Respecting the laws of Thailand and the dignity of the people

Run Story By:

Sir MC again

Run # 1502 - 95 Runners

Hares: Wee Billy & Wee Jimmy

Ok someone forgot to ask for a scribe but it was a strange night altogether;;; Starting with the bus not arriving so two mini buses and a baht bus where organized by G. I Joe's little lady Squeeze My Tube, a little bit late and the a site which was near Bang Chang did not help with the timing. On arrival the hares General Kidney Wiper and Sir Really Sadistic Bastard who were all painted up were in a bit of a

panic as the sun began to drop from the sky and the whole Thai army arrived telling us to move, so off we went 600 meters along the lakes edge to a great 2nd a site moving cars and beer truck along with us. As the runners started to arrive the whisky started to flow, I was already drunk by this time as the circle started, 95 runners including all the returning Russians under control of Estonian Fucker

and many others, I was iced by Hellboy Fat for no reason the rest I cannot remember as I took no notes and was getting drunker by the second. The next thing I remember is the Thai army turned up on the second a site and ordered us to move again, luckily it was about that time of the night to get off to Jameson's for more beer.

Last Run Story Continues

Just read the hash report about Run 1502, from Sir MC and must admit I am bitterly disappointed. Three hundred and fifty words, which works out that he gets paid one baht a word for dribble.

Why am I concerned?

Because I was one of the Hares,

I am writing this in the hope that Clit Face will print it,

Really Sadistic Bastard and I planned this run about three months ago. We last visited the A site two months ago and all was good.

My roots are with the Pattaya Hash and this has always been a family hash. This means your kid can do the run. So I have always tried to influence my co-hares, this has to be easy enough for your wife or kid to enjoy. The Pattaya hash is a family

hash. This means your kids can do the runs. Did I just reiterate what some people do not understand. RSB and I visited the A site of our run a couple of weeks ago.

Major fuck up!! It was all ploughed and filled full of tapioca (cassava).

We changed the A Site.

Laying the Run

Really Sadistic Bastard had a Jungle Run on the Sunday, so we decided let us Lay the run on the Monday morning. Big Mistake. I probably felt worse than Jimmy, and to be honest, I have not done it this way in years.

Proliferation of Runs

Three Runs in one weekend is dumb shit. But that is hash,

We thought we would not have too many. I made up these Scottish prizes raffle tickets. Not enough, but there you go.

The Army Intervention

This really caught us out. We had hung a bunch of Scottish balloons on the A site that morning. We just missed the military. Then when they arrived it was Fuck You Fellangs. Misses Spag was real helpful in trying to find a compromise between the hash and the army.

The Run

The run was called all the praises you would want.

Whisky was given out to "some" fast runners.

The circle was more fast and furious, as we had to get out there because of the army.

p.s. I went back next morning to pick up the Hash Signs. All gone and the army blocked me off to the A site.

Pps. My wife still thinks it is all my fault.

Hash Memorabilia

If anyone has T-shirts, towels, etc. from old special runs that are not wanted any more or Dvd's no longer needed, the raffle Master would be very pleased to have them as items to be raffled off in the circle after the run.

Hash Humour

Did you ever wonder why there are no dead penguins on the ice in Antarctica ?
Where do they go?
Wonder no more !!!

It is a known fact that the penguin is a very ritualistic bird which lives an extremely ordered and complex life. The penguin is very committed to its family and will mate for life, as well as maintain a form of compassionate contact with its offspring throughout its life.

If a penguin is found dead on the ice surface, other members of the family and social circle have been known to dig holes in the ice, using their vestigial wings and beaks, until the hole is deep enough for the dead bird to be rolled into, and buried.

The male penguins then gather in a circle around the fresh grave and sing:

"Freeze a jolly good fellow."

"Freeze a jolly good fellow."

Then, they kick him in the ice hole.

A big earthquake with the strength of 8.1 on the Richter scale hit the Middle East.

Two million Muslims died and over a million were injured.

Iraq and Iran are totally ruined and the governments don't know where

to start with providing help to rebuild.

The rest of the world is in shock.

The USA is sending troops to help.

Saudi Arabia is sending oil.

Latin American countries are sending supplies.

New Zealand and Australia are sending sheep, cattle and food crops.

The Asian countries are sending labour to assist in rebuilding infrastructure.

Canada is sending medical teams and supplies.

GREAT BRITAIN, not to be outdone, is sending

two million replacement Muslims.

God Bless GREAT BRITAIN Damn - those Brits are smart !!

A 65 year old woman had a heart attack and was taken to the hospital.

While on the operating table she had a near death experience.. Seeing God she asked "Is my time up?"

God said, "No, you have another 33 years, 2 months and 8 days to live."

Upon recovery, the woman decided to stay in the hospital and have a face-lift, liposuction, breast implants and a tummy tuck.

She even had someone come in and change her hair color and brighten her teeth! Since she had so much more time to live, she figured she might as well make the most of it.

After her last operation, she was released from the hospital. While crossing the street on her way home, she was killed by an ambulance. Arriving in front of God, she demanded, "I thought you said I had another 33 years? Why didn't you pull me from out of the path of the ambulance?"

(You'll love this)

God replied: "I didn't recognize you!"

Father O'Malley answers the phone. 'Hello, is this Father O'Malley?'

'It is!'

'This is the IRS. Can you help us?'

'I can!'

'Do you know a Ted Houlihan?'

'I do!'

'Is he a member of your congregation?'

'He is!'

'Did he donate \$10,000 to the church?'

'He will.'
