Scribe Report 1657 – December 7<sup>th</sup> 2015

Next Run 1658 – December 14<sup>th</sup> 2015

**78 Hashers this week!**

**Hares: Mental Disorder, Menstrual Disorder and Sir MC**

**Scribe by: Crasher**

Great A-Site with lots of options to play with, of which the hares tried their best.

Lots of freshly planted tapioca and black top was the feature of the run and there were marginal runners that were bemoaning not taking the **Beer Hunter** option.

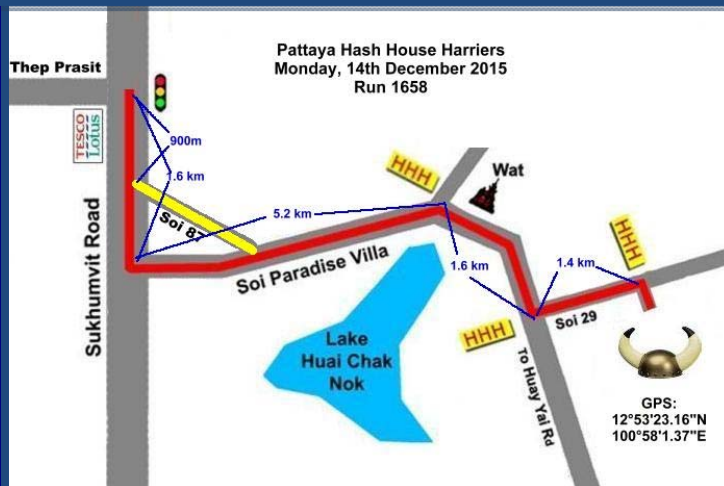

*White checks, brown checks, check backs.....it had it all.*

Everyone happy to be home and **VV's** French baguettes and cold beer to get the day into perspective .

Circle begins with the stand in skipper **SCAR W/2T'S**. Very military and similar to the other **Joint Master**, so everything went without a hitch and no one noticed that the **GM** was on the **King's Ride with the Jesters**, who we, the **PH3**, co-habitats with at the **TQ**. Anyway, I don't remember a word he said, which is standard procedure standing next to **RATSO EEL-SNIFFER** and the **RUBBER DICK**..... they have so much to say that is so relevant and should be taking the circle to assist the pommie **Luftwaffer**, **Norwegian** megaphone and the confused **American**.

The aptly named **AIRHEAD** took the circle after the **Raffle**, and thank god for that! I had 4 in depth conversations, came back 15 minutes later and the **Raffle** was still going. Was at a stage where no was accepting the prizes and **FREE WILLY** was not getting the hint!

Back to the **AIRHEAD**, and outside of the **Hares**, the long suffering (us) **FREE WILLY** was given the

A-Site Mis-Directions:

From Soi Thep Prasit drive South on Sukhumvit 6 km to Soi Wat Huay Yai and turn left. Continue for 7.1 km to Soi Polo 1 (HHH) and turn left. Follow Soi Polo 1 3.3 km and turn right (HHH). Proceed along the macadam road 900m to a dirt track on the left (HHH) leading to the A-Site 150m in near a lake.

World Cup trophy in some sort of a political gesture for his semi-retirement and dedication to the **PH3**. **MEME** belted by the **AIRHEAD** over taking his Lady and kids to the **TQ** for dinner or something. **RATSO EEL-SNIFFER** wife Barb, who Larry is taking credit that because he booted her out, and she meets a rich Sugar Daddy and he wants his spotters fee.

**SPANKY** is back from **America** and thank God for that, he looked like **WANK-KING'S WANKER**, only healthier!

Talking of the aforementioned W-KW, it sat on the ice to do the awards, considering that it would be more entertaining and *held our attention for an entire minute before we returned to mayhem.*

**SCAR W/2T'S** back in the circle. **SIR MC** for escaping new shoes, which were pleaded as only cleaned recently. (Put ya to sleep stuff.....)

**Hash Name Events - 1**

Amy Higgins was given the New Hash Name KOALA BEAR.

**Birthdays – 1**

Happy Birthday PELER - 12 December

Hasher **Amy** from **Australia** after 5 hash runs gets named “**KOALA BEAR**” and the **SHEIK MEME**, the pseudo father told of the torture raising the said **KOALA BEAR** and bla bla bla as you would expect he raved on about nothing remotely riverting. Being the vegan was a highlight of the naming.

The return to the **TQ** onon and the best food ever produced. You had to be there and a bunch of us stayed there until way after midnight.

There was much conjecture about the writing of this scribe, as previous scribes written by the **FREE WILLY**, under another harsher’s handle? This is an unprecedented act of terror! Pinning friend against friend..... **Bernie Morris**’s scribe 2 weeks ago resembled nothing of what he wrote about the **AIRHEAD** or anything else for that matter! It was decided to undertake this scribe report without any edetorial input from the **FREE WILLY**.

**On-On ! Crasher**

**Next Week’s Scribe is Sir Spaghetti Head**

**Respecting the laws of Thailand  
And the dignity of the people.**

**Keep it Green – Bring your TRASH back to A-site**

At the time of the **Hash Hymn**, **MEME** foolishly reminded the acting stand in **Joint GM** and **regular RA** that we the **PH3** should be more vigilant with resources and that the bucket containing heaps of fresh ice was not used at all..... **MEME** had a first time experience and done the **Hash Hymn** from the bucket!
