NEVER LET THE TRUTH GET IN WAY OF A GOOD STORY

I know nothing about the run except that I saw 2 people arrive back after being out for about 90 minutes, either they were unfit, got lost or where having sex in the bush, who knows?????

I do know that about 10 of us took off on a Beer Hash Run, and we encountered, 2 hills, lots of water and shiggy, and we achieved this all in 600 meters, there, with a 600 meters return leg. That's a 1.2 km run, and I am sure that is LOOOOOOONG enough for some people. The front of the pack going out was lead by none other than **REALLY SADISTIC BARSTARD**, and on the return leg I actually saw **KIDNEY WIPER** break into a trot, not sure if it was because he wanted a beer or a pee.

Great food was served up by **VV** and **CREW**, and for those that missed out, tough shite.

The circle was called by our Summer Joint **GM NO MORE CUM**, and firstly he called for a minutes silence in respect of the concerning World Wide problem that showed its head in Paris over the weekend. We no longer know who are friends are, **BUT** you could bet your house on it that none of the **B*****S** wore a hash shirt, coz that's not us. *We love life too much.*

Then our hares **VV**, **TWO TIME** and **FINGERLESS** were iced and the run / walk was discussed, but I never heard the outcome coz **GANGREEN** and **REAR GUNNER** where behind me talking about **REAR GUNNER's** up and coming retirement plans.

FREE WILLY then called for the **Raffles** and for a change I was a winner, **YIPPEEEEEEE**.

An announcement was made about **TWIN TUBS** loosing a camera at the **Jungles 333** run on Sunday, but when I remarked that I lost my 100th run singlet last Monday, everybody laughed. Now that singlet must have cost me 1000's of dollars over the years (probably more than **TWIN TUBS** camera) as I must have traveled from **PNG** on at least 80 occasions to complete the 100 runs. Oh well, as they say back in **PNG** wori bilong mi. But if anyone should find my 100th singlet, *I will gladly do time in the bucket for its return.*

A-Site Mis-Directions:

From Soi Thep Prasit, drive 6.0 km South on Sukhumvit Road. At the lights turn left onto Wat Huay Yai Road. Follow for 13.4 km to the T-junction at Hwy 331. Turn right and continue for 4.0 km along the 331 and turn right into the entrance to Asian University. Before reaching the security gate park on either side of the road. A-Site is situated just outside the gates on a small patch of lawn.

HULK then has the circle and ices **AIRHEAD** and talks about the **TQ** franchise. Apparently a couple of ex **PH3** hashers are opening a bar in **Subic Bay** and wanted to call it the **TQ Bar**, but this was not allowed. The new owners **DERELICT** and **HELLBOY** have now christened the bar **TQ Baretto**. Then there was talk about someone starting to spell the Phillipines with the letter **F**????? I was lost after that, I mean to say its like when **TRY-A-FUCK** says Smith, I always ask him does that ends with 1 or 2 **F's**?

Its then **AIRHEAD's** circle and he calls the **Hares** out and talks about **Belguim** being 30% muslim, and ask **VV** does he make his wife wear a veil inside the house? **VV's** answer was *"NO she's not even allowed inside the house."* Well done **VV**, keep them properly tamed.

Then **SUGAR DADDY**, **LINEAR ACCELERATOR**, **NECROPHILIA NIGHT RIDER** and **FINGERLESS** are iced and called the **NASTY GROUP**. We all know **SD** is always accompanied by a good looking and young lady. But apparently

SD was outdone by NNR as NNR's latest conquest is just 16 years old. NO WRONG pleads NNR, she tells me she's 20 years young. Now I ask you, who do we believe? NNR or our beloved and reknowned EMPEROR AIRHEAD?

AIRHEAD closes his circle with a naming and we now have a MISS TROUBLE amongst us, so welcome to Monday's PH3 MT.

WANK-KING'S WANKER is next up with the stats, CROCODILE, TESTICLES and SPERM POLLUTER are all there for their 50th run, so well done guys.

NO MORE CUM has the circle again and calls the Hares in for their song. Tonight we had, LINEAR ACCELERATOR, and TAMPAX on guitar, while HONEY BEAR sings an old Beatles song called "Girl". The song is never going to make number 1 guys, so don't give up your day jobs.

NMC continues and calls out SUGAR DADDY, WANK-KING'S WANKER, REAR GUNNER and SPERM POLLUTER, and tells us a story about SD taking 5 bullets helping to protect some ladies. Then he talks about the others being swingers, now in my day I knew what that meant, but maybe now it has a different meaning.

Then things start to get a bit blurry as I open my 4th can. I remember SCAR saying something like Buk La La La which was Norwegian. SHEIK MEME being iced for not wanting to pay 800

baht to go on Sunday's run, MR CHEAP talking about giving his meat to some young boy. FINGERLESS and DANGEROUS DAVE at the Sensation Bar and DD hiring a Kateoy to be his bodyguard and walking him home. Then apparently DD thought the lady boy had done a great job of looking after his body, he would hire her / him again so that he could look after his / her body. More on that story next week.

Hash was brought to a close with those last sinners singing the Hash Song. Another great Monday night comes to an end for the Scribe whilst others continue ON ON at the TQ.

On-On ! B.B.
