66 Hashers this week!

Hares: **Katoy Anal Masturbator, Piss Poorer, Gas Man, Phantom and Lone Wolf**

Scribe by: **General Kidney Wiper**

Well thank God **Monday** is over. But for me, not for obvious reasons. As I was scribe, I stayed to the very end of circle, to make sure I got everything of note.

When I arrived back at my house there was a car parked opposite, so I could not reverse into my driveway. I asked my neighbour if she could get the driver of the car to move. He did, but was angry. Not enough room, so I asked if he could move more. **He went mental, came into my driveway and proceeded to get stuck into me, forcing me over the bonnet of my car.**

Called the police, but no answer. I think if it happens again I would have a better outcome if I called **The Beer Police**. Anyway, enough of my drama.

Run 1690 was the long awaited and eagerly anticipated **Aussie Run**. As expected a good crowd turned up to participate in this annual event. **MENTAL DISORDER**, our **GM** dealt with new shoes etc., and then the hares **KATOY ANAL MASTURBATOR, PISS POORER, GAS MAN, LONE WOLF** and **PHANTOM** told us about the run and we were off.

As usual I went along with the motley crew known as the **Beer Hunters**, and after a pleasant stroll, we reached a **Boutique Bush Bar**. I say boutique, because this seems to be the favourite adjective in **Thailand**. (*Bangkok Airways, Asia's Boutique Airline*, whatever that is supposed to mean, I don't know.)

This time we did not discuss or solve the problems of the world, but the conversation revolved around the fact that **WANK-KING'S WANKER** looked shittier than normal.

Half way through our **Changs** and **Leos**, we were joined by **LORD CHICKEN FUCKER, MASTER BATES** and **DOG LICKS ITS DICK** with which the average height of our group just went up by two feet. This was noticeable as there were corrugated shutters to close up the bar, which we were all oblivious to, as we were able to walk underneath. But these guys could have been boiled eggs with the tops lopped off.

We wandered back to the circle and it was obvious all the runners and walkers were back. I believe the run was not too long, as it is the first time I have not seen **GI JOE** lathered in sweat.

What was noticeable was there were many splinter groups with their own assortment of food. I latched onto **REAR GUNNER's** and **SPERM POLLUTER's** smorgasbord and as **SIR**

A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 3.4 km and turn left (HHH) at the entrance to Wat Trong Saeng. 300m down this road you will see the A-Site (HHH) on your right.

SPAGHETTI HEAD was taking a fig out of the jar, some wag retorted, *"That's not a fig, it's a faggot."*

After a decent cooling down period our **GM** started the second circle. **Hares** on the ice. **Some of the Iron Men thought the run was short, but general consensus gave it thumbs up.**

SIR FREE WILLY started the **Raffle** and dispensed prizes to all and sundry. Many prizes this week. I started writing down the winners names, but there were just too many to keep up. What I do know is, I was not one of them.

The **Hares** then explained the concept of the new **Aussie Run T-Shirt -The Bogan Run**. (The term bogan (/ˈboʊɡən/) is an **Australian** and **New Zealand** slang word used to describe a person of lower working-class background, whose speech, clothing, attitude and behaviour exemplify values and behavior considered unrefined or unsophisticated, similar to a chav.)

So to physically demonstrate a **Bogan** to us, the hares sat **MENTAL DISORDER** (wants to pick fights – maybe I should introduce him to my neighbour) and **ARSE-HOLEO** (wears a mullet and only washes once a month) on ice.

Next on ice were **HULK, RSB** and **GKW** who were given free

Anniversaries – 1

BIGGUS DICKUS was awarded his 50th Run T-Shirt.

T-shirts, because the hares said they remembered they had said “Thanks” after last year’s run. A nice gesture on all sides.

Our **GM** then started on the **Aussie** virgins. Plenty of ice time for them as they were lectured on how to recognize a katoy. Seemingly it is easy. *They are beautiful, over six feet and think all Aussies are “Handsome Man!”*

EMPEROR AIRHEAD brought in the hares and we got to learn the background about the previous **Aussie Run T-Shirts**. There were too many for me to note, but is hoped they would keep going with this tradition.

RUBBER DICK and his lovely niece **Anna** brought in. Now at this stage, the notes do not make a lot of sense. *“He painted her house and they had to pay for it. Bernie’s name was squid???”*

One thing I do remember was the commemorative medal up for bidding. This was won by **HULK** with the *proceeds going to the Jester Care for Kids. Well done all.*

There was a small tsunami as **JACKAL**, **GANGREEN**, **SIR FREE WILLY**, **RSB** and **GOLDEN RIVET** were all iced.

PISS POORER then took over giving out more goodies to hashers wearing old **Aussie Run T-Shirts**.

WANK-KING’S WANKER then awarded **BIGGUS DICKUS** his **50th Run T-shirt**. When you consider his first run was number 907 and today’s run is 1690. *So it has only taken him fifteen years. Here’s hoping you make your 100 runs.*

SIR REALLY SADISTIC BASTARD then brings in the Hares and explains how *Rolf Harris is the Patron Saint of Australia*. Many of Rolf’s song titles should have had red flags raised about his “persuasion.” But this never happened. The fact that he could play the didgeridoo and the wobble board also did not raise any eyebrows.

SRSB’s take on “Two Little Boys.”

**“Two little lads, had Rolf Harris for a Dad,
So they pulled up their pants and ran.
They did not stop, till they reached the cop shop,
Cause Rolf Harris is a dirty old man!”**

LORD CHICKEN FUCKER then gets in on the circle action,

by which time I have lost it, but good to see him in such fine fettle.

Hares on in and it was *The Bogan Hash Song*.

Well done hares. A good hash from you guys as usual. I know a lot more happened but as usual the Alka-seltzers Disease and the Chang have destroyed more than a few brain cells.

It was **Hash Hymn** then it was off to **The Boomerang Guest House** for Happy Hour. I did not make it, but *I am sure they looked after us well like they usually do. Thanks to them.*
