That will teach me to relax at the beginning of a run while **MENTAL DISORDER** prowls the site looking for his next victim. He likes to find his volunteers in a crowd, makes it very tough to say no. Later, he used this clever tactic when he took a vote and *asked all those that disagreed with supporting a cause for abused children to raise their hands*. Obviously to be an effective leader, you have to know how to properly load the question!!

Anyway, we were promised a good run by **POLE DANCER** and his lovely wife, **TOM BOY**, and they brilliantly came through with a fun run. It was perfectly marked for both runners and walkers. It had a little of everything, water, jungle shiggy, water, hills, water, plenty of flat for the long legged runners, water, pineapple fields and of course, water. It was a great run with plenty of thought given to enhance our experience UNTIL the end beer stop. Who in their right mind offers Chang beer as a reward for the completion of a fine run. You'd think **POLE DANCER** would have learned from the last time, but NOOO! From a great run it went down hill from there, the On In was confusing and poorly marked. I guess that's what happens when you drink your own Chang beer.

Before the circle festivities got started, we were treated to a **VV sausage barbecue**. It was outstanding and quickly sold out. On a side note, as I was watching Hashers munch on sausage sandwiches, I was mystified by a human "Glow Stick" standing there with a beer hanging around his neck. He was the whitest white guy I've ever seen in Thailand! He wasn't even pink from the sun! Someone whispered to me that it was **FERRY QUEEN** and due to his massive amounts of Chang beer consumption he was immune from burning...go figure!

#### A-Site Mis-Directions:

From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 5.6 km and turn right at the Temple Archway (HHH) onto a paved road. Continue for 700m past the temple to the T-junction (HHH) and turn right. Travel along the road for 1.6 km (HHH). Turn left into a track leading to the A-Site a short distance along.

Now some business, **MENTAL DISORDER** advised us that one of our On On bars, **Nicky's Bar**, asked if we'd help out with a worthy cause by supporting a charity function for abused children in Thailand. He called for a vote of all members present to authorize the spending of 8,000 baht for a clown act at the event. The vote appeared to be unanimous, but **MENTAL DISORDER** still asked anyone who opposed to helping abused children to raise their hand and, HaHa, no one did...such a smart **GM**, like I previously said, it's all in knowing how to ask the question!!

The big winner of the night was **DUCHESS TADPOLE**, who not only received her **500 Run** personal chair, but also walked away with the giant

soaker gun from **FREE WILLY's Raffle** and just in time for you know what next week. She'll be properly armed you can be assured!!

Another highlight of the evening was the presentation of the *newly designed PH3 T-shirt*. **Believe me, it is a winner...kudos to the design team**. It was modeled by 2 Harriette's and **SCAR W/2TS**, who was voted the prettiest!! There's that Chang beer at work again I suppose.

There were a couple of administrative details, one being the final naming of a (un)fortunate fellow by **RA, EMPEROR AIRHEAD**. The fortunate was touted as the chief engineer of a German TV network who handled the world cup broadcast in Brazil. Well after this big build up, he walked away with the moniker of **"NOT SO STUPID KRAUT KUNT"** No worries, I'm was confused too, but he appeared to be happy!! Another Chang beer victim!!

There were two virgins present, **Shawn** from **London** and **Travis** from, as he initially said it, **"Canadia"**. Must have been Chang at work again!

Towards the end of the evening we were entertained by the **"Hash Dogs Dirt Band"** and their gyrating

Harriettes. It was kind of like old Rock'n'Roll meets the Robert Palmer girls!! They were thrilling, the crowd went Chang wild!!

Finally, **MENTAL DISORDER** closed the evening with an oh so familiar song and the promise that next week's hash would be handled by **"THE BELGIANS"**

Yea, they hate Chang beer!
