When we arrived at the **A-Site** it was good to see such a large gathering of hashers. Low season is behind us now and many familiar faces are back in town. The **A-Site** was well selected, with plenty of off-road parking for the cars, and plenty of open space to conduct a circle. It was also a very private location, well away from any locals.

Soon **NO MORE CUM** called the first circle and dealt with the **virgins** (8 of them) and new shoes, before calling the **Hares** in to give us the run down on the trail they had laid for us. Plenty of them too: **VV, UNSTABLE LOAD, RAT VON KIEL, ARSE VAN HOLE, SMOKEY TRUCKY FUCKY, HARBOR WHORE, CHICKEN DUNDEE, MAYO QUEEN** and an attractive young lady named **Megan** who is visiting us from **Luxembourg**.

Soon the runners took off in search of paper and I remained behind with the rest of the walkers to receive our instructions. As we set off down the road following the main pack we were passed by a songteaw full of lazy bastards (**Beer Hunters**) being driven to the nearest Mom & Pop shop.

Do you **Beer Hunters** have any idea how and why Hashing began? Let me refresh your memories: **Gispert, Horse and Torch** were sitting around the **Hash House** drinking piss one day and Gispert told his mates that all this sitting around drinking piss wasn't such a good idea, they really should do some sporting activity first. Sort of work up a bit of a sweat, burn off a few calories, and then drink piss. In other words **EARN** their piss. They ruled out poofster sports like badminton and croquet, they lacked sufficient numbers to form a cricket or rugby team, so they decided on cross-country paper chase. And that was how it all started.

So St. Gispert would be turning triple summersaults in his grave if he could have seen that songteaw full of lazy bastards rolling down the road in search of beer while the rest of the pack was diligently running round in circles cracking checks.

Anyway, back to the trail, which I trampled along while chewing the fat with my good friends **BURL IVES** and **GOLDEN RIVET**. It was a very good, very well laid trail, which is to be expected with a seasoned **Hare** like **VV** at the helm. There was plenty of paper, it was easy to follow, in nice open hash country so we could clearly see where we were ultimately headed: therefore nobody got lost. So all in all a pleasant sunny afternoon stroll through the pineapple fields.

We arrived back at the **A-Site** around 5:30pm and to our utter delight the front-runners were already in, so we were able to make a beeline straight for the beer truck and quench our parched throats with the jolly lager beer.

Soon the **Hares** announced that a free meal was provided and a mighty

A-Site Mis-Directions:

From Soi Thep Prasit drive South along Sukhumvit Road approx 12.3 km to Soi Wat Yansangwararam (Wat Yan). Turn left and continue through the Wat car park and up the hill - approx 6.2 km from Sukhumvit Road. Turn left (HHH) and after approx 600 m, turn left again (HHH) down a dirt track and across the causeway - 1 km. Turn right into the dirt track along the lake for approx 400m to the A-Site by the water.

long line of famished Hashers quickly formed to receive their serving of some **Belgian version of macaroni and meatballs**. I cannot comment on the meal as I'm pretty well vegetarian (actually, according to **DEL BOY**, I'm technically what's known as a "pescetarian"). However, thanks to the kind **Hares** for providing food.

Before too long **NO MORE CUM** called the circle in to kick off the evening's entertainment. At this stage it looked highly likely that we were soon going to cop a **mighty pissing-down-in-biblical-proportions tropical storm** as there were menacing black clouds darkening the sky. Most fortunately the clouds seemed to drift away and the rain never came but it did get dark very quickly. Also highly conspicuous by their absence were the swarms of mosquitoes we usually encounter around that area. It was nice not to drench ourselves in insect repellent, as we so often have to do after the sun goes down.

After icing the **Hares** **NO MORE CUM** handed the circle over to that wonderful sophisticated bon vivant, **SIR FREE WILLY** to conduct the **Raffle**. This weeks lucky winners were in chronological order: **BELL STAR; EBONY PRINCESS; Megan Dropsy; HONEY BEAR; FUZZY LURE; COLONEL CORNHOLE; LINEAR ACCELERATOR; MASTER CHEF**; and some Dutchman who nobody could identify for me.

With the **Raffle** over our illustrious **RA EMPEROR AIRHEAD** took the circle and once more the **Hares** were iced, along with **TADPOLE** (*for looking sexy for Christ sakes... that's like icing Groucho Marx for*

cracking one-liners), LITTLE TOMMY TWO LIPS, and the visiting virgins along with a few other miscreants.

Next up came WANK-KING'S WANKER to give out the awards: lovely black PH3 polo shirts for LADY SNAKE and LOVE BOAT for completing their **50th Runs**. And a lovely black PH3 circus tent for SIR FREE WILLY for completing his **700th Run** (Get a life, Get a life...). **Congratulations and well done all of you.**

NO MORE CUM then took the circle again and immediately bucketed ME. *Bucket the Scribe! Bucket the bloody Scribe!* Never heard of such effrontery before. The Scribe is sacred and impervious to the tomfoolery that is going on. His is the most important role of the evening. You can't bucket the Scribe while he's sitting there crafting his masterpiece. That's like making *William Shakespeare put down his quill and go scrub a toilet floor* when he was halfway through writing King Harry's St. Crispin Day speech before the Battle of Agincourt.

Anyway, joining me in the bucket and on the ice were HAWKEYE; DEL BOY; EBONY PRINCESS (Choc milk anyone?) and a couple others who's names I didn't get and I have not the foggiest idea what they did to get iced and bucketed.

This was followed by LONE WOLF taking the circle and icing a bunch of people for a bunch of assorted Hash crimes. He then brought EBONY PRINCESS and LOVE BOAT into the circle and attempted to draw physical comparisons between these two charming ladies, which was rather like comparing Johnny Winter with Wesley Snipes.

The circle was then handed over to MENTAL DISORDER who iced GOLDBLOCKS and some others *for not wearing Hash shirts*, and someone else for a Rule 6 violation (*chatting up other men in Jacuzzi's, I believe was the charge*). We were then treated to the usual MENTAL DISORDER nonsense, this time selecting various Hashers and Cracks to fill the roles of the cast of Gilligan's Island.

Following these shenanigans he iced ABSOLUTELY FUCKING CLUELESS who was visiting us from Pattaya Jungle H3. Plus CRAPPER and returning runner POCKET SOCKET for celebrating their recent reunion with some horizontal cha-cha.

BB then took the circle and iced all the Yanks, claiming that President-elect of the United States, Donald John Trump should abandon his election promise to have a wall built along the USA-Mexico border and instead have it along USA-Canada border.

Then the Hares sang us a song that would have easily won the Eurovision Song Contest hands down. We closed the circle with a rousing rendition of the Hash Hymn, and set off in convoy, meandering our way through the back streets of Pattaya's Dark Side, on route to the On-On Bar, the Tahitian Queen.

On-On ! Biggus Dickus
