Miles and Miles In The Land Of Smiles

Respecting the laws of Thailand and the dignity of the people

Scribe Report by B.B.

A big crowd of hashers was already waiting for the transport when I arrived. Four baht buses were required to transport us all to the run site. After getting lost last week on the way to the run, I felt confident that we would get there this time as we had **ROBBING BASTARD** as the pilot. Mind you, he did have us worried as we turned down the service road again, and we all thought that he must have been using last weeks run directions. Anyway, we arrived to find a great A-site with plenty of room for parking.

Our GM, **SCAR WITH 2T'S**, called for the start of the run and welcomed us all there. He then welcomed all the Virgins and their Sponsors and told them that the *Pattaya Hash House Harriers* was now their mother hash. New shoes were christened as well.

Our hares then gave out the run instructions and off we went. Up hill to start with, and a bit of shiggy just to let us know we are hashing. Then it was down a nice track to meet up with the tar macadam road. We ran along that road for about 100 meters before heading back into the bush and tapioca. It was here that I had to answer a call of nature. By the time I was ready to run again I couldn't see any of the pack. Luckily for me, I could see the road so I made my own run back to the A-site. Talking to many people about the run before the circle started and the all agreed it was a good run, so well done hares.

A couple of cold beers and a feed from VV's buffet went down well before the circle was called.

SCAR WITH 2T'S called in the two hares and the normal questions about the run were asked. It was agreed that it was a great run and A-site. Apparently, the hares were going to use a different A-site but were run off by the locals.

Raffle drawn where there were 5 winners and lots of losers. I heard it suggested that maybe the odd box of Viagra or condoms would make great raffle prizes. Someone also suggested a bar fine, but I don't think the ladies would appreciate winning that prize. Could you imagine if a harriet won and then turned around to her husband or partner and said *"Hey Darling, this is for you"*.

EMPEROR AIRHEAD then had the circle and he dealt with the hares, plus 7 virgins and the young Norwegian guys. Telling us a great story about the young guys in the TQ bar where they told a 25-year-old Thai girl that she was TOO OLD for them. Oh, how I remember those days. Good to see that **Jarl Engebretsen**, who was a virgin last week, came back and even brought another new face along.

WANK-KING'S WANKER then has the circle and awards **HORSE** with his 5 hares cap, and tells a story about **HORSE** that involved unwashed ladies. Think that had something to do with **HORSE** getting a rash whilst in the Philippines. **SIR SPAGHETTI HEAD** is awarded his 60 hares cap, and now has more 'hairs' with the **PH3** than on his head. *"Who said Head? I'll have some of that."* Visitors where called and asked where they were from, and were also iced. Welcome to the **PH3**, guys. **TAMPAX** and **BALL RINGER** were also iced for talking while the Joint GM was telling his story. *"Will you guys never learn?"*

SCAR WITH 2T'S was back in the circle and iced another virgin and his sponsor because the virgin didn't buy a hash shirt but wore one of his sponsor's shirts. Come on mate, new hash shirt only cost about 350 baht. Then, the Russians where iced for their New Year and for hash trash, as one of them lost his running thong. **MENSTRUAL DISORDER** was brought into the circle so that she could show off her RING?????? The visiting German hashers, **RUDI VOELLER**, was iced for bringing a mini-barrel of Lowenbrau along for the hashers. Mind you, I didn't see it being handed out before the circle started, or I would have had a glass or two. One of the young Norwegians is back on the ice and we hear a story about a mozzie bite and also about some **PENISILLIN** being required. I was told a long time ago, *"Never take something home that you didn't bring with you!"*

MENTAL DISORDER then has short time in the circle telling us stories about **HORSE** again and also about how he noticed **FLYING FINN** training for the hash run in a bar. Well done **FINN** you have your priorities right. He also has a story about his landlord **BALL RINGER**. Have to go easy on him MD or he will put your rent up.

I then had my turn in the circle and iced the Russians again along with their Italian virgin. He is there calling himself the **ITALIAN STALLION** and so I had all the girls have a look while he was sitting on the ice. They mentioned that they couldn't see much so guessed that he had been gelded. Could be that if he returns, **TEENY WEENY 2** might be a more appropriate hash name. I also got to do the hares song so I called out the hares and added them to the people already on the ice.

The hash hymn is lead by all the Sirs and another great night of hashing in Pattaya starts to come to an end.

Like **WANK-KING'S WANKER** said earlier in the evening, grab a couple of people from the street, bring them along and let's make the magic 100 runners figure.

Well done hares, well done committee, and a big thanks to all you hashers who made for another great hashing night for me in Pattaya.

On on Forever BB

Next run, 1507, Monday Jan 21.
