The PH3 celebrates *Saint George's Day* every year, lead by our illustrious **FREE WILLY**, May he live forever (what an A-Site – flags, bunting, Vera Lynn singing). God forbid when he departs to the the big **Hash** in the sky and leaves this special day to be celebrated by **Yanks** and **Aussies**.

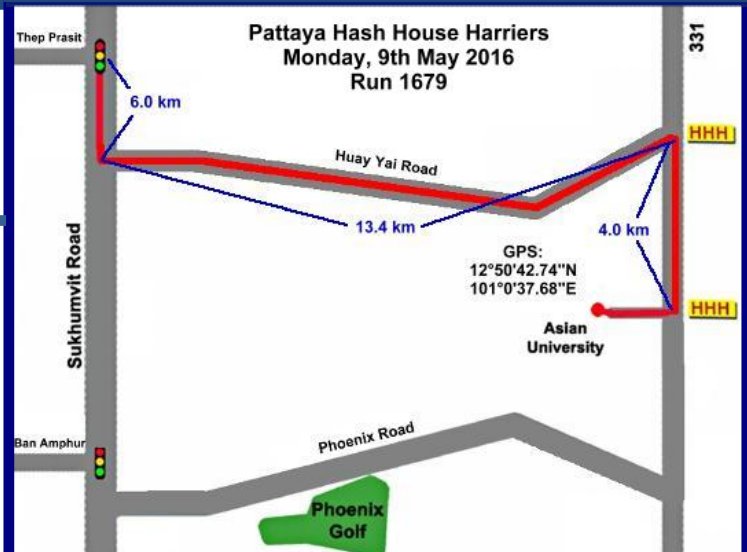

BUT there is **BALL RINGER** (the man with the golden cock). Will he replace **FREE WILLY** and organise this special day for us?

The Day was marred (I could use stronger words), the tabloids in England wrote: *“Bristol City Council announced that it would NOT be hosting any special events on this day for fear of upsetting their multicultural, multi-faith communities.”* Could they be talking about all the **Yanks** and **Aussies** who live there ??

**The Run??** F—ing GREAT !! FTs and back-checks totally F—ed up the **FRB's**. They where all over the place. For a long while near the end of the run it looked like **PELER** and (sorry no name) **Norwegian** would walk in first. But they walked in a comfortable 3rd and 4th. in front of all the **FRB's** who where now totally knackered.

**MUDCRACKER** you cocked up yesterday, you should have run today instead of yesterday. The S.G.day run, hared by Myself and **STOOL MOVER** wasn't a patch on this one hared by **DEL BOY**.

**RAFFLE** – Great prizes, winners **SUGAR DADDY**, **DEL BOY**, **TADPOLE**, **BELL END**, **TWO TIME**,

### A-Site Mis-Directions:

From Soi Thep Prasit, drive 6.0 km South on Sukhumvit Road. At the lights turn left onto Wat Huay Yai Road. Follow for 13.4 km to the T-junction at Hwy 331. Turn right and continue for 4.0 km along the 331 and turn right into the entrance to Asian University. Before reaching the security gate park on either side of the road. A-Site is situated just outside the gates on a small patch of lawn.

**VLAD THE IMPALER** (who?). Our **GM** soon sorted this out poured water all over him and returned him to his baptized name of **BOB-A-GOB**.

**HASH CRASH** – Goes to **CUM YAK YAK**. who after about 4 year break from **Thailand** and **PH3**, was not quite sure which foot to put in front of the other, *so ended up on her arse*.

Alan ??? – How the hell after about 10 runs with us and over a 10 year period has no hash name? Get your thinking caps on lads for next week.

**HASH SONG** – **TOTAL BLOODY DISASTER**, that about sums it up but at least as the hares were not afraid to make fools of themselves, it got the circle rocking even if it was with good-natured abuse at
