Run 1521 – April 29th 2013

Scribe report 1521 – 72 Hashers this week

Hares: V.V and Tampax

“... Tell me why, I don't like Mondays

Tell me why, I don't like Mondays

Tell me why, I don't like Mondays...

I wanna shoo-oo-oo-oo-oo-oot, the whole day down”

Why *Bob Geldof* and *Boomtown Rats* don't like Mondays must be because they don't hash with the Pattaya Hash House Harriers!!!! Or??? Well, this Monday started (or rather ended) as usual, waiting for **The Black Pearl** to arrive at Soi 13/1, to take us hashers out to our next hash-destination. And she came!

After the last run here, the land owner (and another thank you for letting us use his land) if you remember was quite pissed during the circle. Even though you could see his house from the A-Site, in his inebriated state he turned left instead of right on his motorcycle and it took him over 4 hours to get home. Hope he has better luck getting home this run.

This A-site was one of the most beautiful places I've seen. The hares today, V.V and **TAMPAX**, had made an about 8 km long run. The sky was clear blue and it was very hot. Much sun, little shade. Today I decided to walk. Walk all the 8 km, but someone cheated me and at the end I only made a 3 km walk ☹️ Ok, it was rather good, but a little bit too short for me.

When we came back to the beautiful A-site many people already sat nicely, well organized, in a little ring around V.V's BBQ-table. They all looked like nice small schoolboys sitting and waiting for the teacher to be finished ☺️ You could not believe that this was old, grumpy (very hungry) hashers!

As always when the circle starts, the hares are put on the ice. **GM** thanks them for a great run and they can drink their down downs.

Then the Brew Master, **SIR BOTTOMLESS PITT** takes over with his lottery. He tells us that **GI Joe** has donated an exclusive clock for this special occasion. But.....??? Didn't **GI Joe** win this clock last week???? However, I must mention, I won the big 2 liters of red wine!!!! Yeah, thank you **SQUEEZE MY TUBE** for selling me this lottery ticket !!!

And it goes on.... **EMPEROR AIRHEAD** gets the circle and takes in the virgins, there were five of them at the start, but only one of them enters the ring!!!! Did the other ones get lost in the jungle??? Oh no..... after the down-down, 2 wonderful, sweet kids, 6-7 years old, enter the ring and tell us they also are virgins, **Stephanie** and **Jessica**! Very cute!

And the next cutie entering the ring was meeeee.....! **AIRHEAD** really must love my baking because he takes me in to the ring and honors me for the cake. Ok, I had to share the moment with some other bloke, **REAR GUNNER**, because of some cheeses ☺️

When **WANK-KING'S WANKER** took the circle he rewarded **BENGT POTATO** for achieving 100 runs on the PH3. Great! But what I understood this was for over 1 year ago??? Well, he must have tried to stay away of one reason or another, but you can never avoid the PH3 and our desire to drink a down-down for someone that has achieved something great!

Next Run #1522, Monday, 6th May 2013

A-Site Mis-Directions: From Pattaya Klang, drive North on Sukhumvit road and join Highway 7 heading towards Bangkok. Continue on Hwy 7 for 11.5 km (around 2.5 km past hwy 36) and exit at the HHH sign. Make an immediate u-turn and go down the hill for 300 meters to the t-junction. Turn left and pass under the highway before turning left again and then after 300 meters rejoin highway 7 (in the opposite direction) and drive back towards Pattaya. After 600 meters turn left at the HHH sign onto a dirt road. The a-site is situated around 270 meters down the track.

Leavers were put on the ice, **B.B** and **STUPID KRAUT KUNT**, and as a surprise, **me (SEXY BUM)** and **PUSSY WHIPPED**. Now I realize, a leaver is someone who is NOT on the hash next time! Even if you're only busy with something else and not actually are going to leave. But, we got free down-downs, so it was OK. Next time when we come back, we are returners! That means more down-downs?

