"And Monday Is A Hashing Day". Oh yes it is. After a fashion show from **IM LAO** with her hash-shirts, she finally knows what to put on. *Yes, the first one she was wearing.* And it's the one she got for her 50 Runs last week. And proud that she is. After the morning rain, I saw **STUPID KRAUT KUNT** in Soi Lengkee, waking up the whole street with a horn. **IM LAO** goes buying food for the chicks. After sitting a little bit together with the *"Spursboy"*, looking like *"Tintin"* (**NO MORE CUM**), and **GENERAL KIDNEY WIPER** (again the strong hand GM today, now **MENTAL** is in Vietnam), five baht busses and **STREET CLEANER** with motorbike (to pick up those who fall off a bus) take off to the **A-site** (I wonder where it will be this time). A few mistakes from the driver, but we arrive at a beautiful A-site.

Before the run starts, the **GENERAL** christens the shoes from **IM LAO** that are already 6 years old (but I was thirsty, and it's dangerous to forget to drink), also the boots from **TV** from **Luxemburg**, welcomes a virgin **Hans** from **Holland** (Belgian sponsor **ARSE VAN HOLE**) and then the hares trio **TAMPAX**, **LOVE BOAT** and **DESERT SCORPION** explain the run with checks and backchecks. I did the walking trail and came in after 45 minutes with the **Beer Hunters**. After 1 hr 2 min the FRB's arrived. The first one was the lady **NOT YET**. She beat all the rest.

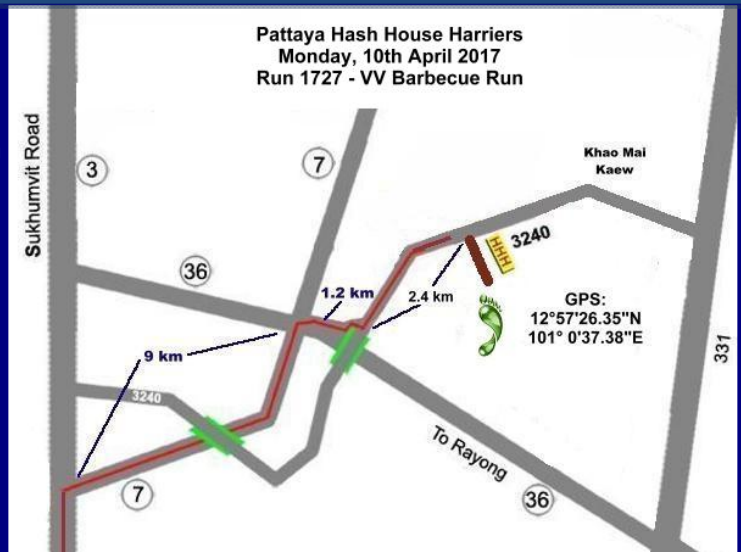

I found out that after the recce from Sunday, which took 6 hours, the **TRIO** hares (what a lovely romance) had a good drink and food together, and went to a concert. After the run, all the polite people came to congratulate the hares for their great work. Food from **VV**: the last bread (joepie) with curry was for **WHORE IN THE WINDOW**. The ring-pulls were filling the glass jar quickly!

It's getting 18:35: The **GENERAL** ices the **Hares**. It will be remembered as a very good run. Also the walk was very good. Many backchecks, so the whole pack came back together. For **SCAR W/2TS**, *it was the best trail in a long long time.*

The **Raffle** is a **WILLY**'s Job. Some winners were: **BLUE NOSE** with Casanova Bianco, **HAWKEYE** took the 100 Pipers, **NECROPHILIA** took the Teddy Bear because he missed some affection the last weeks, **BEETROOT HEAD** wants to see the movie *"The Quiet American"* from Michael Caine, **LIBERACE** walked with a superbra for the rest of the evening, **FLYING FINN** tried to find some affection with Sea Shells Belgian Chocolate, **RAT VON KIEL** had cold feet and chose the socks, **WHORE IN THE WINDOW** wants to remember the time with a big clock, **MAYO QUEEN** had a bag from **Air Canada**. Don't remember who took the Tiger Beer and the stuff for on your bread. Thanks to Willyboy.

Announcement from **SCAR**: The **Scandi-Hooligan Walkabout** next Saturday. It's the day I'm going home. Soi 6 will be a lot more safe without me.

EMPEROR AIRHEAD: 1) Puts the hares on the ice: good terrain; those who were afraid of the rain, missed a great day. 2) **NIGHTRIDER** and

A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 2.4 km (HHH) and turn right into a track to the A-Site.

