80 Hashers this week!

**Hares: Mental Disorder, Menstrual Disorder, VV,
Tampax and Two Time**

How does one find the hash when you don't go on the subsidised baht buses, well normally to ensure we get there we employ the Satnav:

**I have a little Satnav, it sits there in my car.
A Satnav is a driver's friend, it tells you where you are.**

**I have a little Satnav, I've had it all my life.
It's better than the normal ones, my Satnav is my wife.**

**It gives me full instructions, especially how to drive.
"It's sixty miles an hour", it says, "You're doing sixty five".**

**It tells me when to stop and start, and when to use the brake.
And tells me that it's never ever, safe to overtake.**

**It tells me when a light is red, and when it goes to green.
It seems to know instinctively, just when to intervene.**

**It lists the vehicles just in front, and all those to the rear.
And taking this into account, it specifies my gear.**

**I'm sure no other driver has so helpful a device.
For when we leave and lock the car, it still gives its advice.**

**It fills me up with counselling, each journey's pretty fraught.
So why don't I exchange it, and get a quieter sort?**

Ah well, you see, it cleans the house, makes sure I'm properly fed.

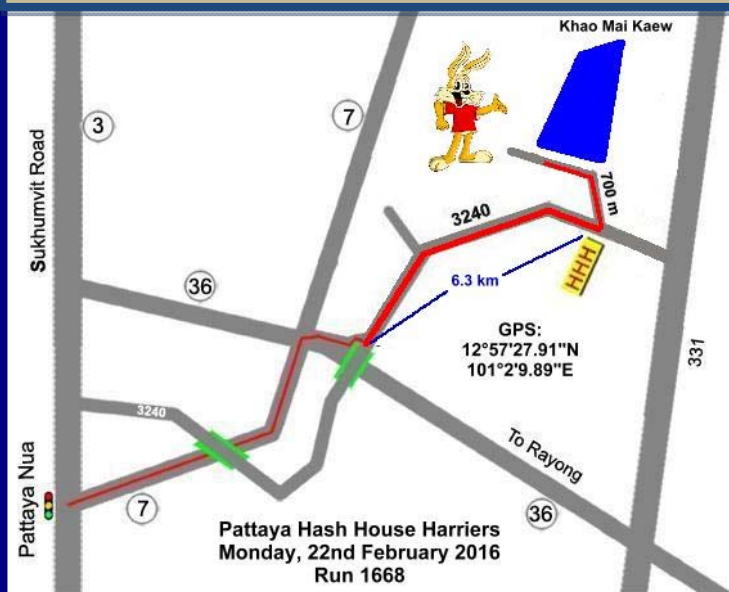

It washes all my shirts and things, and keeps me warm in bed!

**Despite all these advantages, and my tendency to scoff,
I only wish that now and then, I could turn the bugger off.
(Thanks Pam Ayres)**

So we found the **A-Site** (or bucket as it is called in other hashes) and what a perfect **A-Site** it was.

After a few minutes the **GM** barked "**Form an F-in- Circle**" but no **F** was formed. Then the usual formalities of virgins, new shoes etc, (but no introduction of the visitors, strange that!)

Hares in (all 4 of them), markings described, and off we went. Elephant grass shiggy for the first km and then dirt paths all very well marked. After 2 km we saw the runners going off in the distance and we plodded on for another km until we saw the blue

A-Site Mis-Directions:

From Pattaya Klang, head North and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 6.3 km and turn left (HHH) just past a row of shop houses. Follow the road all the way up the hill (700m) and at the lake turn left onto the causeway. The **A-Site** is on the left at the far end the causeway (350m).

house and turned for home. 4 km covered and back to the bucket within 50 mins... perfect! 30 mins and a further 6 km later the runners came in and the festivities began.

The **GM** barked "**Form an F-in- Circle**" again, then **FREE WILLY** obliged with the Raffle, prizes won by **GANGREEN, SCAR W/2T'S (SWTT), TADPOLE, FLIPPER** et al.

SFW then went into romantic mode for the **Valentine's Day Run** and asked all the **Harriettes** in to pick their Beau, who were given a rose and told to present it to their lady on bended knee and then to pass it over mouth to mouth. How romantic!

EMPEROR AIRHEAD then graced the circle with his presence (unlike last week when he disappeared) and did his usual patter of thanking the **Hares** for a good **A-Site**, **HHH** signs and an excellent trail (he must have a drone packed away with a camera, on his bike, from which he can see the run each week from the **A-Site**, amazing skill!) He then tried to rename **SFW**,

but it was rejected by the circle. Finally he brought in 4 newcomers: 2 **Norwegians**, 1 **Thai** and 1 **Flipper** to be induced into the Hash.

MENTAL DISORDER announced the Awards, i.e. none and instead mentioned 2 Birthdays **SWTT** and his partner **BELL STAR**. The **Bunglers** then serenaded **TADPOLE** and 3 other ladies to the refrain of *Michelle* by **P McCarthy**.

GM then iced the **Burapa Bike Week** boys: **SWTT**, **HELIUM HEAD**, **ANAL CHEESE** and **BAHT BUS GESTAPO**, **RSB** was bucketed for talking. 2 health incidents were iced **MAX** for running into a bees nest despite being told not to, and **BANANAS** for upcountry pneumonia. **SHEIK MEME** was bucketed for talking.

SHEIK MEME took over and discussed talking in the circle, a normal thing in most hashes where the guy in the circle responds to witty comments from those in the circle, but not on Mondays, *"my circle, I'm talking, you're listening"* and then iced **GANGREEN** for talking, to conform. **Two Angeles Hash** shirted **Americans** then performed a bum dance on the ice, much to everyone's amusement.

SWTT then searched for no hash gear and found two victims: one **USA** returnee and 1 **Thai** "Wirgin". **USA** guy bucketed for being too cheap to buy a shirt. **KEE MAH** then iced for talking to "wizitors". **MANGO MUNCHER** iced for cutting off someone's dick, followed by **W-KW** and **GANGREEN** for talking, God forbid (remember: *"my circle, I'm talking, you're listening"*).

MENTAL DISORDER iced **GM** for being banned by **Facebook**, for obscene photos, then **KEE MAH** and **W-KW** for too many recces for the **St Patrick's Day Run** next month. **SWTT** for "Little Ring" present to his partner, **VV** and **TWO TIME** for shoes falling apart after 16 years.

The **Hares** then invited **STEPTOE** to sing the Hares song *"I'll be your sweetheart"* to close the circle and then the "returnees" were asked in for a drink, but not introduced so I still don't know their names!

Finally the English Rugby song, *"Swing Low"* was enacted and the circle closed on another good day's Hash.

Thank you Hares for all your hard work, because without you there would be nothing!
