VV Barbecue Run

A-SITE EDITION

87 Hashers this week!

Hares: VV, Del Boy and Duchess Tadpole

Scribe by: Sauce for the Goose

Another good turn out with 87 hashers this week and five baht buses needed. At one stage those on baht buses thought they wouldn't make the run on time because of big traffic jams on the highway. It was thought it may have been because of police clearing the roads to make it easy for VIP's to travel with the road to themselves, but no, it was just roadworks causing four lanes to blend into two.

A big crowd was at the A-Site and the new Acting GM, **THE WIZARD**, calls the first circle and brings in four Virgins, **Dean** from Wales, **Mick** from Brisbane, **Bowonkamom** from Thailand and **Pui** also from Thailand. **FRODO** and **MOSQUITO** drink out of their shoes for having new shoes. **GM** calls in the hares for this run, **VV**, **DEL BOY** and **DUCHESS TADPOLE**. **DEL BOY** is having a difficult time with his shorts lately and must have exerted himself laying the walk in the morning as his arse is hanging out the back of his shorts. At least that is better than the week before when his dick was peeping out of a slit in the seam of his shorts. The hares explain the run and off we go.

The walk is 4 km with a very artistic well marked split from the runners trail and then follows an easy wide trail through lush vegetation until we come across all the lazy bastards at the **Beer Hunters** piss stop. There seem to be a few more hangers-on this week. Then a bit more work is required to get back to the A-Site, crossing small streams and walking through cassava and pineapple fields. The runners were already back at the A-Site so must have been shorter than the 7 km promised.

VV was ready with his **BBQ** and the delicious pork or veal sausages in French bread were quickly sold out.

GM calls the circle and has some announcements that he didn't have time for in the first circle. **DIRT LOONEY** tells us about the Jungle Lunar Run on 6 September. **GM** ices the hares and asks the circle about the run. Front runner, **SPERM POLLUTER** thinks it was too short but **BEVERLY HILLS PINK COCK** thinks it was the best run. Walkers, including visitors, loved it and all agreed that

Run 1749 - VV Barbecue Run

A-Site Mis-Directions:

From Pattaya Klang make your way to Siam Country Club Road. (Sorry, with all the new construction we can't be more precise.) Head East on Siam C C Road for 7.3 km and turn right into Soi 32 (HHH). This is directly across from the Map Prachen causeway gates. Follow this dirt road for about 700m to the A-Site.

the trail was very well marked with plenty of paper. Maybe the hares were remembering their last run here and didn't want hashers getting lost again.

Raffle time again with **SIR FREE WILLY**. **MOSQUITO**'s boyfriend was put on the ice because apparently it is the third time in a row she has won. At least **LOST CAUSE** didn't win this week but **JACK WOW** won again. It was good to see some new faces winning and the last lucky prize went to **LIBERACE**, a big black cock, much to the delight of the circle. More about that later!

WANK-KING'S WANKER takes the circle and congratulates **DUCHESS TADPOLE** on being a hare 30 times. The **GM** calls **LADY FLIPPER** into the circle and wishes her a Happy Birthday and the Thai girls bring in a birthday cake which she shares. Thank you and **Happy Birthday LADY FLIPPER**.

The **GM** calls in **DIRT LOONEY**, **BOB-A-GOB**, **CRAPPER** and **JACK WOW** and ices them. They are the people he associates with out of **Hash** and as a way of introducing himself to the **Hash** he proceeds to make some statements about himself and ask his mates if it is true or false. There were eight questions and each one had to answer and then find out if it as true or not, so all of this took a long time. I wonder if they are still friends after sitting on the ice for so long. I'm still

not sure if I know more about **THE WIZARD** but his answers were very funny all ending with a joke. Well done **GM**.

Hard act to follow but **SAUCE FOR THE GOOSE** takes the circle and comments that the hash has more males than females and most of the males bring along their Asian girlfriend or wife. Picks out the supposedly single guys and puts them on the ice – **DIRT LOONEY, DEL BOY, PHANTOM, WANK-KING'S WANKER, JACKAL** and **FRODO. SEAL SUCKER's** name is repeatedly called but he is lurking in the shadows. When he is finally seen he is put in the bucket. **SAUCE FOR THE GOOSE** asks each of them why they are still single here in **Pattaya** when there is an abundance of women and their answers vary but none will admit to being gay. Doesn't stop **SIR REALLY SADISTIC BASTARD** singing them a gay song to get them off the ice.

GM puts **KARAMBA** on the ice with his wife **RUNNING DEER** and baby and the child is named **BABY DEE**.

SPERM POLLUTER's circle and he ices **ARSE-HOLEO** who has been in **Australia** laying bricks. He also ices his friend, a visitor from **Perth** with a Tagalog name that in English means *“Man with much Money.”* **SPERM POLLUTER** says he reminds him of **Worzel Gumidge** and then ices **MR POTATO HEAD**, also from **Perth** and calls them all, *“The Pride of Perth”* Then puts **HUNGARIAN HOOKER HUMPER** and **PHANTOM** on the ice, maybe because they are from **Australia** and are ugly bastards too.

SPERM POLLUTER brings in the visitor from **Bahrain**, **TENT POLE**, and his girlfriend **Pui** a hash virgin. He asks **TENT POLE** how he got his name and then produces

LIBERACE's “big black cock” and proceeds to get him to lie on the ground and puts the big black cock on him and asks his girlfriend to straddle him. **SIR REALLY SADISTIC BASTARD** couldn't contain himself and jumped on board and **SPERM POLLUTER** was just as bad and couldn't resist giving it a suck. *What is it with men and big black cocks?*

After all that excitement **BURL IVES** sings a song for the Hares and **BOB-A-GOB, BALL RINGER, BEN 10** and **HUNGARIAN HOOKER HUMPER** lead the **Hash Hymn**. Then it was On-On to **Nicky's Bar** for more beers and good food.

PS. **DIRT LOONEY's** voice could still be heard chortling down **Soi Buakhao** long after the last person had left **Nicky's Bar**.
