Run 1516 – March 25<sup>th</sup> 2013

## Scribe Report 1516

Hares: **FLYING FINN** and **ROBBING BASTARD**

Good trails lots of ups and downs, and valleys as I interview **PIG PUSHER SWINE STABBER** about the run, and with the refreshment bar in the middle of the trails, with all the salamakki, everybody came to one voice, " *GOOD RUN GREAT HARES!*"

We miss the **EMPEROR** I think he got lost again. *GM* calls the circle, raffle draws, etc..., followed by **WANK-KING'S WANKER's** stats report and interrogation. Everyone has fun from the *Scandihooligans*, on to 250 Runs for **BELL END**, the historic and remarkable among all, **GENERAL KIDNEY WIPER's** 20 hares T-shirt. I like the design; it reminds me of the past.

**EBONY PRINCESS** tells us a story about the Englishman she takes care of, but later she's too drunk and can't remember anymore. **PUSSY WHIPPED**, Beer Police, has a handgun to take care of the beers, this guy is really a good man and very funny. He also brought one of his snakes to take care of the bucket.

**STUPID KRAUT KUNT** and **VELCRO DICK** on ice and gave us very, very important advice: do not use your real name when you go out for short time! As **SKK** tells the story it goes like this, one woman from short time bar asked **VELCRO DICK** what is his name and he said, "My name is **MOSTAFA**", then the woman asks **SKK** the same question and he answered **ALIH**, the real plan of **SKK** is to use the name **PETTER** but since his one friend already used a Muslim name he must follow too. But the woman never believed them anyway. The woman said they don't look Arab they look like Europeans! But **ALIH** insists they were from **PAKISTAN** and he adds my real name is **ALIH W HEINEKEN**, then the Thai woman got mad and said " **ALIH UP TO YOU!** I don't want Heineken, I want **LEO!** And I **LEARN FROM THIS STORY**, from now on I will not use my real name, but instead **HONEYBEAR**.

**MENTAL DISORDER** took the circle, and put all *Scandihooligans* on ice. One Scandi lady didn't care to sit

Next Run #1517, Monday, 1<sup>st</sup> April 2013

A-Site Mis-Directions: From Pattaya Klang, follow Sukhumvit road (south) towards Sathahip. After 13.2 km turn left onto Phoenix Country Club Road (HHH) just past the traffic light junction for Ban Amphur. Continue on this road past the golf club and after 5.6 km turn right (HHH) in the middle of a small village (Chung Yao Village). Follow this paved/dirt road for 3.7 km and turn right (HHH). The a-site is situated 100 meters further along this track. Alternatively, if coming from the 331 then approximately 1km south of the junction of Phoenix road turn right (west) at a communications tower onto a dirt road (HHH). Keeping to the left, follow this dirt road for 500 meters to the a-site.

down on the ice, but only skin for **LONG BOOBS**, yehhey! Heya, *Scandihooligan!* **HELIUM HEAD** had a funny song about the kangaroo for the Aussie on ice, fuck off Aussie.

**STUPID KRAUT KUNT** (SKK) on ice again with his German friend from Berlin and is soon in the bucket. **SKK** is a great mentor; he tried to teach his friend how to lie in front of the circle. Even the *GM* tries to hide him, but he still finds ways to make everything perfect. But you cannot cheat the *GM*. His mate followed him in the bucket.

**SUPERVIRGIN** on ice for his very factual alibi, he did not make it to meet his friends because he was too busy

planning for the future. The GM brings BELL END into the circle to ask him what he was planning about, but SKK disagrees, he said he did not make it because he is so tired .....making style.

Almost finished then HELIUM HEAD asked the GM if he can take the circle and he was granted, he iced the hares and appreciated their effort for this run but he just missed one thing in the trails, the cattle, then he get lost for about 3 minutes and back with his cattle style woody horn and try to bump the hares.

The finale, the hares sing a very funny song! Too many people on ice plus the trivia of MENTAL DISORDER, 5 FRIDAY 5 SATURDAY 5 SUNDAY of this month.

Everyone enjoyed and had fun... and mostly forget something. G.I JOE is on the bus when he remembers his bag was still in the circle! Run quick, then here we go.... F\*\*\* off you cunt! F\*\*\* off you cunt! So happy that night!
