101 Hashers this week!

Hares: VV

Scribe by: Pole Fucker

The one man band known as **VV** this week hared the run/walk, organised the beer, drove the truck, prepared the food and cooked the BBQ. *A true Hasher!!*

Knowing **VV** I was expecting the worst, hills, shiggy and river crossings but to celebrate 150 hares **VV** actually laid a great trail through the pampas grass, tapioca plantations and woods. Runners and walkers both reported back positively and nobody got lost.

The conditions of the site chosen for the *circle can only be described as a mud bath and resembled an army training ground for elite forces.* (The latest hash T-Shirts resembling army surplus being perfect for the conditions).

NO MORE CUM opened the circle and congratulated and thanked **VV** on *150 hares – an amazing commitment to PH3.*

This was followed by the usual razzle, dazzle and humour of **SIR FREE WILLY** and the **Raffle**. A mystery prize was donated by **HEIFER DUST**. Even after the **Raffle** nobody except the winner knows what it is. The winning numbers where: 06584, 06804, 06741, 06051, 06555, 06838, 06986, 06707 and 06904. Tough if you went home early because all prizes have been claimed.

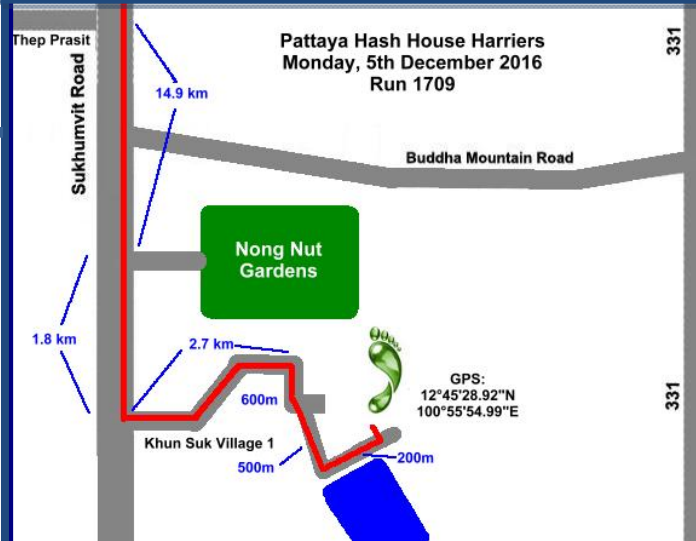

Many thanks to the **FLYING FINN** for passing Belgium chocolates around the circle.

EMPEROR AIRHEAD then took command of the circle and as is customary invited the hare **VV** to take a seat on the ice. The **EMPEROR** eulogised **VV** only to knock him down for a circle site described as *'horrible, never seen a circle like this'*. He decreed that **VV** had 'no mates' as he had set the run alone so found one to join him on the ice (**POLE FUCKER**).

The **EMPEROR** commented on the magnificence of the Hash signs – *being of the correct dimensions and colour.* **EMPEROR AIRHEAD** then introduced the birthday Hashers: **SPANKINSTEIN** (who flew in especially from Alaska), **HONEY BEAR**, **EMPEROR AIRHEAD**, **LONE WOLF** and **EBONY PRINCESS**.

When introducing the virgin **Gudrun J.** the **EMPEROR** for once in living memory lost control and threw his notes into the nearest bin! Who is the virgin and where does he come from was too much for him!

WANK-KING'S WANKER then announced important anniversaries and dates. He must be getting old because he

A-Site Mis-Directions:

Drive South from Soi Thep Prasit for 14.9 km to the entrance to Nong Nut Gardens. Continue for another 1.8 km and turn left into Soi Khun Suk Village 1 (HHH). (If you reach the traffic lights you have gone too far.) Follow this Soi across the railway line (about 2.7 km), keeping a sharp eye for any additional HHH signs along the way. 250m past the railway line turn right (HHH). Continue for 600 m to the fork in the road and veer right. Continue along for another 600m until you reach a causeway. Turn sharp left (HHH) and continue for 500m along the causeway to the A-Site.

voluntarily sat on the ice to test his wary legs. *'Our greatest hare'* **VV** was presented with *'not just a chair but a throne chair'* to celebrate **150 hared runs**. **BEN 10** was presented with Fast Track Racing game for **100 runs**. **LOST CAUSE** thanked for **5 hares** (hat given last week). **PUGSLY** was presented with a designer polo shirt for completing **50 runs**.

NO MORE CUM then took control of the circle. **THE WIZARD**, **LITTLE TOMMY TWO LIPS**, **GENERAL KIDNEY WIPER** and the **Beer Hunters** were invited to take a seat on the ice. *Why were the hunters reluctant to come forward – only 1 of 19 accepted the kind offer of free beer on the ice from the GM?*

The **GM** then managed to confuse most of the circle with the rather bizarre expression *"she had a fanny like a wizard's sleeve"*. It was noted by the **GM** that a minor miracle had occurred on the hash with the transformation of character of

GENERAL KIDNEY WIPER from **Beer Hunter** to **FRB**. There followed a great naming of **COLONEL CORNHOLE's** three daughters: **SNAP**, **CRACKLE** and **POP**.

MENTAL DISORDER was then invited to take charge of the circle and promptly named the **LOVELY LADY** (aka **Anabela**). This was quickly followed by **PUGSLY**, **GOLDEN RIVET** and **MR BEAN** being iced. What was the common denominator of the three men was soon apparent when their respective partners were asked to enter the circle: **LOST CAUSE**, **MEKONG DELTA** and **EBONY PRINCESS** (big milk milk springs to mind)!! All demanded *their partners be put in the bucket – and so they were*. The reverse process then took place with **LOST CAUSE**, **MEKONG DELTA** and **EBONY PRINCESS** being iced and then their respective partners demanding they be put in bucket (except for **EBONY PRINCESS**).

CHICKEN DUNDEE was then named having completed 12 runs. The *'Cambodian Support'* Hashers were then thanked and gratitude shown by being iced! It was reported that **TURD BURGLAR** found true love in **Cambodia** and was iced to cool his enthusiasm and passion.

Finally **LONE WOLF** took command of the circle. He promptly iced the **GM** for thinking he was skiing not hashing with his 2 new poles. The **GM** proudly announced that he had moved from leather to Lycra.

COLONEL CORNHOLE gave a superb rendition of a Pakistani song. The **Belgians** (next week's hares) then introduced and iced. The Circle was closed with the usual anthem: *Sweet Chariot*.
