hash shirt. Following the Hares Song, provided by a choir of **Germans**, he is

joined by **HONEY BEAR** to polish off the final beers.

My thanks go out to everyone who came along, especially the Mismangement and the hares, who put in so much work to make it a special day. Thanks also to the **TQ**, who provided yet more food to keep us going, along with tuition on painting bright colours onto naked flesh.

*Don't forget that next week is Halloween – so come and be scary.* Obviously some of you will have to try harder than others.