Next on the schedule – visitors on the ice! Two of them, guys from the **Jebel Hash, Oman**, didn't want to sit on the ice with bare skin because of cultural differences. Hmmmm.....! I didn't understand that at all. They come to Thailand, take their pants off for all the girls (or boys), and they cannot sit on the ice with bare skin??? What's the difference? Well, **WANK-KING'S WANKER** is a very understanding and intelligent man, so he made them choose; sit on the ice with bare skin or in the bucket! One chose ice, one chose the bucket. In all of this, **GANGREEN** walks in the circle and put his pale ass on the ice. He had got a red card from the chief inspector, **MENTAL DISORDER**, for disturbing the circle. Maybe **GANGREEN** should stay with being a scribe?

The last week there was a big hash in the Philippines and several of the hashers were there. **B.B** got the circle and put those guys on the ice; **E.T**, **TESTICLES**, **SEAL SUCKER** and the **Jebel-Men (SHAGGERZULU** and **SAODDU)**. Then we all got a really nice story about the Pilipino-hash and the true story of why **CRAZY PUSSY** was washing **E.T's** underwear.

After that **B.B** puts all gentlemen (who are they?), over the age of 55, on the ice. Surprisingly, not so many as I thought it would be, but they did fill all the ice-seats. Then he asked the men, with wives/girlfriends over 30 years of age, to leave the ice. Two geezers left! And the winner in age-difference was (of course!): **SUGAR DADDY!** I think **B.B** needed this for his own self esteem. This was a league he wanted someone else to win. **SUGAR DADDY** was celebrated with a down-down song from us all!

Now it's getting late and it is the beginning of the end. And since the hares were on the ice at the beginning of the circle, **V.V** has been sleeping in his chair most of the time. He must have had a very hard day with a tough run, much sun and all food-catering. But now it's time for **GM** to put the hares on the ice again. **TAMPAX** shuffles in and sits on the ice, but where is **V.V**??? Of course still very heavily sleeping! What to do? Well, there are many strong men on the hash, so some of them just lifted **V.V** up and put him on the ice. But he couldn't sit on his own, he constantly slipped off. Solution? The garbage can became his salvation!

GM SCAR WITH TWO T'S is a man who doesn't like to be scammed. And when he is, he puts people on the ice. That's why both **SUGAR DADDY** and **PUSSY WHIPPED** were put on the ice. And because **PUSSY WHIPPED** is **PUSSY WHIPPED** he ended up in the bucket! Why break a fine tradition?

I don't know if **SCAR** and **WANK-KING'S WANKER** are a little bit afraid of me being a scribe with so much ice-power, but they didn't want me to have the circle, I had to remind them that I was present!!! Well, next week's scribe is going to be Kiwi **SEAL SUCKER!**

The hares had been foresighted (I'm thinking of **V.V** sleeping) and let **HONEY BEAR** perform with a nice hare-song. Thanks to **HONEY BEAR** for letting us avoid having to hear the other two singing!!!

And a very big thanks to **SQUEEZE MY TUBE** for serving me a very good papaya-salad. It made me to a very bad scribe today. Eating and writing in the same time out in the hash is not a good combination.

Let's hash on-on!

Hashsheet Editor's Notes

I'm very pleased to announce that we have several special events occurring in the next few weeks. On the 13th of May we will again this year have *The Norwegian Run* that is a big favourite with all our PH3 hashers.

Two weeks later on May 27th, **VV** (of the Gourmet Café al Fresco) with Horse as hares will be 'giving it back' to us PH3 hashers in the form of our second *Mad Hatter's Run* this year featuring Pig on a Spit.

And if that isn't enough for you bastards, the first Monday in June (the 3rd) will be the *Betty Boop Run*. This is a 'girlie' run featuring an all-star line-up of the sexiest PH3 harriet hares. ALL PH3 harriers (male hashers for you unwashed among us) will be expected to arrive at signup in drag. As a reward you will run for free.

These special events require the efforts of many hashers who contribute to the fun atmosphere of the PH3. We all love you for it, and remember, PH3 is only as good as you make it. On-on
