Scribe Report 1515

Hares: Kee Mah, Mental and Menstrual Disorders

WARNING, this scribe may be a tad on the long side!
Once a Packer, Always a Packer!

Monday yet again, and it's time to pack up the car with all the tubes, wires, batteries, spare batteries, spare tubes, tools and then 're-glue' my old shoes. I'll have to wait a while before buying new shoes as times are hard and I don't want the hash to have to buy me a free drink before the run!, Boy am I glad I don't have any money in a Cyprus Bank, yes **KARAMBA**, you did say years ago the banks and governments would steal everyone's money!

Well anyway, today's run was down off Phoenix Road again after a break of 3 weeks since our last trip out here. I arrived at the a-site early to find **KEE MAH'S** truck parked neatly under a tree but no **KEE MAH!** So sitting down under the shade of a convenient Sala on a small hill with **MENTAL DISORDER**, I took in this marvellous a-site and the local countryside. Lots of parking space, nice views and a flat circle area.

After a short while **KEE MAH** arrived back and promptly led me out on trail to show me his very neat and original new idea for an On In sign. We both took a few photos and went back to await the arrival of the bus. Yes I did say bus, as I was warned earlier by **GI JOE** that the bus would join us again today. I wonder if we will see *'The Black Pearl'* next week?

One of the many, many people to step off the bus today was my old mate **WANK- KING'S WANKER** who has been AWOL for a number of weeks after catching the dreaded lurgy. Well he looked exactly the same as always -- emaciated, pale, dishevelled, hungry, thirsty, overactive, and was doing his usual jumping about all over the place like a cat on a hot tin roof routine. Cha Cha old friend ! So it's no surprise when after he asked for a volunteer to scribe today I felt compelled to help him out a bit when no one else did!

Next Run #1516, Monday, 25 March 2013

A-Site Mis-Directions: From Pattaya Klang, drive north on Sukhumvit Road and join highway 7 heading towards Bangkok. Continue for 9km and then take the Rayong (Hwy 36) exit. Continue heading towards Rayong but keep left and do not join the actual highway. After around 1.2 km, turn left at the overpass onto the 3240 heading towards Khao Mai Kaew. Follow this road for 2km to the a-site on the right hand side (HHH).

A note we received and want to share:

"Maybe you could add a note from me regarding our A site cleanliness. I went back the next day to clean up any garbage we left and there was none. The landowners were happy and there was no sign we had even been there. Well done PH3!

Gerry (**KEE MAH**)"

Another nice note:

"BBQ: The next PH3 BBQ will be on the 8<sup>th</sup> of April, Run number 1518, hared by **V.V.** and **ZENERGY**.

Thanks **V.V.**"

Editor's Note: This is what our little running club, PH3, is all about, fun and participation. You, the hares and runners are what makes it what it is.

See you all next week. Bring a friend. It's too good for just us

**Scribe Report 1515 – Continued**

**GM SCAR WITH 2T'S** called the first circle and dealt with the new shoes before inviting in the hares to tell us about today's special St Patrick's Day run. White paper hanging, red checks and special FT's (raffle prizes) that were actually made of a small card, silver and green coloured that would be hanging in the trees. Well to me this did sound a bit IRISH! An FT that would be 'nicked' by the first person who got there. And who would that person be? Of course it would be **SMELLY BASTARD**, our resident athlete today!

So off we go and depart the nice comfortable a-site for the undergrowth, Tapioca, pineapple fields and paper trails that would eventually herd us around a decent sized lake and along the causeway before taking us around to the back side of the a-site and the On In. Which reminds me that I'm sure I saw an Australian prick, wanker, knob head .....? run by a herd of cattle! "No, I'm not running, I'm just speed walking", he said! As if the cows will notice the difference. They must have really clever cattle down there in Australia and **HORSE's** too! Anyway, back to the trail and at one point the middle pack consisting of **HORSE, SEXY BUM, MRS HEAD, MARATHON MAN,**

Scribe Report 1515 – Continued

BEVERLY HILLS PINK COCK, EMPTY SPERMBANK, REALLY SADISTIC BASTARD and **FLYING FINN** followed the trail down to the lake only to find that the trail just stopped, Backwards and forwards we go but no one can find paper. Of course it was some time later that we realised that there must have been one of the 'raffle prize' FT's hanging there that some front runner had already picked up!!!