FERRY QUEEN on the ice: young, fit and a pocket full of money is a dangerous combination – from some chicks the phone is always busy – the farther you go, the less chicks you get. **VELCRO DICK**: who had a chicken farm? – note for "the electronic lovers". 3) **WHO CUT THE CHEESE**, the Scribe from last week. 4) Virgin **Hans** from **Holland** had a good time. The **Belgian** sponsor **ARSE VAN HOLE**, his wife, came to look for him last night. He was playing Deejay somewhere (whatever that may mean). 5) **TADPOLE** and **IM LAO** for too much talking. After that, together with two other chicks, they got the power to put six guys on the ice. They were called the iceriders.

The **GM GENERAL KIDNEY WIPER** showed some real power by icing the talking **WANK-KING'S WANKER** and **AIRHEAD**. Song from **REDCOAT**: *"Viva Thai Ganja"*. The singing **REDCOAT** starts to be a tradition. At the end the whole circle was singing, while **TV** ended up in the bucket.

WANK-KING'S WANKER with the numbers: legendary hares **TWO TIME** (20) and **TAMPAX** (40). Also important to mention is the *Swedish-Norwegian meatball satee food from the hares LOVE BOAT* and **DESERT SCORPION**. Some hashers don't need food anymore the next few days. Other numbers you can find in the statistics.

By the **GM**, we get to know *"MAMA SAN"*: last run in 1992 and all the girls on the ice again. Good choice: with this welcome back, he will not forget anymore that there is such a thing as ice.

Saints and Sinners – 4

Hash Crash - JACKAL - Went arse over tip on trail and was heard making strange noises.

Hash Crash - THE WIZARD - Went arse over tip on the trail and didn't say a word like a true Spartan.

Hash Trash - THE WIZARD- Got the bucket for leaving a broken chair at the A-Site.

Hash Trash - FLYING FINN - It was actually Flying Finn's chair left at the A-site.

The **GM** got a lot of comment from **WANK-KING'S WANKER**, **GANGREEN**, **PAPRIKA SMILEY** and **GOLDEN DILDO**, because it was the first time he got picked up at the **Buffalo Bar** – bucket for **FERRY QUEEN** and friend – the bitch **IM LAO** seemed the reason we went lost with the baht bus.

Then it's time for **SCAR W/2T'S**: 1) **WANK-KING'S WANKER** in the bucket for losing his lighter, that fell out of his hair, while smoking a cigar. 2) **ARSE VAN HOLE** ended in the bucket with his Russian Head (looked like Al Pacino). The **Star Bar** in **Jomtien** has 2 Norwegian Flags, but most costumers come from boystown. Of course **SCAR** is excited about this. 3) The **Beer Hunters** on the ice: today **SPAG** took all the beer, but there was only one beer to get. It stays a special group in "*The Drinking Club with a Running Problem*". 4) **JACKAL** and **THE WIZARD**: most famous hash crash in history. 5) **IM LAO** wanting to sit together with **MAMA SAN** we didn't see anymore since 1992 – song for the animal lover.

Spursboy, Tintin... Sorry, it's **NO MORE CUM** in the circle: 1) the lovely **TADPOLE** and the most lovely **IM LAO** in the bucket, together with **TAMPAX**. This is not the first **TRIO** from **Tony** today. 2) Then **TAMPAX**, **MAMA SAN** and **RASPUTIN** in the bucket. **MAMA SAN** had to drink the beer out of his shoe. 3) **TAMPAX** in the bucket and **LOVE BOAT** on the ice: what a lovely couple. 4) **VV** brings in the broken chair from **CRAPPER**. **THE WIZARD** and **FLYING FINN** in the bucket. I didn't get the clue here.

REDCOAT took the circle, after the **GM** called on the hares to sing us a song: "*Do You Spit Or Do You Swallow?*" Everybody had a big laugh, when **TADPOLE** and **IM LAO** ended up in the bucket again. Somebody said (no, not me): Please **REDCOAT**, take your time. And

that is what he did ! *Later that evening, IM LAO wanted to go to the the hospital to unfreeze everything.*

There was great food in the On-On Bar **The Blue Heeler**, a sensational drink and a finisher in the **TQ**.

Before I end, I wish to thank all the people who keep the hash alive. You gave me, once again, a great holiday in Disneyland. Saturday I'm flying back to **Belgium**. *Hope to see you all again in May/June.*
