102 Hashers this week!
Hares: Kee Mah, Mental Disorder, Menstrual Disorder and Wank-King's Wanker
Scribe by: No More Cum

Today was our annual **St. Patrick's Day R*n** and the hares were **KEE MAH, WANK-KING'S WANKER, MENTAL** and **MENSTRUAL** from the **DISORDER** family. The wonderful location was at the side of the lake near **Buddha Mountain**.

The r*n was clearly papered and and took in some enjoyable scenery.

On completion of the r*n, 102 hashers were welcomed back with the usual snacks augmented by portions of *pea and ham stew served up with rice and bread*. The majority, with well-honed lifelong tendencies towards strong liquor, were equally elated by the inclusion of *shots of Jamesons* to help settle their digestion. That wasn't all they had to smile about. *A free commemorative shirt was also theirs to take away*. This would have been an added bonus to those whose wardrobes can only boast shirts of an orange hue.

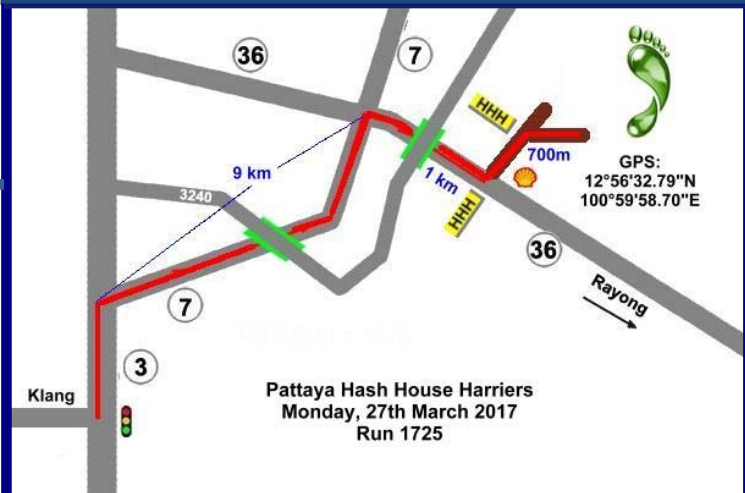

The theme was **St Patrick** and the colours were those of the Irish tricolor, predominantly green and the hares wore the now familiar hats to celebrate the day. The pre-affle of a *bottle of Jameson's was won by the ever popular Raffle Master SIR FREE WILLY* with ticket 89.

Once **SCAR W/2T'S** had dealt with the hares, we were entertained by **SIR FREE WILLY**, who thought the circle had developed an interest in Rugby and proceeded to bore us all about how both **English** male and female teams had obliterated **Scotland** at the said sport. **BURL IVES** sat down to endure the best **SFW** could offer in the form of mockery before we finally moved on to his real raison d'être, the **Raffle**.

Prizes were scooped up by the following lucky winners: **ULI'S GOOLIES, ODD-JOB, POLE FUCKER, HARBOUR WHORE, BLUE NOSE, GIGGLE TITS, MAYO QUEEN, TESTICLES** and **GROUCHO MARX**. **LORD CHICKEN FUCKER** was talking to me, so I might have missed one.

It was now the **GM's** turn to ice the hashers with birthdays this week. **GADDAFI'S BRIDE** sat down together with **CRAPPER**, while their girls proceeded to make pretend cakes on their heads, consisting of flour, eggs and chocolate sauce – lovely.

EMPEROR AIRHEAD sat the hares down in the traditional manner and, amongst other things, made reference to **KEE MAH** buying a 10 wheel dump truck for his ex-missus. What happened to the water buffalos of by-gone decades? It also transpired that the

A-Site Mis-Directions:

From Soi Pattaya Klang head North on Sukhumvit and take the Hwy 7 on-ramp. Travel down Hwy 7 to the Hwy 36 on-ramp to Rayong. Continue along Hwy 36 passing under the 3240 flyover and continue for a further 1 km. Turn left into the dirt road just before the Shell Station (HHH). Travel down this road 700m and turn right into the track(HHH). The A-Site is 100m along amongst the trees near a sala.

food, thought to have been prepared by female hands, was in fact courtesy of **BAM BAM**, a face we haven't seen on the **PH3** for quite a while.

Then **NECROPHILIA NIGHT RIDER** sat down with his prize bear, we learnt about *his tendency to fritter away vast sums on whores* and his recent attempts to cultivate meaningful relationships. His desire to follow this route seemed to have been blunted somewhat by a hefty **75,000 Baht bill to have his car fixed** after one girl crashed it. A final resort to electronic dating left him with a 5,000 Baht bill for dinner and with the inclination to return to his former ways.

The **EMPEROR** then sat down **BILLION SUCKER** and **LINEAR ACCELERATOR**, looking like **Stevie Wonder** in dark glasses. It is night time, by the way. **BILLION SUCKER**, in his exuberance to prove how alcohol turns him into John Travolta, has reportedly *twirled one of the TQ dancers into the pole at the end of the stage*, nearly knocking her out. On the same theme, the reason for **LA's** dark glasses now comes to light. Having developed a **Bangkok** habit of late, he has somehow managed to upset customers in an **Irish** bar there and *received 2 black eyes for his troubles*. I think that the perpetrators must have had small fists, in order to inflict such

injuries, without hitting his nose.

A virgin called **Hubert** has now passed out from the *Belgian Hash Training Camp* and swelled the numbers on the **PH3** from this strange place still further.

It was now **WANK-KING'S WANKER's** turn to exercise his steely grip on the circle and thrust commemorative shirts into the hands of grateful recipients. **BULL TRACK** received a **50 Run** version, while **RUBBER DICK** is close behind myself with a **200 Run Shirt**. A **50 Run** anniversary was shared between **IM LAO** and **FINGERLESS**.

The hares relied on **TAMPAX** to provide his version of "*The Wild Rover*", which was familiar to most of the circle and warmly received. **TAMPAX** unknowingly had the 3 Degrees in the form of **TELLY TUBBY**, **LOST CAUSE** and **TOM BOY** to back him.

The circle was once again honoured by the presence of **LORD CHICKEN FUCKER**, who sat down **MENTAL DISORDER**, **SCAR W/2T'S** and **WANK-KING'S WANKER** and accused them of being brainless due to their reliance on clipboards. After delivering his version of the Bob Dylan classic "*It Ain't Me Babe*", he then proceeded to wander about with a clipboard of his own, bemoaning the recent demise of his side **Millwall** at the hands of the football elite that is **Tottenham Hotspur**.

SCAR W/2T'S finally got to grips with sloppy elements in the circle and iced both sitters and trouble-makers in general. **LORD CHICKEN FUCKER** was introduced to his grey-haired female fan club. It was difficult to tell whether these were the same hashers, who had thrown their large under-garments into the circle earlier, in a wild frenzy of unbridled delight at **LCF's** appearance on our coveted stage.

Once **REDCOAT** had made his vocal offering about **Belinda**,

her window and his sombrero, I drifted off into a world between life and death and can only remember a shocking image of **BURL IVES** and yet another song. After pulling myself together, I was able to "*Swing Low*" with everyone else.

I conclude finally with a big thank you to the hares for a fine day of hashing. A special thank you goes to **KEE MAH**, our resident philanthropist, who asked for no more than 5,000 Baht from the **PH3** towards the costs of this event. Take your time and work his generosity out for yourself. **Nicky's Bar** was well attended as usual and made us very welcome. *I thanked Debbie personally and hope others take the time to show their appreciation to our hash bars.*
