68 Hashers this week!  
Hares: VV and Tampax  
Scribe by: Kee Mah

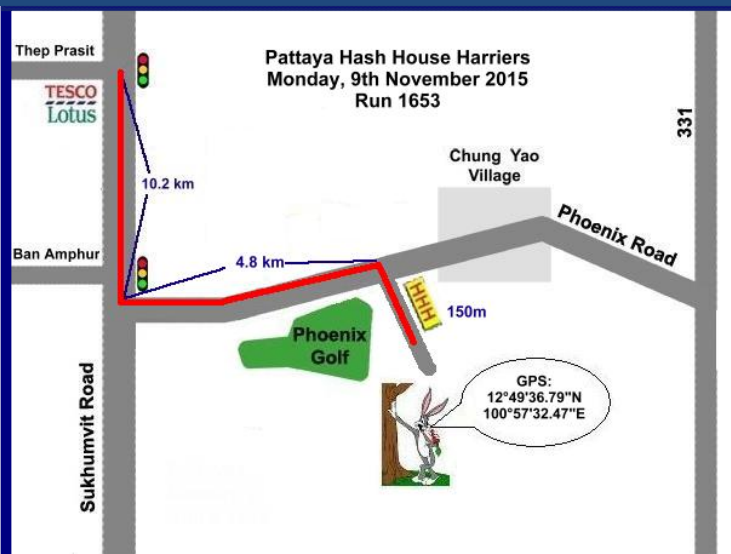

*Finally a run with no rain.* The A-Site, in the **Mapuchan Reservoir** had never been used before as was pointed out by **EMPEROR AIRHEAD**, the reason being that it is supposed to be a meter deep in water to be supplied to Pattaya city but not this year I guess.

Hares **TAMPAX** and **VV** together for the first time since the dueling e-mails feud concerning some other Hash, laid out a fine run, lots of scenery surprising since we were so close to town, lots of water and herds of Brahmas that **CRAPPER** had huge fun tormenting into stampeding.

Only question I had was why did we go through so many newly planted tapioca fields. One hour for runners and an extra half hour for walkers with nobody lost in the jungle this time, always a good thing. Last runners in were **GOLDEN RIVET** and **SHIT ON MY SHIRT** who arrived in the dark using GPS, otherwise who knows when they would have been found?.

Same run but in reverse of the *2012 St. Patrick's Day Run* put on by **KEE MAH** and his fellow Irishman **FINI THE FAGGOT** who then moved to Chiang Mai, a place so boring that I know he will be reading this report for his weekly excitement.

A hot and humid run with everyone sweating gallons except for the usual beer hunters, pot smokers, injury fakers and **TESTICLES** who only got his shirt wet from spilling his beer down the front. **POCKET SOCKET** was devastated that her almost new pink shoes got muddy and spent the whole circle time thinking about it in the dark.

### A-Site Mis-Directions:

Drive South from Soi Thep Prasit for 10.2 km to Phoenix Country Club Road and turn left. Continue 4.8 km and turn right into the first road past the Chinese Cemetary (HHH). Follow this road for about 150 m to the top of the hill and turn left down a dirt track (HHH). After a short way along you will see the A-Site.

**Gene** from **Bangkok Hash** was iced for saying that they no longer have ice because it's considered barbaric by those enlightened ones. **LINEAR ACCELERATOR** iced for arranging a sex change for his wife of only a few months. (Seems like he has the same effect on women as **DYKE CONVERTER** in Chiang Mai and **INDUCES MENSTRUATION** in Angeles.)

All the English guys iced for interrupting **AIRHEAD's** circle with boring history of their country. **MENTAL DISORDER** and **MENSTRUAL DISORDER** iced for having such a boring year hashing in every f..ing country in **Africa, Sri Lanka, Pakistan** and **Bangladesh**, oh and there were rumours they even had time to fit in a climb up **Mt Everest**.

SUGAR DADDY

**Anniversaries - 2**

LINEAR ACCELERATOR was awarded his 100th Run T-Shirt.  
SPERM POLLUTER was congratulated on completing his 50th Run.

**Kiwis and Aussies** all iced for something about Rugby that nobody gives a shit about except them. Apparently **New Zealand** won the match but the **Aussies** retorted that they had won Synchronized Swimming.

Congrats to **SPERM POLLUTER**, 50 runs, **LINEAR ACCELERATOR** with 100 runs and **PELER** with 300 runs. A bittersweet anniversary for **LINEAR** who paid an extra 40 baht to have his name engraved on his 100 Run shirt, only to have his name changed 10 minutes later to **JUSTIN BEIBER** by that very animated **RA SHEIK MEME**. Who knows where that is going? **BARNACLE BOLLOX** iced for forgetting why he iced people and for singing Yorkshire songs.

Hares song was a live very professional rendition of “*Wish You Were Here*” with **TAMPAX** and **LINEAR** on guitars and **HONEY BEAR** on drums. **HONEY BEAR** asked **TURD BURGLAR** to do a video with her so he was quite excited (you know what he’s thinking) till he found out it was only of the song.

Wow, can’t wait for next week’s run but we’ll be

without **SUGAR DADDY** and **TURD BURGLAR** who will be leaving to continue their perversions in another country, always one step ahead (nod nod, wink wink). Thanks to **STEPTOE** for the Captain Morgans, we sure needed that.

**On-On ! Kee Mah (do I get my free run now?)**

*Ed.: Yes, you can pick it up at the signup table next Monday.*
