92 Hashers this week!
Hares: VV, Two Time, Zenergy and Lipovitamin
Scribe by: Gangreen

Well ladies and germs, another beautiful day to head off to the Pattaya countryside to do another Hash House Harriers run. It's not very often we get to do a run 'hared' by VV and TWO TIME so all the Hashers were giddy with anticipation. I heard that there were approximately 92 runners for today which is damn good considering people are slowly starting to drift back to wherever home is for the summer mating season.

Arrived at the 'A Site' after a very, very quiet baht bus ride. It's not too surprising to anyone who has Hashed for a while that Hashers are usually a bunch of dollards who only talk about their body ailments and how Thailand was long, long ago. It is not until after the consumption of 3 or 4 beers that their brains get stimulated and may start to develop any surprisingly intellectual keenness or awareness.

First circle called to order by our GM for the day **MENTAL DISORDER**. Not much to offer on the punishment front as there was only one 'Virgin' and one 'New Shoes' to take care of..... so quickly it's now the hares turn to explain to the few people who actually do listen to this what the run was about. And then everybody started running around....the runners off somewhere and the Beer Hunters running in the opposite direction to the nearest baht bus.

The Beer Hunters have had a tough go of it lately. Their fearless leader **REALLY SADISTIC BASTARD** was back in Scotland taking a *refresher course on how to insult people* and was missing in action for 6 weeks. I think that for 3 of those weeks, there was no Beer Hunt at all. Now **SPAGHETTI HEAD** (who usually looks like he has just been taxidermied) tried his best to keep this group of octogenarians together but it was like watching a episode of "Zombies" seeing all those evolutionary throwbacks just wandering around aimlessly waiting for the first runner to arrive.

Couldn't do the run myself as my ass was stuck to one of **NECROPHILIA NIGHT RIDER's** plastic chairs. But it turned out very well as **AIRHEAD** and I had a nice chat and **FREE WILLY** was also able to squeeze in another one of his prison stories. With each new prison comes a different story.....It's like one of those old 'cliff hanger' serials where he just tells you enough to make you want to come back next week to know more.

And after getting permission from **MENSTRUAL DISORDER**, (Our one term GM) **MENTAL DISORDER** finally called the second circle together with the first order of business being to ice the hares.....VV, TWO TIME, ZENERGY and LIPOVITAMIN. From all reports, it was a great run and I noticed that runners were still coming in long after the front runners had thankfully arrived. As usual, a very big thank you to all the hares for everything you did and of course another thanks to VV for his always welcome *great BBQ sausages*.

Most cities in the world have a place that isn't talked about in polite circles or when you do go there make sure all the car doors are locked.... Well the Pattaya Hash House Harriers have such a place.... it's called the "Monday Lottery" run which is owned/operated by our very own **FREE** (Sorry no refunds, no receipts) **WILLY**. Lots of liquor, cookies and probably a pair of panties or two were on offer today. Didn't catch who the winners were but just noticed that the prizes were won by a bunch of bloody foreigners.

A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 5 km and turn left (HHH) into the dirt road. The A-Site is 300m along on the right.

It was now **EMPEROR AIRHEAD's** turn to take over the circle. To no surprise to anyone, the Hares are iced. Now **AIRHEAD** was using his "good cop" routine on the hares and soon had them confessing that it was really **TWO TIME** who did all the haring work today while VV was playing with his sausage or something like that. That poor girl thought that when she met a Falang, all her troubles would be over and not have to go back walking around working in farmer's fields again.... **Wrong!!!!** And VV's co-hare and poor brother **ZENERGY** still doesn't speak any English while his lady friend doesn't speak any Belgianese. **AIRHEAD** figured out the secret to their long relationship is that they never talk to one another. So it just goes to prove that if you want a successful partnership, you don't have to know your ABC's.....just your ATM's.

Next up were **NECROPHILIA NIGHT RIDER** and **FERRY QUEEN** (the last of Pattaya's true Soi. 6 Swordsmen). I was going to write a little about what was being said about them but *I started to feel all 'icky' and wanting to have a shower* so we will move on to.....

Super Mom was brought in next by **AIRHEAD**. It was mostly to apologize for all the comments made to her daughters last week by our GM... luckily they all took it in great fun and surprisingly had a great time on the Hash. I guess being surrounded by a bunch of old men all with their pants down will be something to tell their classmates about when they return home. Sadly our GM **MENTAL DISORDER** was claiming inebriation as the cause of all that misunderstanding and he didn't realize exactly what had happened *until reading the police report later on listing all his indecent comments*.

Our GM next iced **SIR FREE WILLY**. Usually around this time of year we have our annual **St. George's Day Run** but this year's was cancelled. While **SIR FREE WILLY** was explaining things to us, he was suddenly surrounded by a bunch of **STUPID KRAUT KUNT**, **NOT SO STUPID KRAUT KUNT**, **KRAUT KRAUT KUNT** and some other kind of **KRAUT KUNT**. I think being surrounded by all these **KRAUT KUNTS** panicked **SIR FREE WILLY** and his inner *Jewishness* come out as he remembered the German sense of humor when it came to his people (or maybe just him in particular). But luckily no harm came to our **FREE WILLY** and those Germans just kept yelling and strutting around showing off their *"Besserwissere"* which is their *"German know-it-allness behavior"*

Next up is our resident 'Party Pooper' named **WANK-KING'S WANKER**. Fortunately for the Hash we got his abbreviated version of our weekly awards with: **UNSTABLE LOAD** with 50 Runs..... **ZENERGY** with 5 Hared Runs and **TOM BOY** with 5 Hared Runs.....Congratulations to those worthy people and the Hash for only having 10 minutes of **WANK-KING'S WANKER**.

By this time, the circle was starting to become restless and rowdy so it was **SCAR W/2T'S** turn to settle us all down. As we all know that **SCAR** is like the **John Wayne** sheriff who brings law and order to town. **SCAR** never has to scream or rant or rave and neither did he have to console, cajole or comfort, His reputation preceded him and a hush finally fell over the circle. Finally some common sense I thought as **SCAR** starts off showing us some wooden plaque he received with the usual Hash House 'fuck ups' on it.....but now my notes say that the story went from said plaque ending with some story about a dildo and who knows what else as my writing is starting to get a little blurry. There must be a God if I didn't have to endure what was being said in the circle any longer.

I think that **NO MORE CUM** then took over the circle but since nobody ever listened to him while he was our GM, why would we start now?

And finally it's "Showtime"!!!!...the **Hare Song**. As usual, **VV** did his *Marcel Marceau impersonation* and did nothing so it was up to **BURL IVES** to do the

deed. We were treated to a rendition of *"I Don't Want To Join The Army"* a Hash House classic.

It was time to close the circle with the final down-downs which were given to two ex GM's..... **SCAR W/2T'S** and **NO MORE CUM** who led us all to *Swing Low Sweet Chariot*. Those 2 gentlemen did an excellent job of leading the circle with this song....in fact I think all us Hashers who were still there agreed that they are better ex-GM's than they were real GM's. See you when you get back.

Luckily I was able to sit in the *'Comedy Club'* baht bus on the trip back to **Pattaya**. It was probably one of the best baht bus rides I've had in a long while and even though nobody remembers who was there or what was said, an aura of jocularly permeated the air which allowed us to take our minds off the fact we all had to take a 'piss' and couldn't wait for the bus trip to finish.

And remember: If you don't sin, Jesus died for nothing