After entering and exiting the 'endless' causeway we suddenly came upon the front runners coming back to the trail from the right. "*What happened*", we ask? "*Oh, we followed the paper straight up there but it brought us back around to this place again!*" Oh dear, we seem to have been caught in an Irish loop! What to do now? Well I saw **MRS HEAD** abandoning the trail with **HORSE** in hot pursuit. Hey, that's got to be a good idea I said to myself (quietly), so **SEXY BUM** and I headed off after them and more or less worked our way directly back to the a-site after 45 minutes on the trail. Fine with them and fine with me as I was knackered anyway and I had already seen the On In!

I think most of the runners including **GI JOE, SCAR WITH 2T'S, EMPTY SPERMBANK, JACKAL** and **SMELLY BASTARD** did manage to find a way out of the loop and follow paper to the On In. Others such as **PELER** and **BALL RINGER** came back in the dark but were none the worse for it. Back to the a-site and what a very, very pleasant surprise to find that the hares were giving away 'free' St Paddy's Day run T-shirts to everyone on returning from the run.

After changing clothes and settling down for a cold beer I got to chatting a bit with **GENERAL KIDNEY WIPER** and **KING YAO YAO**. V.V. of course is also settled down at his food table but not too many people are visiting him. "*Don't worry*", I say, "*there are still a few people out following an endless loop but they will eventually get hungry and thirsty and come back in!*"

Anyway, as I was saying, I was sitting alongside **GENERAL KIDNEY WIPER** and **KING YAO YAO** and we got to chatting about 'the good old days' on the PH3 when the likes of **ENERGIZER BUNNY**, would regularly strip down to her g-string and sit on the ice or even in the bucket! Well you know that time was back in the early 2000's but then the **GENERAL** started talking about 'The Rat Pack!' "*Who the heck are they?*" I asked, "*did they run back in the 90's?*" "No", he says, "*these were a bunch of girls (harriets) who took on the likes of AIRHEAD (as he was known at the time) and THE POPE*"

way back in the eighty's!" They were even responsible for **KING YAO YAO** getting his name! There's obviously a lot more to this story but we will have to await another time and another day to find out more (part II). Suffice it to say that our present group of regular females from the Philippines with their hash partners in tow have an impossible act to follow!

Ok, I'm listening to Fleetwood Mac now so I think I can continue and finish this story (you should be pleased I'm not listening to Barclay James Harvest or Steeleye Span!) Where was I, oh I know it's time to talk about the circle. Has anyone else noticed that week after week the circle forms around the ice blocks but in an elongated shape! I measured it today; they were stood 7 paces to the left of the ice and 3 paces to the right! How strange, it must be the same people standing in the same places week after week! On that note, **SUZY WONG** and **HULK** did say that they were in the best place! Now who is going to argue with **HULK** I ask myself?

The GM started the circle and the hares were invited to sit on the ice but then **KEE MAH** fell right off! Crickey, that's early and it must be that Jameson's Whiskey taking its early toll! After some small talk about the run, **SIR BOTTOMLESS PIT** took over the circle and got the raffle under way. Some nice prizes were claimed by the likes of **BORDERLINE, STUPID KRAUT CUNT, Oy, WARM PISS, SEXY BUM** and **B.B.** While this was going on I could not help but notice from my peripheral vision that 'Wendy' was once again getting changed in the circle! That's got to be a sin right?

