101 Hashers this week!
Hares: Scar w/2T's, Bell Star, Mental Disorder and Menstrual Disorder
Scribe by: Beetroot Head

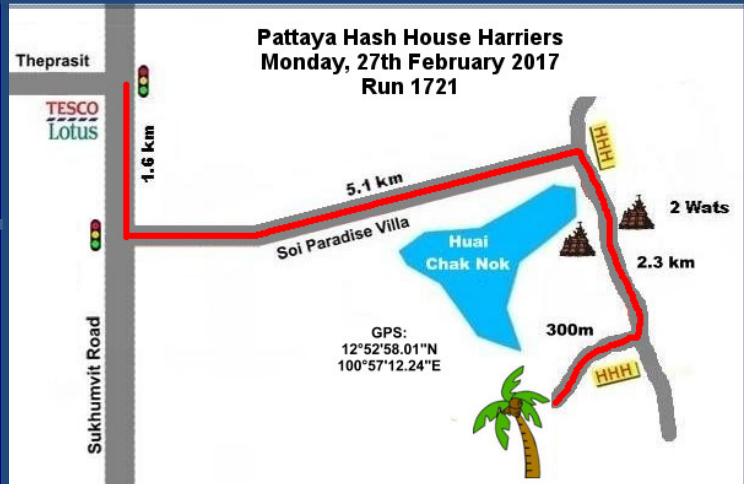

Upon arriving at the **Monastery Hill** for this time a **Valentine's Run**, a beautiful place for the A-Site and a stone's throw away from **Pattaya**. There was a **MENTAL DISORDER #2**.

Second time hashing **Rosanne** from **Malta**, was already drinking out of the beer truck. I could see **Grand Master** going straight up to her in disbelief, whilst she was cool and relaxed and kept on enjoying. *And did not go for the run! Lazy bitch!*

The circle was called and the hares explained the run, and pointed us to the right direction for a supposedly 7km run. (The walkers were told to hold back for their short walk.)

We started running down the hill across the road into the village. Lots of tarmac and rubbish. Not really an in-town run, but also not a traditional hash run in the country side.

It was a well marked trail, very easy to follow. **SCAR** mentioned *a few dogs not a few hundred*. Good back checks and checks kept the pack together. Not really a workout as the run was only 5 km! *Lying lazy hares!*

A-Site Mis-Directions:

From Soi Thep Prasit, proceed South on Sukhumvit Road for 1.6 km and turn left into Soi Paradise Villa. Follow for 5.1 km until you reach the T-Junction at the end (HHH). Turn right and follow the road past the Wat for 2.3 km (HHH) and turn right into the road leading to Monastery Hill. Continue for 300m to the A-Site.

The second circle was called when it was still light. **FREE WILLY** did his shitty fixed **Raffle** as usual and *everybody wanted the pink rabbit*.

Harriettes called into the circle to receive a red rose from their other halves. **AIRHEAD** took the circle and iced the hares for a shitty run. **AIRHEAD** iced **LIBERACE** and presented him with a wooden plaque with the hash brain.

The **Belgians** were iced for being like cockroaches because there are so many of them. What the fuck, **EMPEROR AIRHEAD** was *walking around with the pink rabbit under his arm!!*

What to do if you find yourself stuck with no hope of rescue

Consider yourself lucky that life has been good to you so far. Alternatively, if life hasn't been good to you so far, which given your present circumstances seems to be more likely, consider yourself lucky that it won't be troubling you much longer..
