**55 Hashers this week!**

**Hares: Sir Free Willy and Lady Flipper**

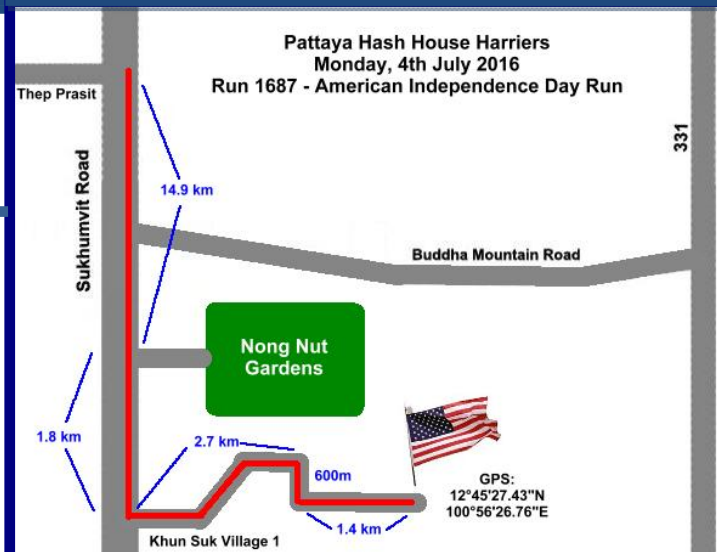

**Scribe by: Seal Sucker**

We arrive at a popular **A-Site** for the special **Brexit Run** hared by **SIR FREE WILLY** and his long suffering wife **LADY FLIPPER**. By the time you get to read this the problem will be solved or plenty more problems will be made, who cares because today we are all here to run around the lake and drink plenty of cold beers.

Just a quick update on the **Rugby Union** played in the week-end. The **Aussies got another ass-kicking** from the **Poms** and have lost their second place ranking in the world to **England**. The back-to-back **World Champion All Blacks** beat **Wales** to obviously retain *their title as the best team in this Universe*.

**GM MENTAL DISORDER** calls in the **Virgins** to get the show on the on the go. He's doing a great job considering *he's heavily pregnant with a joey in his pouch* and mentioned that he's going back to **Aussie** to give birth soon. It's name he said will be **SKIPPY DISORDER**.

**SFW** explains the run and we all exit the **A-site** into the surrounding fields of tapioca. *There's only about three checks in the whole 7.5-8 km trail* so it ends up to be a bit of a drag race around the mountain and back across the lake. **The Beer Hunters** were pleased to see the

**A-Site Mis-Directions:**

Drive South from Soi Thep Prasit for 14.9 km to the entrance to Nong Nut Gardens. Continue for another 1.8 km and turn left into Soi Khun Suk Village 1 (HHH). (If you reach the traffic lights you have gone too far.)

Follow this Soi across the railway line (about 2.7 km), keeping a sharp eye for any additional HHH signs along the way. 250m past the railway line turn right (HHH). Continue for 600 m to the fork in the road and veer left (HHH). Continue straight along the dirt track for 1.4 km. The A-Site is under a large tree and a sala.

lanky legs of **RUNNING BARE** arrive in to the **A-Site** and quickly *proceeded to empty the beer bins*.

Hopefully, there will be some photos. **PUSSY FUCKER**, the **Hash Flash** had a crash and we were thinking of renaming him **PHOTO FUCKER**, the git.

**SFW** holds the **Raffle**. And as **EMPEROR AIRHEAD** mentions later, the **Raffle** helps to keep the cost of sign up fees down down
