Hares: Peler, Love Boat, Camel Humper and Desert Scorpion

Scribe by: Wee Moaning Weasel

Who said I don't like Mondays? I love em! After a beer in the **Buffalo**, well all boarded the waiting baht busses to the A site. A nice setting amongst trees.

Grand Master **MENTAL DISORDER** called the circle and the hares, **PELER**, **DESERT SCORPION**, **LOVE BOAT** and **CAMEL HUMPER**, explained the run. Off the athletic ones went for their weekly torture while I settled down with my fellow **Beer Hunters** for some more refreshment.

Being adverse from any form of exercise (*lazy bastard*), I can't comment on the run itself but it was later voted as wonderful, very good and too flat. Can't please everyone.

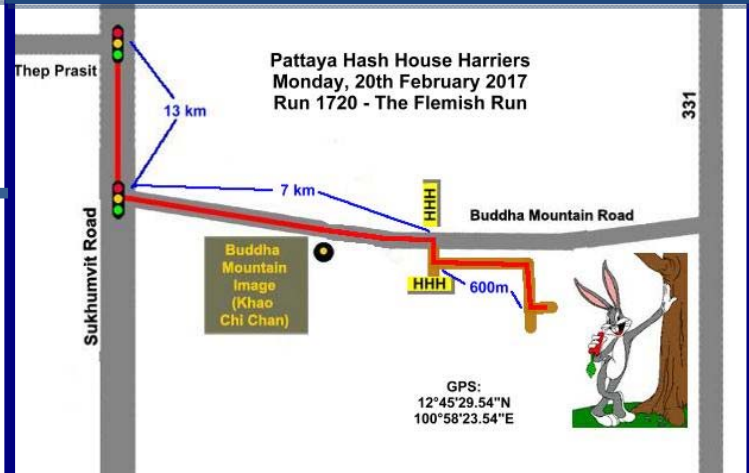

First runners back but **GENERAL KIDNEY WIPER** admitted to short cutting. **REALLY SADISTIC BASTARD** was a wee bit put out by this as he had just helped himself to a couple of **Changs** from the **Beer Truck**!

**GM** starts the second circle. After the hares were thanked for today's efforts, it was the birthday boys turn for some ice. Their birthday presents included a short time for **FUZZY LURE**, **THE WIZARD** got to wash the dishes, and **GENERAL KIDNEY WIPER** got, you guessed it, alcohol! Brought by his fellow jogger, **DIRT LOONEY**. 'Happy Birthday, Fuck You' was sang.

Then it was **Raffle** time conducted by **SIR FREE WILLY** as usual. A note for the many winners.

**EMPEROR AIRHEAD** takes the circle, and as always ices the hares. He informs **CAMEL HUMPER** that he has a real man's name! Then birthday boy **FUZZY LURE** iced. He was told that cake and candles cost money so he was getting zilch! Then his brother was in for naming. It was decided its new moniker was to be **SPLINTER DICK** as he works in the timber industry in **BC Canada**.

Then it was my other half's turn to be named. She was named **WEASEL'S WILLY WARMER**. All my idea but I blamed **Wee Jimmy** for that gem. What are mates for? Now time for the virgins – one from **Sweden**, one from **Ukraine**

### A-Site Mis-Directions:

From Soi Thep Prasit drive South on Sukhumvit for 13 km to Buddha Mtn Road. Turn left and continue for 7 km passing the Buddha Mountain Image. About 1.3 km past the image turn right (HHH) into a dirt track and then immediately left (HHH) onto a track that parallels the main road. Follow this for about 600m to an open area and the A-site on your left. Note that the track turns right about halfway along (away from Buddha Muntain Road).

and a lass from the **Philippines**.

**MENTAL DISORDER** takes the circle and tells **CANNON BALL**, GM from **BANGKOK FULL MOON HASH**, that **HERRING CHOKER** told him that **EMPEROR AIRHEAD** is the greatest hasher ever. What a great accolade! Then the virgins bring on a guitar and something that looks like a clarinet and give a version of Prince's "**Purple Rain**" and an Eric Clapton cover. Brilliant! *They even played sitting on the ice!*

Now **WANK-KING'S WANKER** in for anniversaries. **CAMEL HUMPER** gets his **100 Runs shirt** and **VV** his **800 Runs shirt**. Well done to both. **PELER** in because his name means balls in **Indonesian** and it also was his **20th Hared Run**.

**DIRT LOONEY** iced for yakking. Then three more noisy ones iced. They confessed to talking about licking pussy! *I hate cruelty to animals*. Then **TAMPAX** was asked if he thought '**The Bunglers**' would be as good as the musicians this week.

Now its **SCAR W/2TS** turn to take the circle. He calls order because too much noise. **JUIPLER QUEEN** iced for **Hash Crash** and sitting down. I don't think she is old enough to complete 500 Runs and she is nowhere near 70!

Then to celebrate our dear queen, **Elizabeth II** being on the throne for 65 years all citizens of the UK were iced. This did not include the **English** for some reason. Then **CANNON BALL** says his Hashers on the Bangkok Full Moon don't like ice. **REAR GUNNER** iced for something I did not catch because of too much yakking. **REAR GUNNER** and **CANNON BALL** swap seats from the bucket to the ice.

**REALLY SADISTIC BASTARD** iced, he went to the *University of Glasgow of Alcoholism*. He was expelled for being an over achiever! Then **NO MORE CUM** iced for being a cheap Charlie.

Then **MENTAL DISORDER** hands the circle to **NO MORE CUM**. **Hash Trash** iced for some misdemeanour. **WANK-KING'S WANKER** iced for *losing the memory card that contained last week's photos*. Because of this heinous crime it was decided he should sit in the bucket.

**Hash Trash** and **TAMPAX** given back belongings, including a shirt and sun glasses that they misplaced. Lastly **VV** thanked for his grand efforts as *'The Best*

***Brewmaster in the World'***. Can't disagree with that. He leaves **Thailand** tomorrow. Have a good trip.
