Sawasdee Ka my fellow Hashers and welcome to the most holy run of the PH3 calendar, The Loy Krathong Run. In recent years the mismanagement have neglected our customs while prattling about "*Respecting the Laws of Thailand*" on the website home page.

A couple of sell-by floating krathongs and they seem to think they were going to heaven. Sorry but The Lord Buddha teaches us otherwise.

This year the hareraiser has made a special point of persuading five virgin hares, all of the female persuasion, to "kick-start" the Loy Krathong run.. **LOST CAUSE, POCAHONTAS, LITTLE WHITE DOVE, MASTER CHEF and BLUE SKY** doing the honours.

Of course an **American, RUNNING BARE** (husband and father of 2 of the hares – Editor), has to get involved, probably seeing himself as some sort of post Vietnam 'adviser' but we were assured the run was mainly the Thai girls work.

An often used **A-Site** at the end of a sandy isthmus, with plenty of water for later events, greets us as myself and my darling, faithful husband **V.V.** arrive to set up the all important beer truck.

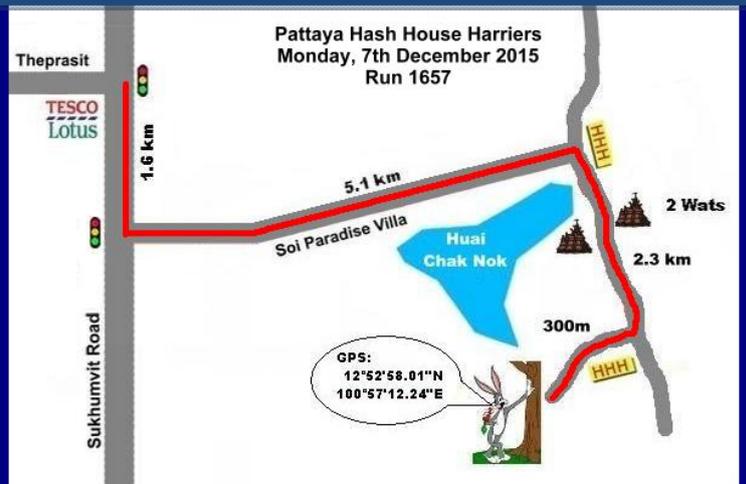

A healthy 72 runners descend on the chosen venue many wearing traditional Thai costume for what promises to be a reawakening of the soul for some.

Acting **GM SCAR W/2T'S** calls the first circle and the runners eagerly listen to the hares telling us there are ten checks at least.

I know for a fact the hareraiser liaised as best he could with the hares to ensure no-one was barking into a mobile phone, in the vain hope of someone coming out to find them after dark, when they should be floating their krathongs and washing away the years sins.

Off traipse the motley and I sit down with samee no: 1 **V.V.** for a nice rest. He himself is often sick these days quite often needing penicillin injections but he assures me it is simply relapses of his Malaria.

With the sole male hare acting as Hash chaperon, the first of the runners

A-Site Mis-Directions:

From Soi Thep Prasit drive South on Sukhumvit 6 km to Soi Wat Huay Yai and turn left. Continue for 7.1 km to Soi Polo 1 (HHH) and turn left. Follow Soi Polo 1 3.3 km and turn right (HHH). Proceed along the macadam road 900m to a dirt track on the left (HHH) leading to the A-Site 150m in near a lake.

come back quite early with **DEL BOY** leading the pack.. **DEL BOY** was running so fast you would have thought he was still trying to evade his Philippine girlfriend who is now in the bosom of her family probably doing something worthwhile with coconuts.

The other runners drip in slowly but surely and it was good to see no one was stuck out there. General word of mouth seems to be the run was a good one at just about the right length for the time of year not to say the occasion.

Everyone winds down in different ways. Some of the girls snack, some start to get into their krathong costumes, **LIBERACE** seems captivated by **EBONY PRINCESS** and I hear him talking about "*Doing what God wants*".

Meanwhile my attention is drawn to **LINEAR ACCELERATOR** who is busy filling up a cooler with about 20 beers from the beer truck.

SFW goes wobbling over to 'front him out' I believe those cheeky Cockneys say.. When reminded of the rule, discussed, agreed and voted on at the last meeting and then advised to everyone concerning taking ONE beer at a time and opening it first, apparently **LINEAR ACCELERATOR** used the defense "*Ah Yes, but I am one of AIRHEAD's boys*" and off he disappeared over the hill toward the hideout **AIRHEAD** Boy's use on Hash days. So Al Capone's Chicago of 1928 has come to Pattaya.. If someone feels the need to ignore laws or common practices all they have to say

is " *Rules do not concern me as I am one of AIRHEAD's boys.!!!*".

Circle called and the hares are iced as is tradition and as I said already it was considered a good run. **LINEAR ACCELERATOR** gets iced for the beer cooler incident and is reminded that all beers are to be 'kerged'/opened prior taking away from the beer truck, all to howls of "*Guilty, Guilty, Guilty,*" from **AIRHEAD** himself as well as his assembled "Boys". Raffle time and lucky winners included **SCAR, LADY SNAKE, LOST CAUSE, EBONY PRINCESS** and **LINEAR ACCELERATOR**, who presumably turned over his booty to **AIRHEAD** by way of tribute.

EMPEROR AIRHEAD takes the circle to ice the aforesaid hares and as stated the run was a success. The Vietnamese say "*We ignore the old ways at our peril*" and so it was good to see after the mismanagement had laid on six h, specially arranged by the absent hare **LADY FLIPPER**, almost all of the girls, with their own as well as the supplied ones, wade in ankle deep at least to float the lighted krathongs.

Back to the circle and **PUGSLEY** gets iced for playing pattacake in the T.Q. in front of his much traveled girlfriend. Stats time and **WW** briefly takes over to celebrate my darling, faithful and loyal samee *V.V.'s 750 runs.*

SCAR takes over and the two virgins brought today by **BURL IVES** are punished for not wearing shirts. **BURL IVES** himself gets the bucket treatment and when asked why he had not told his virgins about correct Hash dress protocol, his reply of "*Why the fuck should I.?*" did not seem to fit into the occasions somehow.

STEPTOE takes the helm to tell us a story of a time when, while walking

down soi 6 with a krathong to float out to sea, he was propositioned by 6579 young nubile girls all wanting to marry him.

TESTICLES and **V.V.** take their turn while **STEPTOE** tells how **V.V.** was telling anyone on the bus who would listen that in 20 years time no-one would speak English only French.. "*The meek shall inherit the earth.....so long as the people with balls let them.!!!!*".

The hares are placed back on ice and out of the blue and with the greatest delight to **SFW** sing an impromptu version of "*The Loy Krathong Song*" which is taught to all Thai children from an early age.. The reason this pleased **SFW** so much was he had harangued **SCAR** all night for the girls to do it but **SCAR** considered none of them would remember how to sing.. Classic piece of impromptu hashing.

All six hares on in for a short if improvised Hash song

Returners and visitors honoured and the **Hash Hymn** strangled then it is off to Nicky's Pub for the usual excellent happy hour.

A very good thanks to those with gumption, forethought, respect, planning and a sense of PH3 history.

On-On ! Two Time and Sir Free Willy
