Hares: Scar w\2T's and Bell Star

Scribe by: Marathon Man

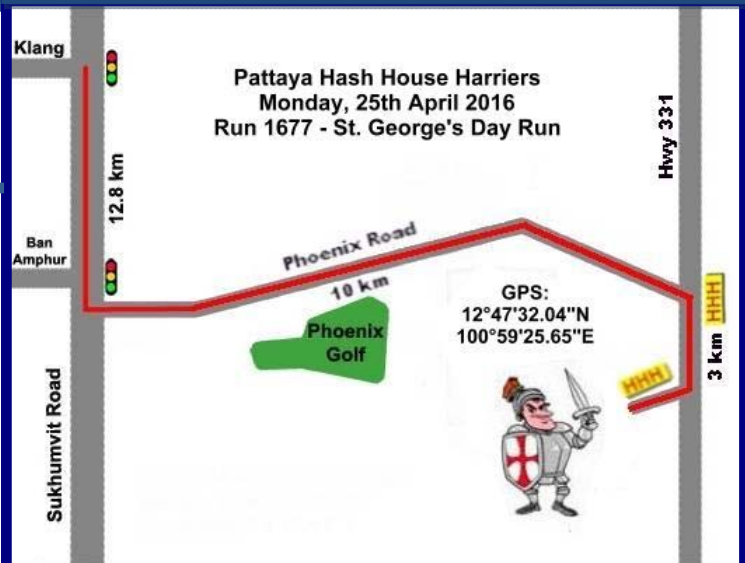

I was supposed to write the **scribe** report for last week's **sausagefest VV's BBQ**, but due to bureaucratic interference, have ended up with a **sausagefest** of a different kind. **SCAR W\2T'S** and **BELL STAR** were the **Hares** for today's run.

First, let me bitch about the location: I love it! I love the **A-Site** and I especially love the running area, but fuck me, what a pain in the arse to get there! The **Hares** discovered this for themselves, much to their cost. **Second class citizens, those who ride motorbikes, aren't allowed on the freeway any more.** Okay, we never were, but now that they have started to enforce it with hefty fines, we have to find another way around. Wait until the tollway starts operating.

Never mind, it gave me the opportunity to stop off for a couple of beers along the way. Since the bar was well-staffed with **visually (and possibly mentally) impaired ladies** who thought I was handsome, I also stopped in again on the way home.

So, I arrived at the **A-Site**, and what's the first thing I see? **SPAGHETTI HEAD** picking up sticks off the road. This is fine and I often see him doing this, but not 100m from the **A-Site** on the edge of a main road. **Where the fuck was his minder?**

Sign ups, waiting for the baht buses to arrive, laughing at the poncy **FRBs** stretching and warming up – the usual preamble to any Hash run and then **MENTAL DISORDER** calls for a circle. Welcome to the visitors and virgins. Were there any? I can't remember. Drinks for any bugger silly enough to show up with new shoes, and then a request for any announcements.

A-Site Mis-Directions:

From Soi Thep Prasit, follow Sukhumvit Road south heading towards Sathahip. After 10.2 km, turn left just after the Ban Amphoe traffic light junction onto Phoenix Country Club Road. Follow this road for 10 km all the way to the end and then turn right (HHH) onto Hwy 331. Continue South along the 331 for about 3 km and look for HHH sign on right and turn into the dirt track. Keep to your left and follow the HHH signs to the circle in amongst the rubber trees.

"Yeah. You're ugly." Hardly a revelation, but the stand-in **GM** threatens a turn in the bucket later, until he realises that **the offender won't be there later and ices him immediately.**

Hares come in to tell us about the run. **"Not too short, and not too long"**, hanging paper, checks etc in red, starts down there to the right.

GI JOE takes off at the front of the pack, and we let him have his moment of glory until we get to the first check. After that he's on his own. **And by the way, where did he get to?** He still wasn't back when I left.

Excellent run for a Monday, not too short and not too long, just as promised. Very tricky checks and a
