After the morning rain it turned out to be a very warm afternoon as around 84 Hashers assembled at the compact **A-Site** just off the 3240 for another fun-filled afternoon with **PH3**.

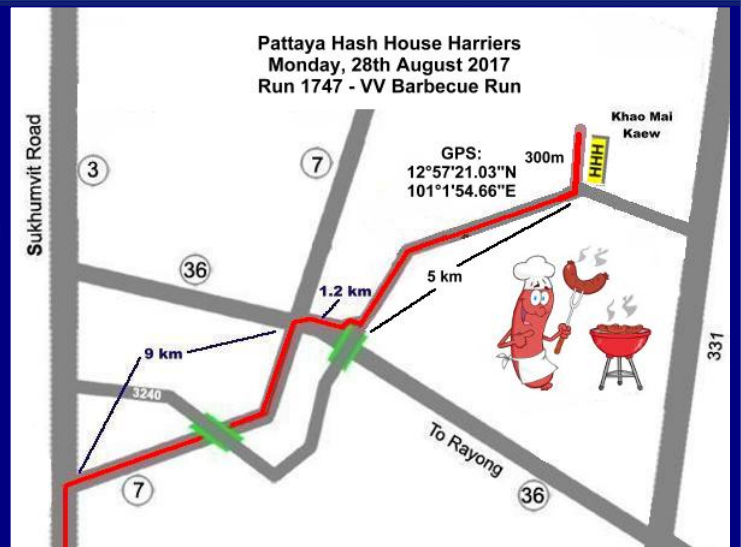

GM Mental Disorder calls circle in 5 minutes threatening to put the last one in the bucket, 1 minute later he calls “circle up”, the **GM** has no concept of time. The usual shenanigans take place, a number of visitors, 3 virgins and of course the new shoes, who all happened to be the virgins, surprise surprise. The Hares, **VV** and family tell us about the run, shredded paper on the ground and the usual checks and back checks.

Off we go, **SPERM POLLUTER** and **DEL BOY** leading the way with **SEAL SUCKER** trying to keep up. Clever checks and back checks keep the pack together, **JACKAL** goes down gracefully after tripping over a leaf, letting out his usual scream of pain. **DEL BOY** does a swallow dive into a big puddle of dirty water, comes up coughing and spluttering and whinges like a bitch that he’ll probably end up with some infectious disease after swallowing half the puddle.

The **FRBs** arrive back at the **A-Site**, all hot, sweaty and out of breath after a 12km slog through a mixture of terrain. Never expect to have dry feet when **VV** hares.

After a delicious **BBQ** the **GM** calls the second circle. The hares are iced, all 6 of them, of which 2 of them did the run, never did find out why but never mind. Tadpole **TADPOLE** took a big shopping bag with her on trail, she said it was to carry her water and not to go jungle shopping, honestly, how can you not believe that cute and innocent face.

Raffle time, the **GM** announced that **SIR FREE**

A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 5 km and turn left (HHH) into the dirt road. The A-Site is 300m along on the right.

WILLY has collected 50,000 Baht from the **Raffle** this year, with the **PH3** making at least 5% of that, (just joking). Anyway **SFW** conducted the **Raffle**, and the winners are, **LUCKY NUMBER, FORREST HUMP, RAT VON KIEL, BABY HEWY, MOSQUITO** and **LOST CAUSE**.

GENERAL KIDNEY WIPER is iced along with **JACKAL**, after the aforementioned mentioned theatrical performance by **JACKAL**, **GKW** hands over the **Hash Crash**. It turns out that the shouts of agony from **JACKAL** depends on his blood sugar levels, and so is his sex life, if the blood sugar is down then he can’t have sex, but he said not to worry cause it’s always up (*tough to perform if it’s not up*).

The one and only **EMPEROR AIRHEAD** takes the circle and put the hares on ice, he talks about the 2 distinct groups of **Belgians**, i.e. **VV** and family who

are all very close and **UNSTABLE LOAD** and his crew of reprobates. **VV's** brother in law is iced and his girlfriend sits on his lap, it's time to get named, she has chosen **MOSQUITO** as her hash name, strange really as she didn't look like an *annoying blood sucking little bitch*.

EA then ices a fellow **American** called Steve, turns out that Steve got divorced which virtually ruined him and he almost went to jail for strangling his ex wife. However, like most of the males on the **Hash**, Steve found the love of his life here in **Pattaya** (how sweet), and wanted to take her back to **America**, so off he toddles to the embassy in **Bangkok**, only to get rejected. But that didn't stop Steve, he went to several other embassies in several other different countries (9) in total and got rejected at all of them, but he's determined to get a visa by hook or by crook.

So it's time to name Steve, a number of names are bandied about but there can only be one winner, after virtually strangling his ex wife to death, he is now called **PSYCHO STRANGLER**.

GM has the circle, puts **DEL BOY** in the bucket for giving his girlfriend his Monkey shirt, **FORREST HUMP** also gets the bucket treatment for being a *Cheap*

Charlie and not buying his girlfriend a hash shirt. Whilst in the bucket **DEL BOY** informed everyone he met his girlfriend online a month ago and just met her in person this week. His girlfriend was a bit concerned because she thought **SPERM POLLUTER** was **DEL BOY's** ex gay lover. Whatever gave her that idea, but it's better than having **SIR FREE WILLY** as your Dad.

BALL RINGER get his **600 Run Shirt** (blue pastel coloured, extremely gay looking).

The hares are iced and **BURL IVES** sings the **Hare's Song**. Last 4 down down beers are disposed of and **BEN 10** leads everyone in the Hash Hymn, another great afternoon comes to an end, but the hardy and the drunken continue on at the On On Bar, the **Blue Heeler**.
