**99 Hashers this week!**  
**Hares: Burl Ives and Golden Rivet**

Today was a different Monday for me. I was to drive the beer truck in V.V's absence. **TWO TIME** had already bought the beer, so it was for me only to drive and get the ice before driving out to the run A-Site.

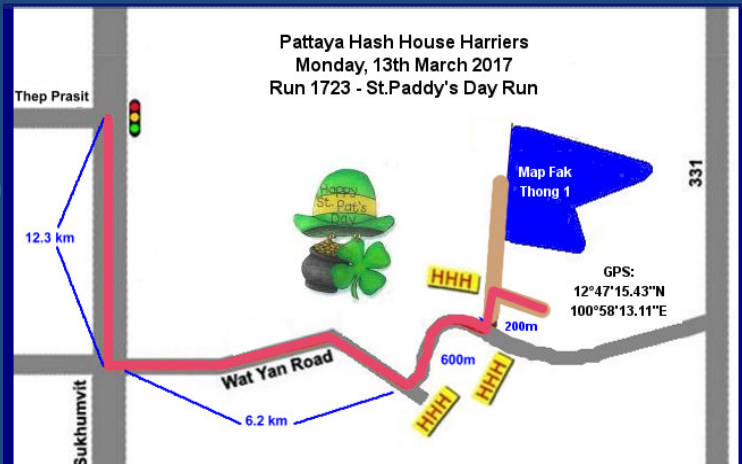

**TAMPAX** was there as well helping with the ice, and loading and unloading all the stuff that is needed to make **PH3** a great Hash.

A-Site was at *Monastery Hill* or *Spag Hill* as we used to call it. I was here only 2 weeks ago when I, myself was one of the hares, but there are many ways around a hill.

Good turn up again this Monday, but did not get the exact number, but after all had arrived and signed up we set out. Trail was made for runners and walkers, and it was only 100 meters before we were attacked by wasps. I managed to escape out in a field of high grass, and get around those angry bastards.

Catching up with a few other walkers I walked the running trail. As these days I am a walker. That also meant that all checks were broken, so I got 6,1 K in total.

Catching up with a few good looking girls, which all were holding their phones up in

**A-Site Mis-Directions:**

From Soi Thep Prasit drive South along Sukhumvit Road approx 12.3 km to Soi Wat Yansangwararam (Wat Yan). Turn left and continue through the Wat car park and up the hill - approx 6.2 km from Sukhumvit Road. Turn left (HHH) and after approx 600 m, turn left again (HHH) down a dirt track. The A-Site is 200m down this track where you will see another track on the right (HHH) well before the causeway. Please park along this track.

front of them, texting or filming or playing games, I don't know. I later heard that one of them fell over and hurt her leg. Say no more.

Back in all seemed pleased with the run. The hares were nowhere to be seen so could not thank them for their efforts? Did not see them at all before the circle was called?

Our **GM MENTAL DISORDER** started off as normal with icing the hares, and then handed it over to the **Raffle** trickster **SIR FREE WILLY**, and one winner after another appeared, leaving nothing to me.

**WANK-KING'S WANKER** took over, and
