The Disorder Run

84 Hashers this week!
Hares: Rat von Kiel and Unstable Load
Scribe by: Brokeback Ben

So without taking last week's advice and avoid standing in a crowd at the start of a run I was approached by a somewhat .. sober **MENTAL DISORDER**. After a few pictures from his days as **Australia's** smallest body builder (something like that) I was appointed the task of this week's **SCRIBE** so here goes No thanks to **NO MORE CUM**.

The day didn't start off too well for me as I made the mistake of forgetting my shoes! However, **FREE WILLY** came to the rescue and leant me his shoes. I was very grateful until he happily made it aware to the circle and I took a drink from his shoe..... *I'm still awaiting the lab results to see what I may of caught.*

This week's run saw four packed baht buses leave from the **Buffalo Bar** on Sunday afternoon just so they could get to the **A-Site** just in time for **Monday's Run**... We will blame that on **WANK-KING'S WANKER** for leaving early causing a few late comers to miss the bus.

Six Virgins attended the run this week, **Bart From Holland** , **Kane from Thailand** and Ginger pubes (**Raymond**) from **England** .. The other three I'm not quite sure of their names.

THE RUN

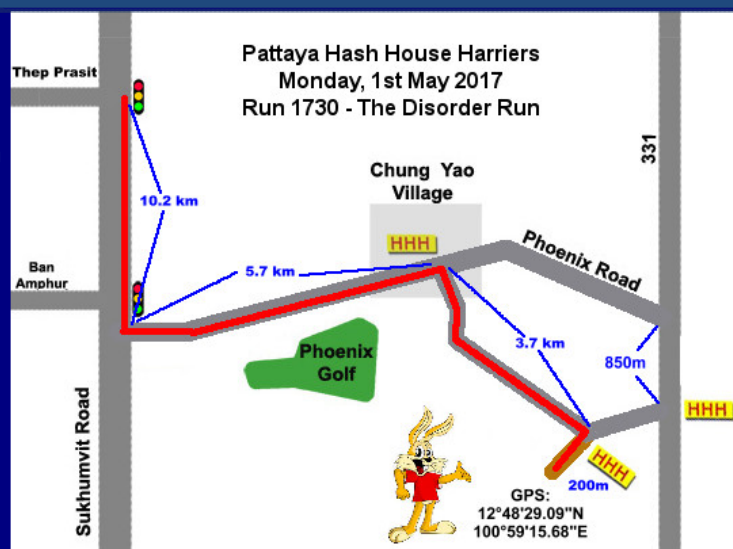

Did anybody actually understand THE BELGIANS explanation of the run? ...

Well needless to say there was not enough hills and trees in the run. Very different to last week's Run and a few falls in the Jungle I believe. **DIRT LOONEY (Flower Shirt Wanker)** was a great participant showing us where all the short cuts were. I'm guessing he had been enjoying the water fights before turning up for the run.

However we did eventually get some tarmac, much to everybody's delight but it was short lived. The paper trail was well layed with a few spin offs towards the end leading the runners back towards the beer truck. A few little Teasers. *Good job to the Belgians for Haring the Run.* I guess you are good at something after all. Singing In The Words of the one never negative hasher "*The run was good.*" (**BALL RINGER**)

As the Runners made their way back in to the **A-Site** we were treated to some wonderful **Curried Chicken Sandwiches** and cold beer from **VV** again. *Outstanding and quickly sold out.*

As the Circle formed the **GM** quickly had everyone's attention, A bet from the beginning of the run saw **OBEWAN** put in the bucket. *It would appear he's not as fast on his feet anymore ...*

A-Site Mis-Directions:

From Thep Prasit follow Sukhumvit South for 10.2 km and turn left onto Phoenix Country Club Road. Continue on this road past the golf club and after 5.7 km turn right (HHH) in the middle of a small village (Chung Yao Village). Follow this paved/dirt road for 3.7 km and turn sharply right (HHH). Drive 200 meters along this track and the A-Site is situated about 50m on your left (HHH).

FREE WILLY was then interrupted from one of his prison stories to conduct the **Raffle**. First out of the hat came **THE LIZARD** who quickly Snapped up the Biccys, **VELCRO DICK** came out second and claimed The biggest bottle of alcohol on offer. **STUPID KRAUT KUNT** surprised everybody this week by *not claiming another pair of panties*. We will talk about them later. Fourth out of the hat and on fire was **VELCRO DICK** again. Luck of the Draw. Fifth came the **Belgian**. **NO MORE CUM** came out sixth and claimed the chocolates for his lover. He does have a sweet side after all. **GADDAFI'S HUSBAND** claimed seventh prize which *left the panties for BELL END to claim much to BALL RINGER's delight.*

As the night went on and the beer flowed **EMPEROR AIRHEAD** took control of the circle quickly to welcome **OBEWAN** back to the ICE, He was then joined by **BEN** who once his got his shit together finally joined **OBEWAN** on the Ice. Well the Bucket in the end for Time Wasting. As the **Naming Ceremony** went on the crowd decided on two choices – **BAREBACK BEN FROM JOMTEIN** or **BROKEBACK BEN** and much to **WANK-KING'S WANKER's** delight they

Hash Trash - BROKEBACK BEN - Littering the baht bus with his sunglasses.

decided on **BROKEBACK BEN**. I'm not quite sure why he was so keen to sit next to me on the baht bus back to the **ONON**.

As **EMPEROR AIRHEAD** got more and more aroused he invited *four Young Ladies* on to the ice... Or his knee should I say. We are still not sure what was in the pocket but im sure it was not his phone. I'm quite certain to say the girls walked away from the evening somewhat confused about the whole proceedings and with that a job offer to work in the TQ. *Will they return? Maybe one day.*

The **GM** was welcomed back into the circle and came across a somewhat lost **Slovenian** who was reluctant to buy a shirt. A shout from **FREE WILLY** confirmed the **Slovenian** was in fact *a tight cunt who didn't want to buy a shirt*. His last run was accidentally one year ago and he was somehow lost. He went in the bucket.

As The **GM** went on I couldn't help but notice he talked a lot about sex. A little worrying as there were a lot of children in the circle last night, Talking about sex **UNSTABLE LOAD's** wife was caught asking if he had any condoms which then lead to them being on the ice. And as we all discovered that *the real reason for her asking for condoms was because in fact he had gonorrhea.*

We had a Hashy Birthday last night, Happy Birthday to **BEETROOT HEAD** we hope many more to come and also a farewell to **FLYING FINN** who was presented a **GOLD COIN** by **WANK-KING'S WANKER**.

Finally bringing proceedings to an end the circle was left to **NO MORE CUM**, I still must find out where he gets his hair cut so

I can avoid it. **WANK-KING'S WANKER** was brought onto the ice for his fuck up with the Baht Bus. **BROKEBACK BEN** was presented with the **HASH TRASH** for claiming a pair of sunglasses which had been left in the bus the week before. A Good Old SingSong by the **Belgians** brung proceedings to an end. Hopefully the **GM** will forget about the conversation at the end. it would appear **BROKEBACK BEN** is out to save a few quid.... And there we had it another Great Night and end to a Run .. On to the **ONON**, the famous **Tahitian Queen**.

After finally making it there very thirsty we were warmly welcomed, Some tasty snacks on offer and some Eye-candy On offer the night spiralled on out of control. Thanks **EMPEROR AIRHEAD** for the **ONON**. See you all next week

For anything or anybody I may have missed I do apologize as the night went on the beer tasted better ...

On-On ! Brokeback Ben
