Hares: Crapper, Pocket Socket, Mental Disorder and Menstrual Disorder

Scribe by: Hulk and Suzy Wong

After a one week break (you know, sometimes one has to move out of all that hustle and bustle) it was nice to return to the **PH3**, especially to the lovely **A-Site** at the **Map Fak Thong 1** lake.

Just arrived, sitting there and watching the scene, **SIR FREE WILLY** approached me and tried to lure me into being the scribe (apparently somebody didn't show up). After talking to my personal assistant **SUZY WONG** I agreed. So here we are...

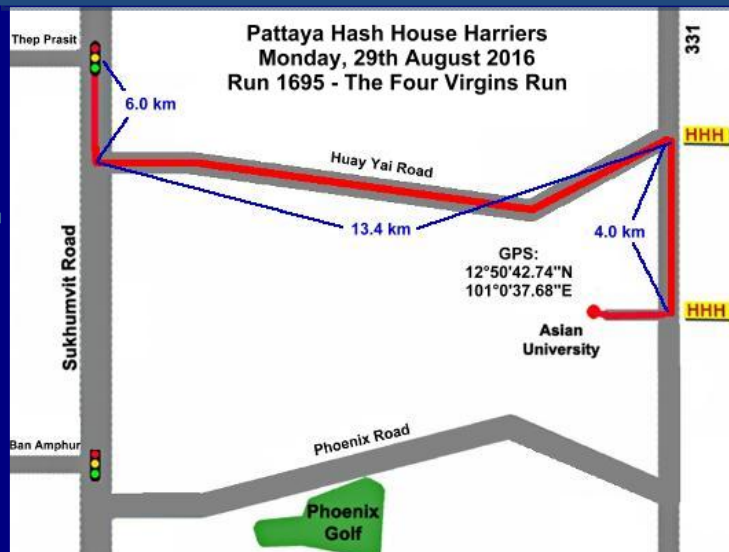

The run led us through a nice countryside. *We experienced a little rain on the way, but what else would you expect during rainy season?*

The **Hares** explained very well about the run, especially about the split between the runners and the walkers. And it was easily to spot. So we were wondering about running into **CRAPPER** at the split! He pointed a direction for the walkers, but he himself ran into another direction. We've decided to follow him, only to learn that he was **NOT** going straight back to the **A-Site**. *Instead, he was going to run into a big swamp.* So we (including him) turned around and tried the other way (where he was pointing to in the beginning). Oh my Buddha, fortunately we didn't go there initially: *no paper on the walkers trail, but several crossings before we arrived at the A-Site.* That could have gone seriously wrong...

Happily back at the **A-Site**, **LOST CAUSE** and **MISS USE ME** offered us some really tasty food. Thanks for that, ladies!

The circle was called by **GI JOE**, only to ice the **Hares**. Overall it was a pretty good run, all hashers where happy about it.

Our beloved **GM MENTAL DISORDER** took over

A-Site Mis-Directions:

From Soi Thep Prasit, drive 6.0 km South on Sukhumvit Road. At the lights turn left onto Wat Huay Yai Road. Follow for 13.4 km to the T-junction at Hwy 331. Turn right and continue for 4.0 km along the 331 and turn right into the entrance to Asian University. Before reaching the security gate park on either side of the road. A-Site is situated just outside the gates on a small patch of lawn.

the circle. Immediately he puts **CRAPPER, BURL IVES, GOLDEN RIVET, EMPEROR AIRHEAD, NIGHT RIDER, RUBBER DICK** and **THE WIZARD** on the ice. All those music lovers (including the **GM**) had been at a concert of the *New Nordic Music Week* on Saturday (*We had been there, too. But that small and skinny guy I am, I'm easy to overlook*). He thanked **LIBERACE** for organizing that and the fantastic night.

SIR FREE WILLY took the circle for the **Raffle**. Winners were **EMPEROR AIRHEAD** (happy to get a gift for his father), **BARNACLE BOLLOX, BALL RINGER SQUEEZE MY TUBE, TELLY TUBBY, LIBERACE** and **TADPOLE**.

MENTAL DISORDER took back the circle, only to ice **BALL RINGER** and **SQUEEZE MY TUBE**.

Both had won alcoholic prizes in the **Raffle**. So it was questionable, who (the winner or his/her partner) will drink the alcohol to make the partner look good later on.

EMPEROR AIRHEAD took the circle and initially iced the **Hares**. He pointed out, how beautiful **POCKET SOCKET** and **MENSTRUAL DISORDER** looked at the concert night. *While investigating and interrogating the hares it turned out, that they run out of paper* – which at least explains why there was no paper on the walkers trail. Next on the ice was **NIGHT RIDER**. When coming back from the run, he was completely wet and shaken himself like a dog.

LINEAR ACCELERATOR was called on the ice. *Once upon a time, he was a smart guy. Then he joined the PH3...* A story evolved about a night in the **T.Q.**, a lost (and found!) wallet, a drunken friend and cancelled credit cards. **BIGGUS DICKUS** was iced because it was his **69th birthday**. **HAWKEYE** handed over a crown and a little cake. It was noted, that his body is still in a good shape.

After **MENTAL DISORDER** took back the circle, he iced **ARSE-HOLEO** and **Earm Saytan** for new shoes. All the Belgians (**UNSTABLE LOAD**, **SQUEAK**, **ARSE VAN HOLE**) were put on the ice. Apparently they like each other, but they don't trust each other on the run. So they followed **LONE WOLF** instead. It turned out that **NO SHOW** and **Anna Capri** are in love.

The birthday boy **BIGGUS DICKUS** was put on the ice again and *all harriettes gave him a big hug*.

At this point my personal assistant **SUZY WONG** stated in the notes, that **LONE WOLF** is the best photographer of the **PH3** this evening. *Unless it is the truth, I have absolutely no idea why this is mentioned here.*

All the **Kiwi's** were called on the ice, namely **SAUCE FOR THE GOOSE**, **BANANAS** and **SEAL SUCKER**. **SAUCE FOR THE GOOSE** got rid of her boyfriend recently, *when he started asking her to pay his bills*.

MENTAL DISORDER explained about a **Hare** he once did with **BARNACLE BOLLOX**. A farmer wanted to shoot them, because **BARNACLE BOLLOX** has nailed a **HHH** sign on one of the farmer's gum trees. It turned out that **BARNACLE BOLLOX** is the *longest hasher alive in the PH3: his first run was run no. 7!*

REAR GUNNER was iced for asking about **HONEY BEAR**. **SAUCE FOR THE GOOSE** joined him and they kissed each other.

The **Hare's Song** was performed by **BURL IVES** while the **Hares** spent more time on the ice.

BIGGUS DICKUS had the honor to lead all hashers into the **Hash Hymn**.

On-On ! Suzy Wong
