So we arrive at the **A-Site**, good location, very barren and not much vegetation. This usually proves to be good for later as less likely to be insect infested, *unlike last week when nearly eaten alive*.

So first circle formed by stand-in **GM GANGREEN**, no new shoes but four **Virgins**. Then, on-in the **Hares** to explain the run, and then off we go.

Very pleasant start to the run with some good checks and varied scenery. But then we start to climb and climb and climb. This seemed it was never going to end but eventually we began our decline. By this time the pack was very well strung out. A couple more km and we were safely back at **A-Site**. *All-in-all a good run and quite tough for a Monday Run. Well done hares!*

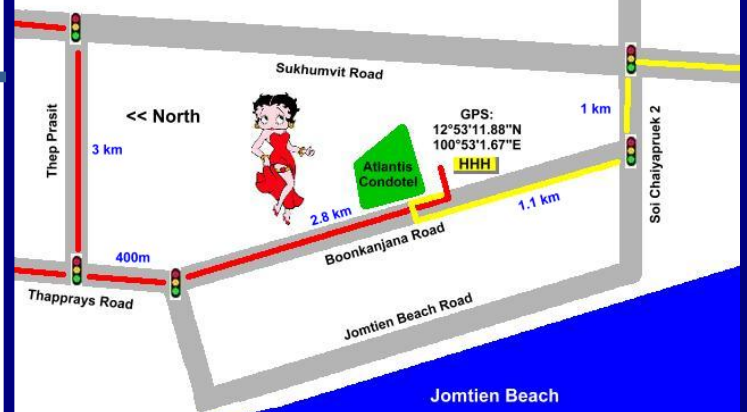

Usual social drinking, **VV** hot dogs, and the added bonus of some **Bob Marley** tunes in the background.

**GM** calls circle and instantly stamps his authority by icing **EMPEROR AIRHEAD**, purely on the basis it isn't done very often. Then he ices yours truly for my connection to the **Bob Marley** theme.

**Raffle** time and **SIR FREE WILLY** performs the duty with **TADPOLE**, **ANFI**, **WANK-KING'S WANKER**, and some unnamed crack and an **English Virgin** the forthcoming winners. Then a musical interlude of "*Sunshine Reggae*" by '*The Bunglers*'.

**GANGREEN** back in and ices the **Virgins** and **FREE WILLY** serenades them with one of his prison songs. Then it's over to **EMPEROR AIRHEAD** who gives us a brief insight into the life of **Bob Marley** and explains

Run 1683 - Betty Boop Run

**A-Site Mis-Directions:**

**From Central Pattaya:** Take Thappraya Road over the top of Pratamank Hill and continue straight through the lights. At the next set of lights (400m) continue straight across and follow Boonkanjana Road for 2.8 km. Just as you pass Atlantis Condotel turn left into the dirt road (HHH).

**From Sukhumvit heading South:** Turn right at Thep Prasit and head West 3 km to the T-Junction (Thappraya Road). Turn left and follow the directions above.

**From Sukhumvit heading North:** Turn left into Chaiyaprupek 2 and follow 1 km to the set of lights and turn right into Soi Boonkanjana. Follow for 1.1 km and you will pass the Atlantis Condotel on the right. Continue to the first U-turn and return to the Atlantis Condotel. Just as you pass Atlantis Condotel turn left into the dirt road (HHH).

The A-Site is in the large open area near the soccer field.

the connection of his death and the habit of our stand-in **GM GANGREEN**. He then ices **TADPOLE** and thanks her for communicating with the land owners. *This is well deserved as we have had problems in the past.*

Then on ice **ANFI**, **NIGHTRIDER** and **LINEAR ACCELERATOR** who have all now chosen the path of the single man *due to various costly errors*. This is good news for **EMPEROR AIRHEAD** as

**Anniversaries - 2**

ABSOLUTELY NO FUCKING IDEA was awarded his 10 Hares T-Shirt.

BAHT BUS GESTAPO was congratulated on completing his 50th Run.

they now frequent the TQ more often.

**Virgins** then on-in, three **Belgians** and one **Englishman**, none of whom can speak **English** ?????? But eventually the **EMPEROR** gets a tune out of them and they all say *they had a good time and will return* which is always good news.

Circle then over to **GI JOE** who ices all the **Belgians**, then ices **SPERM POLLUTER** and friends for talking.

Then it's awards time with **WANK-KING'S WANKER** (see awards section). **GM GANGREEN** ices **Beer Police**, then hands over the circle to myself, who by this time *has had my share of beers*. Still it wouldn't be a **Hash** without a couple of lame jokes (you can ask **SIR SPAGHETTI HEAD** that). So I ice the **Beer Hunters SIR REALLY SADISTIC BASTARD**, **1/4 POUNDER WITH CHEESE**, **HELIX** and **WANK-KING'S WANKER**.

Then back to **GM GANGREEN** who does a couple of more icings, **MR POTATO HEAD** and then **MY GIRLFRIEND KNOWS IM GAY**. Then as some of the circle is getting restless calls for the **Hash Hymn** to conclude the events.

And then it's back to the safety of the **TQ** for chicken and meatballs , *plenty for all. Many Thanks*. And so another **Hash** concludes.

**High point:** Excellent job by stand in **GM GANGREEN**. **Well Done**. **Low point:** Sadly the concluding **Hash Hymn** does not seem to have the respect it used to. But I guess times are changing.

Until next time,