Gm **SCAR** continued and iced one of the beer truck police 'Joe Donald' for sitting down on the job. Time once again for **EMPEROR AIRHEAD** to take over and bring back the hares. They were in no danger of course as the **EMPEROR** was very impressed with this new a-site, the free t-shirt and the good run. At one point **BARNACLE BOLLOX** lost his way a bit and shouted out that **EMPEROR AIRHEAD** looked sexy in his green St Paddy's Day T-shirt! Hmmm, that's strange cos' at this point in this scribe I'm listening to Fleetwood Mac's 'Say You Love Me'!

EMPEROR AIRHEAD somehow was to still able to perform and he brought in **SCAR** and his friend **Bell** whom he then promptly named 'BELL STAR'. **MANX PAEDOPHILE PUSSY FUCKER's** girlfriend (**Ann Warunrat**) was named 'MORNING STAR' and with the naming over, **SMELLY BASTARD** was brought in for being a member of the 'Troika'. This is the three man

## Scribe Report 1515 – Continued

group: **SMELLY BASTARD**, **VASELINE THIGHS** and **MUD CRACKER** who are accused of never breaking checks, never calling On On and generally being super fit 'bloody' athletes who more or less belong to a 'Ghost Hash'!

Time for the hares to give out their run prizes (the hanging FT's etc). Winners included **SIR SPAGHETTI HEAD**, **MRS HEAD**, **HELIUM HEAD**, **BARNACLE BOLLOX**, **CHEAP NORGY**, **PISSED UP MERMAID** and **Pet**.

Official procedures included **MENTAL DISORDER** getting his **5 Hared Run** award cap. I'm finding it hard to read my own handwriting just now but then I realise this is NOT my handwriting: **SIR BOTTOMLESS PIT** has written down "THE BEST BREWMASTER IN THE WORLD", **V.V.** took over the scribe as **TAMPAX** -- (**SHORT CUTTER**) became temporary unavailable as he was called into the circle to be awarded his belated (2½ years) **20 HARED RUN** cap! **NEXT WEEK** then took over from **V.V.** -- (**SHORT CUTTER**) as he came into the circle to explain that he was haring with **TAMPAX** when he actually achieved his **20 Hared Runs** (not to mention the hours and hours of drinking after the recons and laying the trail).

**SCAR WITH 2T'S** put on the ice a guy called **Larry** who was not wearing a hash shirt and had not signed up. It was only after he was sat down on the ice that **SCAR** was told that this guy actually owned the land we have been using today ....oops!

**ROBBING BASTARD** nicked the scribe when **TAMPAX** sneaked off for a beer - **BARNACLE BOLLOX** took over the circle and iced all the English (including **TAMPAX**) and sang a song, **SIR MC** and **TURD BURGLAR** in the bucket during this time.

And it's back to **TAMPAX** for the last time as **V.V.** was called once again into the circle as he is 52 years old on the 19<sup>th</sup> of March and is far too active for his age! **GM** called in **JOHNNY HASH** and tried to find out exactly where he got his name but failed in his quest. Time for the hare song and **HONEY BEAR** and **MENSTRUAL DISORDER** got the 'NEW' Yamaha guitar out and sang the song "*I like to drink whiskey and I love to dance*". One last thing was for the **GM SCAR** to relieve **FERRY QUEEN** of his Hash Shit award. After that it was just the formality of the hash hymn to end the circle and send everyone on their way. The story should end here but we can now tell you that **BARNACLE BOLLOX DID** fall off his bike on the way out from the circle and '*The*

*Black Pearl'* DID stop by a 7/11 on the way home as a lot of people including **PUSSY WHIPPED**, **SCAR** and **FERRY QUEEN** got thirsty and forced the driver to stop so they could nip in and get fresh supplies!

Thanks hares (and **Larry**) for a great day out and a great T-shirt, see you next week

**TAMPAX****Editors Note:**

We heartily apologize to our readers that we were only able to include the first Chapter of Tampax' new book "*Run 1515 – A Day with the Pattaya H3*" (available in paperback at most fine bookstores) due to space constraints and the rising cost of newsprint.

As space permits in the future, we may print abstracts of later chapters.
